As more evidence from Hunter Biden's laptop is revealed, the public now see clearly the criminality of Joe Biden's family and his son, Hunter Biden, a pervert, drug addict, abuser, and liar.

Hunter Biden's cellphone messages from 2016-2017 stored in his laptop reveal more details of his crooked life. Many of his family and friends were well aware of his bad situation as a drug addict.

On Sep. 16 and 17, 2016, Hunter Biden received messages from his "macanick", showing that police found drug-using tools in Hunter Biden's truck when it was sent for repair. His mechanic said they needed to talk "face to face", and "I think I deserve something real nice".

The text messages history showed below is from Biden's phone:
