Up early bout to hit the gym I'm gotta unpack clean up all this equipment. Hopefully I can get all this footage downloaded so I can get to LA and and finish shooting scenes for a project. Also just wanted to say thanks again this weekend was one for the record books. Definitely looking forward to the next about adventure. We you get up and moving hit me up.. PS I found a book titled SCHEMES . I figured it had to be yours cause no one else other than me or Mickey would have a book titled schemes and Mickey Hard writing lol. MAN THIS FUCKN book is 1/10 written and this morning it changed my life. The ?'s you ask. If we ask ourselves these ?'s evryday we reveal the truth to ourselves about ourselves that's the first step to knowing and loving ourselves!!!

You have get on your shit and finish it. THE WORLD IS WAITING ON THIS!!!
