Dear Maurice

It was nice seeing you at the celebration of Chanukah in the Square.

Following your meeting with Ed Lister and Paul Igbokwe and subsequent discussion with my office, I am writing to confirm that I am happy to accept the position of Patron for the Faiths Forum for London. However, due to my other commitments, I would not be able to undertake any duties in this role including fronting fundraising campaigns.

As you know, I will always be supportive of the faith community because of the good work they do across London. I was again reminded of this at the Interfaith Reception I hosted in City Hall only last month. I would also like to take this opportunity to thank you for the support you have given to the Faiths Forum for London over the years.

Please do send my best wishes to all at the Faiths Forum for London and I look forward to the continual success of the Forum.

Yours ever,

Boris Johnson
Mayor of London
