Happy new year

Jan 4, 2019, 10:36 PM

Happy new year I sent you a jar of coconut oil for Christmas knowing how much you treasure it.

Lmao your funny I truly hope you are doing well

You could never laugh your ass off

That ass could survive as nuclear war

That ass isn more

Amazing than the Taj Mahal and the

'Six other wonders of the world combined

That ass is equal in beauty to my penis

Read 1/4/19

Lol yes I do agree you have a nice penis 😏
