Dear Senora Pinera,

I was so sad and shocked to learn of the death of your husband. I had the honour to meet Sebastian when I visited your wonderful country and we formed an immediate friendship and an excellent working relationship.

He showed important global leadership on many issues - not least climate change - and it is tragic that his life has been cut short when he had so much more to contribute.

Sending my condolences to you and your family.

With best wishes

Rt Hon Boris Johnson
