RE: COMPLAINT OF INTENTIONAL DISTORTION OF NEWS REPORTED

To News Director,

Please consider this letter notice, effective the date of receipt, that your news organization continues to fraudulently report inaccurate news and intentionally distort world events to the American People and the World. We The People as the Sovereigns of this Land demand that you cease and desist this fraudulent action which is impacting and hindering our First Amendment Rights under the Constitution of the United States of America and our Sacred Rights under God's Law as stated in the Declaration of Independence.

Free Speech is unfettered under the Constitution with very little exception. None of your news organization's justifications would apply to allow you to continue to violate our First Amendment Rights and We stand as One against your continued illegal distortion of facts, which is also a FCC violation.

We demand that you cease and desist from this illegal, fraudulent activity and close your broadcasts immediately. If you continue to violate the Sacred Rights of the People and our First Amendment Rights under the Constitution, we will be forced to take legal action against you both civilly and criminally.

Regards,

Sovereign
United States of America
