Hunter, Parole officer needs Caroline's address in CA in order to transfer to CA. Liguori told her he'd have it by Monday. Caroline also just said she needs to accept job by end of day today and tell them when she can start. We think next Monday the 6th would be good. Jim wants you to call him. 💜🙏

Feb 2, 2019, 1:50 PM

If you haven't gotten that book yet I wanna send it to you for your birthday where should I mail it I love you aunt Sara

I did and I also got and strangely started first 'Genoeity'

Who's it by and do you recommend?

Same author

Yes

I'll get it ASAP! I'm almost finished with the Overstory. He's a pretty amazing author. We were thinking of coming to see you on your birthday but don't want to impose.

how about I come there on Monday

That would be great! 💜🙏👉🙏

OK lets do this the right way,

Its complicated beyond belief

How do you want to do it. ?

I think to avoid feeling worse and m ore depressed than I already do

Uncle J should suggest to dad that the 3 of us meet

At Dante and Luigis

Or something like that

Otherwise

I'll pass it along!

I cant see the ff=girls and not see n at and hu t

I cant see my u uncle w/o seeing my dad

I cant see hallie B/c she wont even let me be there (23 days clean) to kiss Nat and Hunt.

So if he (my uncle) doesnt want to ask dad than I guess lets just leave it be.

Okay. So best is you and your dad and UJ?

Leave it be—LYSM

UJ will ask him. He's gonna call you now. Love you.

He's just tried texting you.

UJ is communication with your dad. We don't want to add to complication if you just want to see your dad. We just want you to know we love you.

Feb 2, 2019, 5:53 PM

I just want to see my uncle in what I'm saying is is it's complication is is it if I just see my uncle I think I'm her dad's feelings so I don't just want to see dad I want to see mouth

The only person I want to see you smile I want my uncle I want my best friend I want only person that I know is completely 100% mind

Understood. Hopefully UJ will be able to work it out for the three of you. 💜

Your birthday present. A dream journal. Amazing things happen there. I once saw your mother in a dream. I love you.

So beautiful

You will write beautiful things in it! I'm almost finished with the Overstory. Will start on your recommendation tomorrow. The only bad thing about ready really good stuff is that it makes you wonder how you could possibly write. But you can. You are a natural born writer.

Ps. The dream I saw your mother in was shortly after my father died so I was more open to such things. Nick had also broken his arm and at the time they suspected child abuse (by me). I saw in my dream Mom-Mom and your mother pushing baby Naomi in a stroller in front of UPenn Hospital. They waived at me as I was walking across the skywalk to take care of Nick. It was such an overwhelming sense of love. I will never forget it.

That's such a beautiful dream

It was. 🙏💜
