let's get it done

- I can get
But, I can't
with want to visit
a S-L

VAT

It requires us to build a new VAT system
we would have to separate our system

It will take 2-3 years

Fullback - we probably not give the gov 14 months

We will have to be very careful

DUP

My don't think they can sell it

The goods were put on one of the lines

Included was put a back door into the system

Why are we having to do customs checks on the goods

Sammy Wilson found up

Wed 15th Oct
2019

Eng's settled apart for VAT

By which we had a clever compromise on VAT

Businesses to correct the VAT - but not the Gov - or
drain. Atmospheric air - please call W. Drucker

Fresh

PD will be any customs in the way

Not allowed to do a defence against

or different a director

GB B will be only as to

could we have been acceptable

for 79 - doesn't amount to a VAT means
