Thinking Ahead

A young father often went on golfing trips with friends, but he was starting to see that he was hindering his personal growth and family time. He decided it was time to work on becoming the husband and father he wanted his family to have, so he reorganized his priorities and began to set goals for the future.

A woman with a prestigious career made a similar life-defining decision. She chose to use her wealth to build orphanages around the World rather than spending it on lavish living. She decided that long-term, this is what she wanted to give to the World.

When we ponder and pray about our path and listen to the Lord’s guidance, we often feel prompted to pivot, prioritize and prepare for a future that might be different than what we expected. These moments may surprise us, and they may be difficult. But if we trust the Lord, who sees what we cannot, He will help us succeed in our plans and we will plan to succeed.

Judy Note:

- **After the banks implode and our Global Financial System goes down**, people across the World will be using Quantum Financial System Universal Digital Currencies to buy and sell things. Your present bank account will not be mirrored into the new Quantum Financial System. In order to handle and safely store your monies, you will need to set up a QFS Bank Account – called a Quantum Ledger – that works out of the StarLink Satellite System. You can set up your own Quantum Ledger right now by going to: <https://www.quantumledgerfirm.net/register.php>

- **The official US Debt Clock no longer shows US Federal Reserve Notes.** They call it the US Treasury Dollar.

This Restored Republic via a Global Currency Reset Update as published on Dinar Chronicles has been redacted. For an un-redacted version, see a PDF copy at the very end of the report.

A. Global Currency Reset:

- **Mon. Evening 13 March Two High Up Contacts:** The new rates are locked in on Bank Screens; Tier 1 has already gone; Tier 2 is processing right now and Tier 4 (including Us, the Internet Group) will likely go within a couple of days.
- **Tues. 14 March Bruce:** Redemption Center staff are scheduled to begin full days of work beginning **Wed. 15 March**. Sources say we may be looking at a **Wed. 15 March, or Thurs. 16 March** start for Tier4b to receive notification and set Foreign Currency Exchange and Zim Bond Redemption appointments.
- **Tues. 14 March Rod Steel:** Iraq is International IN COUNTRY-in other words Iraqis can use their Dinar internationally. Once the rate in the Budget is announced by the CBI after Parliament finishes approving the budgets for the next three years, and it goes to FOREX, then we can Exchange. Yahooo!
- **Tues. 14 March MarkZ:** “I have dug for news....and everyone connected with it tells me they are just waiting for the reset. I am told the Fines and Penalties have now passed the \$8 mark....and they are prepared and just waiting on the reset. ...Absolutely this could be our week ...We are in a sweet spot right now. We are in the best spot we have ever been in the entire history of this thing. We have banks struggling to stay afloat....We have everybody waiting for the next shoe to fall...We have the Iraq budget passed – the HCL law submitted to be passed.....We are in a great spot.”
- **Mon. 13 March RV Update, Okie (not OkieOilMan) via Twitter:** This RV of 166 countries is happening now. The US Treasury received word that all systems are Green to Go. There are no more hold ups or delays.
- **As of Friday 10 March, banking systems** were able to use the new Unified Payment Interface (UPI) on the QFS for foreign currency swaps. <https://dinarrecaps.com/our-blog/goldilocks-prepare-yourself-for-the-old-guard-to-fall-3-11-2023>
- **Sat. 11 March:** Banks and people of England have started using the new financial system XLM and XRP. The Bank of England just announced they will be using #Ripple and #XRPL.

B. Tues. 14 March 2023 Bruce, The Big Call Thebigcall.net 667-770-1866, pin123456#

- **Since last Friday 11 March,** 71 banks have collapsed just in Northern America alone. The banks which use the fiat US Dollar need to collapse or go into bankruptcy, in order to bring in the new gold/asset-backed US Treasury Note.

- **On Mon. 13 March** we were told it may take 3-4 days or until **Wed-Thurs.** for the shakeout of the banks to take place.
- Redemption Center staff are scheduled to begin full days of work beginning **Wed. 15 March.**
- Sources say we may be looking at a **Wed. 15 March, or Thurs. 16 March start.**
- There may be some disclosure on Tribunals coming out on **Wed. 15 March.**
- **On Mon. 20 March** the currencies are supposed to be announced as gold/asset-backed.
- **The first week in April** NESARA/GESARA could be announced.
- Ten days prior to **April 15, or April 5,** we may get an announcement that we don't need to file income taxes for 2022.
- **A Consumption Tax of 14% to 15%** will be collected on new items only. No tax on food or medicine.

