8<sup>th</sup> September 2022

Rt. Hon. Mr. Boris Johnson MP,  
House of Commons,  
Westminster,  
London,  
SW1A 0AA

I want to put in writing my sincere thanks for everything you did in support of British Jews, throughout your time as Prime Minister.

Your leadership, friendship and policies set a tone that left nobody in any doubt as to where you stood regarding the Jewish community and its being an integral part of our nation. This included two things that are especially dear to me: Community Security Trust and of course the Holocaust Memorial.

I have many good memories of the times that we have met and worked together, going back to your time as Mayor and even before that also.

I know that nothing can keep a good man down, so I fully expect to be seeing you again, in any number of roles and places.

I will simply conclude by wishing you every success moving forward and look forward to our next meeting together.

Yours sincerely

Gerald M. Ronson CBE
