Dear Boris,

As lifelong Conservatives my wife and I have always supported the party. There have been two occasions when we have deeply questioned our allegiance. The first in 1990 when Margert Thatcher was basically hounded out of the party and more recently watching how you have been treated post COVID.

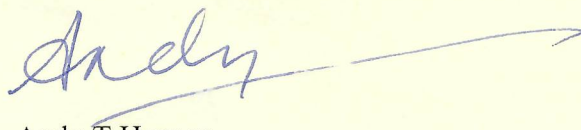

We would like to thank you for your dedication to the party and the country. There had not been a Prime Minister of your ability and popularity since Margaret Thatcher. Even our lifelong friends from South Yorkshire who were Labour Voters historically voted for you in 2019.

We do hope and pray that you will return to frontline politics and would love to see you as our local MP.

My wife and I would like to take this opportunity of wishing you, Carrie, and the children all the best for the summer and hope you will be able to enjoy some well-deserved family time.

Finally, for many years I have been appearing as Santa Claus in the South of England for Charity and last year visited Clarence House to help Her Majesty Queen Camilia host 12 terminally ill children for the annual Christmas Tree Decorating. If I can help in any way for free this Christmas at Fund Raisers, Parties or even a Private Family Visit for your children please do not hesitate to contact me.

Very Best Wishes

Andy T Hansen
