28 February 2024

Dear Anthony,

Many thanks indeed for your help with our logistical arrangements over the weekend. It was a useful and constructive visit, and I remain determined to do all I can to support Ukraine.

I am most grateful to your team for swinging into action so quickly and looking after us so well. I should put on record particular thanks to Scott Wain, Captain Nick Lilley, Captain Tim Eddy and Flight Attendant Carmen Bulmer.

Yours ever,

Rt Hon Boris Johnson
