Subject: ManTech Best and Final Offer for PMS at KAF

Dear Ms. Hogedoorn:

1. In our letter dated 14 January 2008, ManTech submitted a revised rate for Program Management Support at KAF in the amount of \$2,450 which ManTech believes is a fair and reasonable rate for PM support in Afghanistan. However, due to the strategic importance of this position to our long-term business plans, ManTech agrees to discount the rate from \$2,450.00 to \$2,000.00 per work day while performing duties in Afghanistan. The daily rate for this position while performing duties in Belgium, is in accordance with the Schedule of Supplies and Services for a Level 2 PM at \$1,213.01.
2. Due to the significant discount, ManTech can no longer offer an all-inclusive daily rate. Therefore, travel and per diem is not included in this discounted daily rate and will be the responsibility of NC3A. ManTech proposes that a cost reimbursable line item be included in the Task Order and ManTech will bill NC3A at actual rates plus our normal and customary indirect burdens.
3. ManTech looks forward to working with NC3A on this important project. We thank you for the opportunity to support the NC3A team. Should you have any questions, or need additional information, please contact me by telephone at +1.719.570.7041 ext 5552131, by fax at +1.719.570.7689, or via e-mail at [theresa.schimek@ManTech.com](mailto:theresa.schimek@ManTech.com).

Sincerely,
