Grant Amounts
The Child Care Stabilization Grant consists of **program amount + workforce amount + add-ons**. DCYF will use licensed capacity data to calculate a **program amount**, and a **workforce amount**. Rates are reflective of the different costs associated with each program size, as follows:

Program Amount:
This amount is reflective of different costs associated with each program size and is based on licensed capacity. The minimum program amount is \$15,000 and the maximum is \$75,000.

Licensed capacity	Program Amount
30 or less	\$15,000
31 - 149	\$500 x licensed capacity
150 or more	\$75,000

Workforce Amount:
This amount is awarded **in addition to** the program amount, and is based on estimated worker units at your facility, assuming a 5:1 child to staff ratio. The minimum workforce amount is \$9,000 and the maximum amount is \$42,000. This amount must be used for increasing wages (increases in payroll) or other recruitment and retention activities (ex: sign on bonus, retention incentive, marketing positions, etc.).

Licensed capacity	Worker Unit (5:1 ratio)	Workforce Amount
15 or less	3	\$9,000

Terms and Conditions:

(You must fill out all fields with a * next to them in order to submit the application.)

I certify that the information I have provided on this application is true and correct. *

I will implement policies that follow Washington State Department of Health and local health jurisdiction guidance, and to the greatest extent possible I will implement the Center for Disease Control (CDC) guidelines when open and available to provide child care service. *

I will pay employees their base pay, and benefits if applicable. I will not reduce an employee's pay or benefits by wage reduction or involuntary furlough. This begins at the date of application and continues for one year after I receive my funds. *

I will increase employee's pay and may add benefits with the workforce amount of my grant award. This must go above and beyond what is currently provided. If I am a licensed family home with no other employees, I will use my workforce amount to increase my own compensation. *

I have reviewed and updated all staff records associated with my facility in MERIT, and I have end-dated all employees who are no longer working at my facility. All staff records in MERIT are now accurate and up-to-date. *

I will provide enrolled families relief from fees to the extent possible, and prioritize families who are struggling to pay when providing such relief. *

I will stay open and able to care for children through the 2021-22 school year calendar of my local school district, and will make every effort to continue to serve children past that time. *

I agree to keep all receipts from purchases made with this grant money for five years. *

I understand that DCYF may ask me to provide these receipts from expenses or purchases made with money from this grant and, if I cannot provide these receipts and documentation when asked, I will be required to repay part or all of the grant money to the State of Washington. *
