Aug 29, 2018, 12:10 PM

You good?

On phone with my dad who is helping restore some confidence in myself and the decisions that I make from this fucking day forward

Wonderful

If I don't take some real pride in whom I want to be from 48 to the grave then there really is no way that I eve beat this. And part of that is. It allowing myself to forget that my brother believed me in me because I was and still am in reality the best person he unconditionally loved but because I was and still am in reality the best person he knew,ive allowed myself to believe that as smart and capable as I really am. So I choose crack to be my excuse for not actually doing the things that are really hard like really changing my life. Well that starts with the honesty to myself. I've used Hallie as an excuse for just how horribly the world treats me. It's the same thing every time. Truth is I allow myself to be mistreated because it gives me the excuse of doing the really hard shit. How it's lazy at best and it's a sinful waste for certain of the real capacity I have to actually be the man I pro-port to be. I always find the excuse for not being able to do the things I know I can the hard but esteem-able things take real effort and real strength to do. To be the man my children used to believe I was and still believe I can be.
I have a choice today. I can either be the person I know I should be or the misunderstood kind hearted addict that just couldn't beat the bottle.

An ongoing to write the fucking book or let the book of f my life to be written by others. It's not an exaggeration to say I don't have much more time to decide which trajectory will ultimately determine who I will be remembered for having been. The one thing I know for certain is have to fucking he absolutely certain that I really am finished with the ultimate time waster and dream crusher of all -fucking crack. And I am the only person who is going to in the end determine that question.

So what's it going to take to find the answer to that question?

A lot of nerve and a lot of help. But no more bullshit games I play with myself- you're not getting me sober and Scott isn't and no fucking force on earth is. Detox gave me a chance surrounding myself with Actual smart motivated and compassionate seekers gives me more of a chance but being honest with myself and people who give a shit is the only thing that MUST happen for there to be any chance at all.

List for me the people who give a shit

You. Scott my uncle My dad my kids Hallie...most everyone. But what I guess I meant by that was who are naturally compassionate and empathetic people that see me for who I am and give a shit about how they fit in this world. People who care more about people than a pay check.

I just did something so self-defeating Teri said that she wanted to come and I said I told her before that obviously I would want to come but I don't want to never asked me if you want me to come when I should've already been there to let her know she wants to see me I love to hold her before I went away and she said she was concerned about relapse told her that the two of you can be here on the porch in the room on the bed you will get a different completely clean room I'll enter md be strip searched . Just one hour no talking just love. Well real reason is because she doesn't want to answer questions about her relapse (so telling people she can't go b/c I'll make her relapse is just a lie!) well no it's not really that it's that I'm just so mean (you saw how mean I am when she comes to me) well "I'm not doing this goodbye hunter talk to you in 90 days this is awesome and I'm so proud of you...I love you. I took the phone in the bathroom and o whispered to her if you oh don't get here by tomorrow morning so we can have sex you're ...
She hung up told Daria tell him I'll e there but tell him you have to get him admitted first.

Daria didn't know I heard that. Anyway I told Daria all good and she said no really good she loves you so much and can't wait to be with you.

So Hallie is coming to see you?

But you have to be admitted to what first?

What alternate reality did i enter this is too far too much too absurd and mean ... I'm leaving tonight .
My goal is to get to Big D
Sur amazingly when you walked out the door I got this from Deva:

Egypt is also to study Sacred Sound currents. Vibrational healing. Sacred geometry.
I need to build a Love Temple and Sound Sanctuary in Big Sur. Give all the people passing through here a real experience. Those that can't go to Esalen.
Healing hearts.
A Taj Mahal to love.
The Beloved

She's crazy but clearly a healer

That's so cool!!!

She wants Daria to make sure that put me in rehab first with the promise she will come to have Sex with me

But really not come

Oh i see

"Love temple and sound sanctuary" ...Radical.

I listened to this whole album (the color of unconditional love is pink) and it's once again a revelation as to how incredibly normal I am. It's truly a letter to Hallie from a woman's voice. So funny.

I just have to write the songs and make the album

Otherwise it does seem one big waste of energy.

I've been listening to it as well!

Sep 3, 2018, 4:30 PM

Did you figure out a plan with dava?

Sep 3, 2018, 6:20 PM

Yes but it's a secret and only Deva knows

Ok do you know how long the plan will take

Just trying to figure out how I fit in... or if we just do phone sessions or how I can help you in general

It's being brewed in the primordial myst as we speak.
