Dear Tom,

Further to my meeting with Duncan Ginn on 12 February, I am writing to confirm to you that I have declined any further technical measures at my home property including:

- An Intruder Detection System (IDS)
- Any additional fixed PABs being installed
- Security lighting
- Any physical works to secure the property boundary

I confirmed to Duncan my preference to continue maintaining the two fitted PABs and proceed with the installation of the front entrance gates.

Thank you for your assistance.

Yours ever,

Rt Hon Boris Johnson
