Exclusive! More evidence shows Hunter Biden transferred money from Company to his own

In the past two weeks, Hunter Biden's hard drive from hell has intensified! The big guys involved are also endless coming to the public ! Today we will take two emails from Hunter Biden's hard drive and a medical bill as an example to talk about how Hunter Biden collects fees.

Before that, let's briefly explain the relationship between the relevant characters in the following three documents. Robert Biden is also known as Robert Hunter Biden, Katie Dodge is Hunter Biden's personal secretary and Mesire George (George.Mesires) is Hunter Biden's Attorney, Kathleen is Hunter Biden's ex-wife, and Eric D. Schwerin is Hunter Biden's corporate partner.

From the below emails and billing documents with the reference to the recent LUDE Media and GNEWS reports, we can better understand how Hunter Biden used his money-raising methods. Through his personal assistants and lawyers, he put pressure on his company partners to issue the cheque from the company to his personal account. We believe this is also one of the reasons why the relationship between Hunter and his several partners has become stale. Several of his former company partners came out to the FBI and other government agencies to disclose the Biden family's criminal evidence!

Since ancient times there is a saying : the upright need not fear the crooked. We believe this time the U.S. judicial department dealing with the various criminal materials exploded by The Whistleblower Movement, it will definitely be able to bring the relevant Biden family and other criminals to justice!

Eric:

This morning I reiterated Hunter's request that you deposit the check immediately into the Skaneateles bank account. You indicated that you will assess your rights to refuse to deposit the check and revert to Hunter. Please do so as soon as possible.

I also indicated that you should provide the purported list of expenses.

Again, I fail to see any basis to refuse to deposit the check. If you disagree please indicate where in the operating agreement it so states.

Con 13 días de duelo

Queremos decírselo a todo el mundo:

No aceptaremos que nadie quiera tentar con nuestros hijos.

Jamás permitiremos que nos roben a nuestra riqueza.

Los amigos del Partido Comunista serán siempre nuestros enemigos.

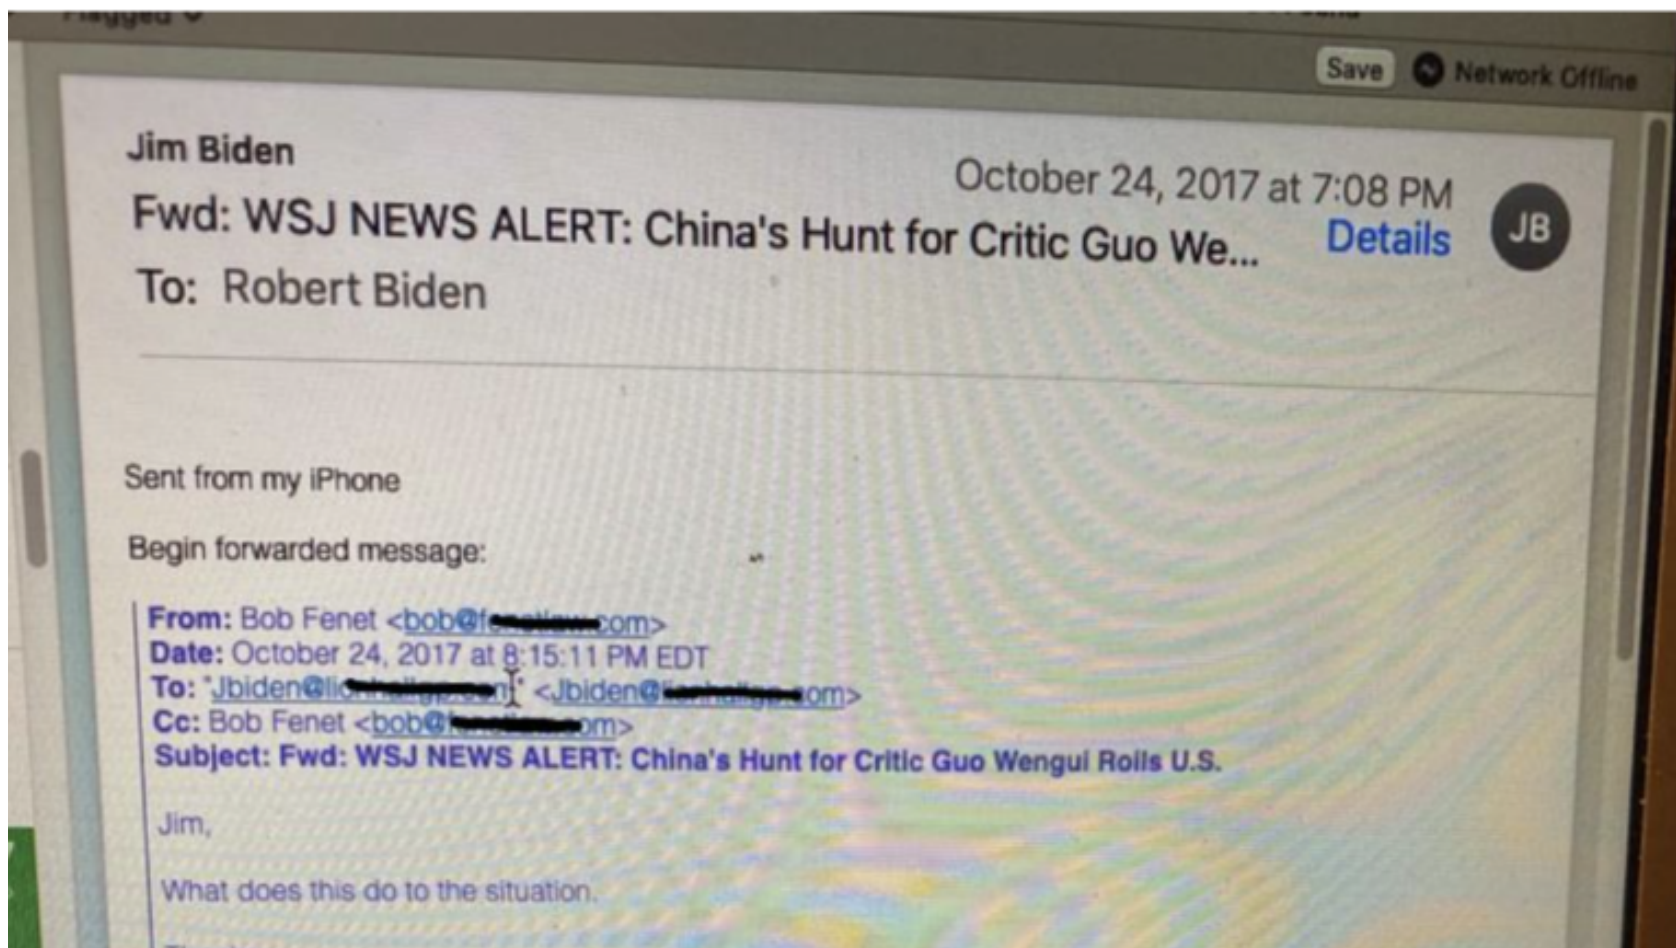

Nunca dejaremos que nadie se alie con los comunistas para esclavizarnos.

¡Éstas son las causas que defiende el Nuevo Estado Federal de China, queridos Hermanos.
