Thank you! I really appreciate it. Would love for your dad to attend. I'm thinking of doing it as a secret for my mother and father. Let me know when you can catch up.

Hunter, any update? Should I be following up with you or someone else? Sorry to bother you with this stuff.

Checking in on you? Everything ok? Any word on the 27th of October? I hate to bother you with this stuff. Is there someone else I should be speaking with?

Not bothering me at all. I'll call Kathy to see what's the deal

Thank you! I deeply appreciate it. My buddy George Gigicos saw your dad at Senator McCain's funeral and he said he was coming. God willing that's the case.

Hey Hunter. Saw your dad just now at the Biden School opening. He was awesome as always. He and Jon Meacham had a great back and forth. Of course Everyone was waiting for him to make a big announcement. No such luck. But he told me you're in Massachusetts. I pray you're well my friend.

Very well buddy and a little confused as to the reports of my troubled self. Love you.

I love you too. I would imagine as your dad gets closer to announcing those reports will intensify. It sucks. But the greatest revenge is success. I know you're doing great and look forward to seeing you again soon! PS. I told your dad that I want to be part of the campaign one way or the other when he's ready to go. America is longing for his strength and character. I truly believe that. I pray it happens.

Life is really strange. I just got out of a meeting with Sally Painter. She had only the nicest things to say about you. Seems like a sharp and sweet woman.
