**CONSENT ORDER SEALING RECORD**

This Court finds that the potential harm to the privacy of the parties outweighs the right of the public to access the records in the above style action and, therefore, it is hereby the ORDER AND JUDGMENT OF THIS COURT THAT:

1.

Pursuant to Uniform Superior Court Rules 21.1 states, in pertinent part, that "the court may limit access to court files respecting the action..." *Id.*... Uniform Superior Court Rule 21.2 adds that "an order limiting access shall not be granted except upon a finding that the harm otherwise resulting to the privacy of a person in the interest clearly outweighs the public interest." *Id.*

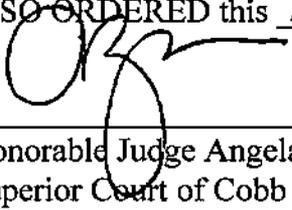

In this case the injury to the parties' professional reputations significantly outweighs the public benefit by allowing this document to remain unsealed. This public has no true interest in having unfettered access to this filing, and there is no public benefit herein.

2.

**IT IS HEREBY ORDERED** that the motion to seal the divorce records be granted, and the Clerk of Superior Court for Cobb County is ordered to seal the entire record, within 60 days of this order.
