**AIM**

1. The aim of this agreement is to provide a uniform system of supply classification for use by the Armed Forces of the NATO countries.

**AGREEMENT**

2. Participating nations agree to the following:
  - a. The United States "Federal Supply Classification System", is adopted as the NATO Supply Classification System.
  - b. The NATO Uniform System of Supply Classification, together with the NATO Uniform System of Item Identification (STANAG 3151), forms the basis for the NATO Codification System.
  - c. All signatories participating in this agreement will use the NATO Supply Classification System.
  - d. The NATO Group of National Directors on Codification (AC/135) is accepted as the responsible body to ensure the continuity and the interpretation of the system as described in the NATO Manual on Codification (ACodP-1).
  - e. Maintenance of the NATO Supply Classification System is vested in the United States.
  - f. Rules for decisions on changes are contained in ACodP-1 as maintained by the Group of National Directors on Codification.
  - g. The method and rate of application of this STANAG within each NATO country shall remain a matter of national discretion.
  - h. No signatory will terminate this agreement without three months formal notice to the other signatories.

**IMPLEMENTATION OF THE AGREEMENT**

3. This STANAG is implemented when the provisions detailed in this agreement have been included in the national documentation concerned.
