

Articles Of Federation

- 1) All rights and freedoms in America amongst men, women, and all sentient beings are not to be segregated or divided by border regardless of state sovereignty.
- 2) The Empire of Earth represented by the Galactic Federation is to be comprised of the American Federation, The American-European Federation, and the Russian Federation, via the United Nations.
- 3) International Security is to derive its policies from the National Security Council controlled by the United Nations, just as the United Nations depicts our Sense of Congress' origins.
- 4) NO boundary may segregate or divide any being of Earth's rights due to sex, race, creed, or religion, regardless of sovereignty.
- 5) The World Economic Forum shall control the flow the Empire's treasury, and taxes will no longer be collected from war, but from the regulation and taxation of drugs, spirits, and any adult substance that can be controlled by the International Drug Enforcement Agency, in an effort to end the wars on humanity.
- 6) To further an attempt to end the wars on humanity, Nazi Propaganda shall be discontinued and "fake news" and all policies to control free speech shall be either ended or redefined.
- 7) Any state within the federation that refuses follow the Articles of Federation guidelines shall be remanded with sanctions and may face fines internationally.
- 8) Any country within the Empire that refuses to progress humanity and refuses to end all the wars on humanity shall be exiled until it may come to peaceful terms of solace within the Empire.
- 9) Internationally, the Joint Enterprise Defense Infrastructure International Security Team will utilize Special Operations from all international intelligence teams and agencies to end the wars on humanity.
- 10) What is legal on one part of American, is legal on ALL American soil. No Territory, Boundary, or anything such as the aforementioned, may divide individual American rights on the idea of State Sovereignty.
- 11) In the American Federation, the right to join the military and vote is the right to enjoy adult recreational activities.
- 12) The retired Presidential Seal from the Trump Administration, one cast from our forefathers, is hereby restored, and the Civil Peace Flag is our National Flag on this day.

We, The sovereign beings of the Empire of Earth, represented as the Galactic Federation, hereby declare this country "The Federated States of America" and unite with the American-European Federation, and the Russian Federation, in a joint effort via the United Nations to end the wars on humanity. Ending the wars is decreed by the initiation of ending nazi propaganda, ending prisons for profits, and establishing true equal rights, regardless of state sovereignty, and ending the

senseless wars on the Empire of Earth, created by a terrorist regime established within it, funded by the destruction of societies, fueled by the imposition of human progression, and ending segregation by borders via race, creed, sex, and religion.

United As One,
