Dear all,

Thank you for all your assistance during my family holiday in Greece over the summer.

I am aware how much time and effort goes into planning and arrangements for my travel. Greece is such a wonderful country that I have always enjoyed exploring so much - a delightful mix of culture and relaxation – and it was great to be able to explore so much with my family. I am grateful for you working closely with my security team from the Metropolitan Police Service to facilitate such smooth travel and to allow me to visit your wonderful country again.

Please pass on my thanks to all of your officers who supported the trip. I am aware of the pressures on all resources in Greece particularly at this time and so thank you for making such efforts. We all look forward to returning again soon!