C. Restored Republic:

- **JFK Secrets on Telegram:** “Corroborated now by 3 people in my sphere, and my own research. In my assessment, it is now my very strong belief that: SCOTUS has accepted the Brunson case in a 5-4 decision, and will hear it. SCOTUS will rule on the merits of the case, not the posturing of it. The US Military is involved in the background with this process, and made contact with the Supreme Court in the last 7 days.”
#NothingCanStopWhatIsComing #WWG1WGA "It must go through the Courts. It must carry weight" Q
- **Help save your right to vote in fair and free elections** by adding your name to the Brunson Petition, adding the wording for the Justices “Misprision of Treason” through sending an Affidavit to SCOTUS. Those Affidavits that included the wording “Misprision” seemed to have had a significant impact. In this case Misprision meant that Congress may have committed Treason by not investigating claims of 2020 Election Fraud. If SCOTUS was aware of that Election Fraud and didn't do anything about it, then those Judges too, could be guilty of committing Treason. **Patriots worldwide can help Save the US Constitution by Adding their name to the Brunson Petition.** See: BrunsonBrothers.com

D. How to use the new Quantum Financial System Universal Digital Currencies:

- **After our present financial system implodes** and the banks go down, people of the World will be using the new Quantum Financial System Universal Digital Currencies to buy and sell things.
- **There are other digital currencies** like Bitcoin, but we were told that the best digital currencies were xlm and xrp, which were backed by precious metals like silver and gold.
- **Right now you can purchase xlm and xrp on Crypto Wallet.** After the banks go down and the QFS is released, xlm and xrp will go up in value as much as \$12k each. To buy

xlm and xrp go to your App Store or Play Store and install Trust Wallet to create an account.

- **We have also been told that our bank accounts** will not automatically be mirrored onto the new Quantum Financial System. Because the new QFS will use gold and silver-backed xlm or xrp digital coinage, you will need to convert all your fiat monies into those gold and silver-backed xlms or xrps.
- **To do that right now you can set up a QFS Bank Account** – called a Quantum Ledger – through Starlink in order to safely store your monies. Through that Ledger, you can convert your fiat monies into gold and silver-backed xlm or xrp and store the digital currency onto the new Quantum Financial System.
- **Use the below link** to set up your personal Quantum Ledger and then take your fiat cash or debit card to a Bitcoin ATM machine – which have been installed at many local banks. Deposit your monies there in your personal Quantum Ledger that will protect your account monies from being hacked. <https://www.quantumledgerfirm.net/register.php>
<https://www.quantumledgerfirm.net/login.php>
- **The monies you deposit** in your Quantum Account converts to xlm or xrp currency when the reset happens.
- **That money is safe there** so the banks don't confiscate it during these bank runs.
- **Right now you can purchase xlm or xrp digital currency** through Crypto Wallet. That xlm or xrp digital currency will go up in value when the reset happens.
- **It would be a good idea to open a Quantum Account now** because that is the account your monies will be deposited in when you go to your appointment. It would save time at your appointment if you already had an account open.
- **You will not need** to open another account at a bank. Banks will no longer be handling your monies. They will be service centers for your use.
- **Your monies will be held in your Quantum Account** on the new Starlink Satellite system. Only you will be able to access that money, or see what is in your account.

E. Stock Market Crash & Bank Failures:

- **Bank Stocks Price Crash** - LIVE News Coverage (First Republic Bank, Western Alliance & More) <https://beforeitsnews.com/economy/2023/03/bank-stocks-price-crash-live-news-coverage-first-republic-bank-western-alliance-more-3080571.html> Several bank stocks are crashing **this morning Tues.14 March 2023**, including First Republic Bank, Western Alliance, and more, in the aftermath of the Silicon Valley Bank and Signature Bank closings.
- **How big is the latest Fed bailout?** \$210BN for just the Big 4 banks. Our debt limit is maxed out at \$31,4 trillion ... Yet, somehow the US Treasury can back all bank deposits in the USA with unlimited risk and make all depositors whole while banks have +\$600 billion in unrealized losses on their books. You can't taper a Ponzi.
<https://t.me/+Mfx2IUDxU8U3NTY0>

- **Tues. 14 March Goldilocks:** “Even Credit Unions are liquidating. The bottom line is these banks have to be Basel 3 compliant by March the 20th. If Banks are not compliant, many more will begin to fail. Basel 4 is here. We will see banking regulators step in to take charge in transitioning Banks to the new digital asset based monetary system, or they will be consolidating with a bigger Bank.”

M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

N. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

P. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady

who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
