Dear Member,

House Accounts

Most London Private Members' Clubs offer a variety of billing and payment options, with collection by Direct Debit being by far the most popular method.

With this in mind, I am delighted to announce the introduction of House Accounts for Members of the Carlton Club. The House Accounts can be used in a similar manner to Club Cards, in that you may charge your dining room and bar usage to them. However, rather than paying in advance and remaining in credit (as with Club Cards) Members may pay the balance owed on their House Accounts after the close of each month, via Direct Debit.

Enclosed with this letter is a Direct Debit mandate. If you wish to apply for a House Account, please complete, sign and return the original form to Sandra Boffa (address enclosed). Upon receipt of a completed Direct Debit mandate your application will be considered and approved as appropriate.

I have no doubt that the introduction of House Accounts, which will make use of the Club and payment of bills a far more genial affair, will find huge favour amongst the Membership. However, its success depends upon us all respecting its requirements & thereby not placing further pressure on our hard-working team of staff.

I do hope that you will find this new facility beneficial.

Yours sincerely,

Stuart Goldsmith
