Dear Jen,

Many thanks to you and your colleagues at LionTree for hosting me in Utah, and for making me so welcome.

In particular, I am immensely grateful to you for making arrangements for me to ski. It was a real joy to take advantage of the opportunity of being in such a wonderful resort and spend some quality time on the slopes. I enjoyed it enormously!

Thank you again for your assistance and please pass on my thanks to all those involved in arranging such a smooth trip.

Yours ever,

Rt Hon Boris Johnson
