Dear Mr Johnson,

On behalf of the Jewish Leadership Council, its members and its staff, I want to express our sincere gratitude for your service to our country as well as your strong support for our community throughout your time in government.

The community has truly appreciated the role your government had taken in opposing antisemitism including the robust response to high profile incidents during conflicts in Israel and within the university sector. We warmly welcomed the full proscription of Hamas as a terrorist organisation and were delighted to see the UK take a stronger stand against antisemitism and anti-Israel bias within multilateral bodies.

At a time where antisemitism was unfortunately at the forefront of British politics, your government was an ally of our community.

Wishing you success and happiness for the future.

Yours sincerely,

Keith Black
Chair, Jewish Leadership Council
