AB Hunt, do you have any idea of when Hallie is coming back to her kids? Mom on way to Annapolis now to get them. This is so traumatizing for everyone. Makes me so damn sad.

I'm staying out of this. I asked Liz a question about when coming home. I was unaware that she told anyone. So my apologizes. You asked me to reach out to you about this stuff and so I did. Mom and dad had no idea. Last we heard she was going to beau Biden golf event.

All good. Take care.

That is not true Ashley you said Hallie has traumatized her children and that she left without telling anyone. The only person she didn't tell was me. How is it that you are helping the situation by raise alarm bells with the dumbest woman in DE. Why in God's name would you call Liz before you call me Ashley . How are possibly helping anyone.

I texted Liz because I knew she has been in contact with Hallie. I have only reached out to you and her. I am not starting alarm bells. Our side of family just perplexed as to why she didn't say anything because Hallie's family not with kids- we are. Thank god.

I am literally hysterical crying before accepting an award from de Bar Association where you are in my speech. And Can't go in into I calm down. PleAse don't do this to me.

I can't take the yelling and screaming at me. Not from you.

AB All good. I am not getting involved.
