Hallie, if this isn't you actively me into use- goading me into hysterics then I don't know what is.

Again it's more important for you to NOT take ten minutes before your run or 10 minutes after your run then me. Because that's flat out what it feels like..

Your insane

Your not only throwing us away your throwing me away too. Why?

LO hunt....

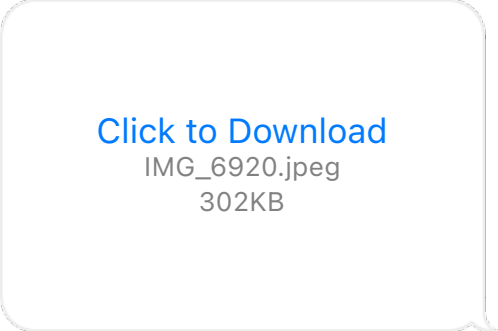

What

Liz Olivere

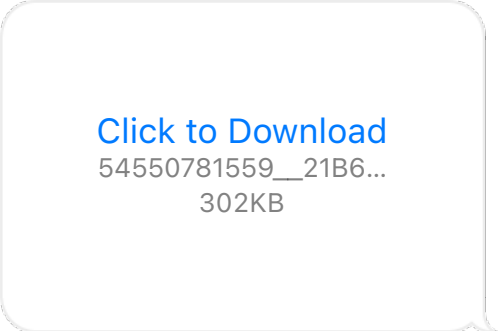

remember you will lose your point in all the emotion. i know it is hard. and you are not wrong.

Ok Liz. You're right.
So Hallie can you tell how much I needed you this morning?
