Tried calling you on both numbers to check in. Girls asking about you - maybe give them a call when you are able. Hope you are ok.

You need to fill out medical form for Maisy - she won't be allowed to practice. It's the "Consent to Treat" form that has to be signed by both parents - so frustrating. Everything is good. They sent you an email. Thanks

Spoke to Naomi last night. I am sending you only positive thoughts and energy. You have always been so strong and you have already proven that you can control the demons we all have inside. Work to forgive yourself and heal. We will be waiting for you when you are ready.

VERY important. They have pulled Maisy out of class because you need to go into the Sidwell parent portal and approve. They pulled her out of class. PLEASE take care of it. I've tried calling you for weeks.

Just tried you. Call me and I'll see if I can help you. You need to sign into the parent portal and go to Maisy's medical forms and approve. They need both parents - I know annoying but new policy.

Tried calling. If you need help, I'll try to walk you through it. If you go onto Sidwell's site, click on Community, then chose Parents and fill in your Username and password. If you've forgotten, they will send a link to the email they have on file for you - which I assume is the rosemont email. If it doesn't work, let me know. We can call Sidwell and they'll walk you through it. Hope you are doing well and feeling good.

Not sure if you are getting any of my messages. I've spent \$3,200 on Finnegan and Maisy over the past month for moves, travel, school, etc. I have obviously not had luck reaching you. It would be helpful, and less stressful, for everyone if there was an easier way to deal with the finances. Please, if you could just find an easier way for them to reach you or if there were a schedule for when they received money. Thanks
