Dear Boris

Thank you very much for your letter 28 January, which I have copied to both Sir Martyn and Paddy Nicoll.

We are all delighted that you are happy to remain a member of the Henley 100 Club and will continue to keep you advised of events.

Secondly, we will formalise your stepping down as Honorary Vice President at the next Trustees' meeting in June but have already ordered new stationary so that you will not appear on that from next month. Thank you very much for your support during your term.

Finally I am sorry that you cannot make the media launch of "Our Sporting Life" on the 17 March. I quite understand what a busy diary you must have. We are hopeful that Andy Burnham will be making the formal launch and I will send the timetable through to your office when it is in final draft form in case there is anyone that you would like to nominate from the Mayor's office to at least attend if not to speak.

Again many thanks for all your help.

Kind regards

## THE HENLEY 100 CLUB

### "COMMUNITY, HERITAGE AND EDUCATION"

The Henley 100 Club is a private members club, based in Henley and limited to a 100 Members. The purpose of the Club is to support the Henley Gallery and the Education Centre at the River & Rowing Museum. Members also enjoy being part of a unique social and business network. Whilst there is no joining or membership fee, Members are asked to make an annual donation, within a prescribed range, to our Registered Charity. The Club gatherings include two Black Tie dinners and numerous other social and cultural events throughout the year.

### JOINING THE CLUB

The Henley 100 Club would be delighted to hear of anyone who wants to join the Club. To join the Club, one must simply be Proposed by an existing Member of the Club and await a vacancy. The Proposer needs to know the Proposed Member well in order to properly support the application. Often a Proposed Member will also have a Seconder, who is also a Member of the Club. We suggest that a Proposed Member be first invited to attend a formal or informal guest event by his Proposer. All those who would like to put a Proposed Member forward should fill in this form and send it to the Club. This gives the Membership Committee a brief insight into the Proposed Member and enables them to confirm an existing Member has not previously asked that that person not be invited to join. The Proposed Member will immediately be invited to join the Club as soon as a vacancy arises.

Dear Boris

### Henley 100 Club Badges

After much demand, I am pleased to enclose your Henley 100 Club Member's Badge.

They have been provided, primarily, for Members to identify each other at other 'badged' events (where lots of us are likely to be) such as Henley Royal Regatta, Ascot, Goodwood Revival or Dorney 2012. They will also be useful for easy identification at Chairman's Club drinks at public events like the Henley Show or Twickenham.

As we are small club, these will not be replaced annually. The serial number on the back identifies it as yours and this has been logged in your membership file. The badge is free of charge, thanks to the generosity of one of your fellow Members. Should you lose your badge, another can be provided by the Club Secretary. But in order to deter unnecessary administration for the Charity, and to offset the initial cost, I have set the replacement cost at £50. All Club events will have back-up ticketing or an RSVP list, so replacing them is strictly optional.

Yours aye,
