science response

- ① CJRS : asked for 2 months, & the
influence employer contribution. We have to make
decisions 45 days before or CJRS (prolongs)
- ② You can't TARGET CJRS towards those who
had experienced particular decline in revenues.
- ③ Self Employment Income Support Scheme -
We have spent £20bn & we don't have any way of
knowing whether to differentiate
- ④ We are getting for self-employed tax returns
from the group who were filing returns for the
first time in 20-21
- ⑤ If we extend SEISS you will have to know
that your revenues are x% down & you
would get less cash from the govt.
- ⑥ VAT cut extend 6 months
- ⑦ Business rates - extend wholly for 2 months
- ⑧ SDLT → to our relief 3 months
No stamp duty up to 500k - for 3 months
No stamp duty up to 250k for a 6th buyer
- ⑨ Business grants - do a one off payment &
at our gov't monthly pay
- ⑩ Retail open end March
- ⑪ No more coronavirus loans
- ⑫ Extend apprentices
- ⑬ You extend tax relief on capital to
2 years & the put up expenditure tax
rate

Bank surcharge — means banks higher —
corporate tax like anywhere else

Could be
good news

The Israeli Knesset was seen as important

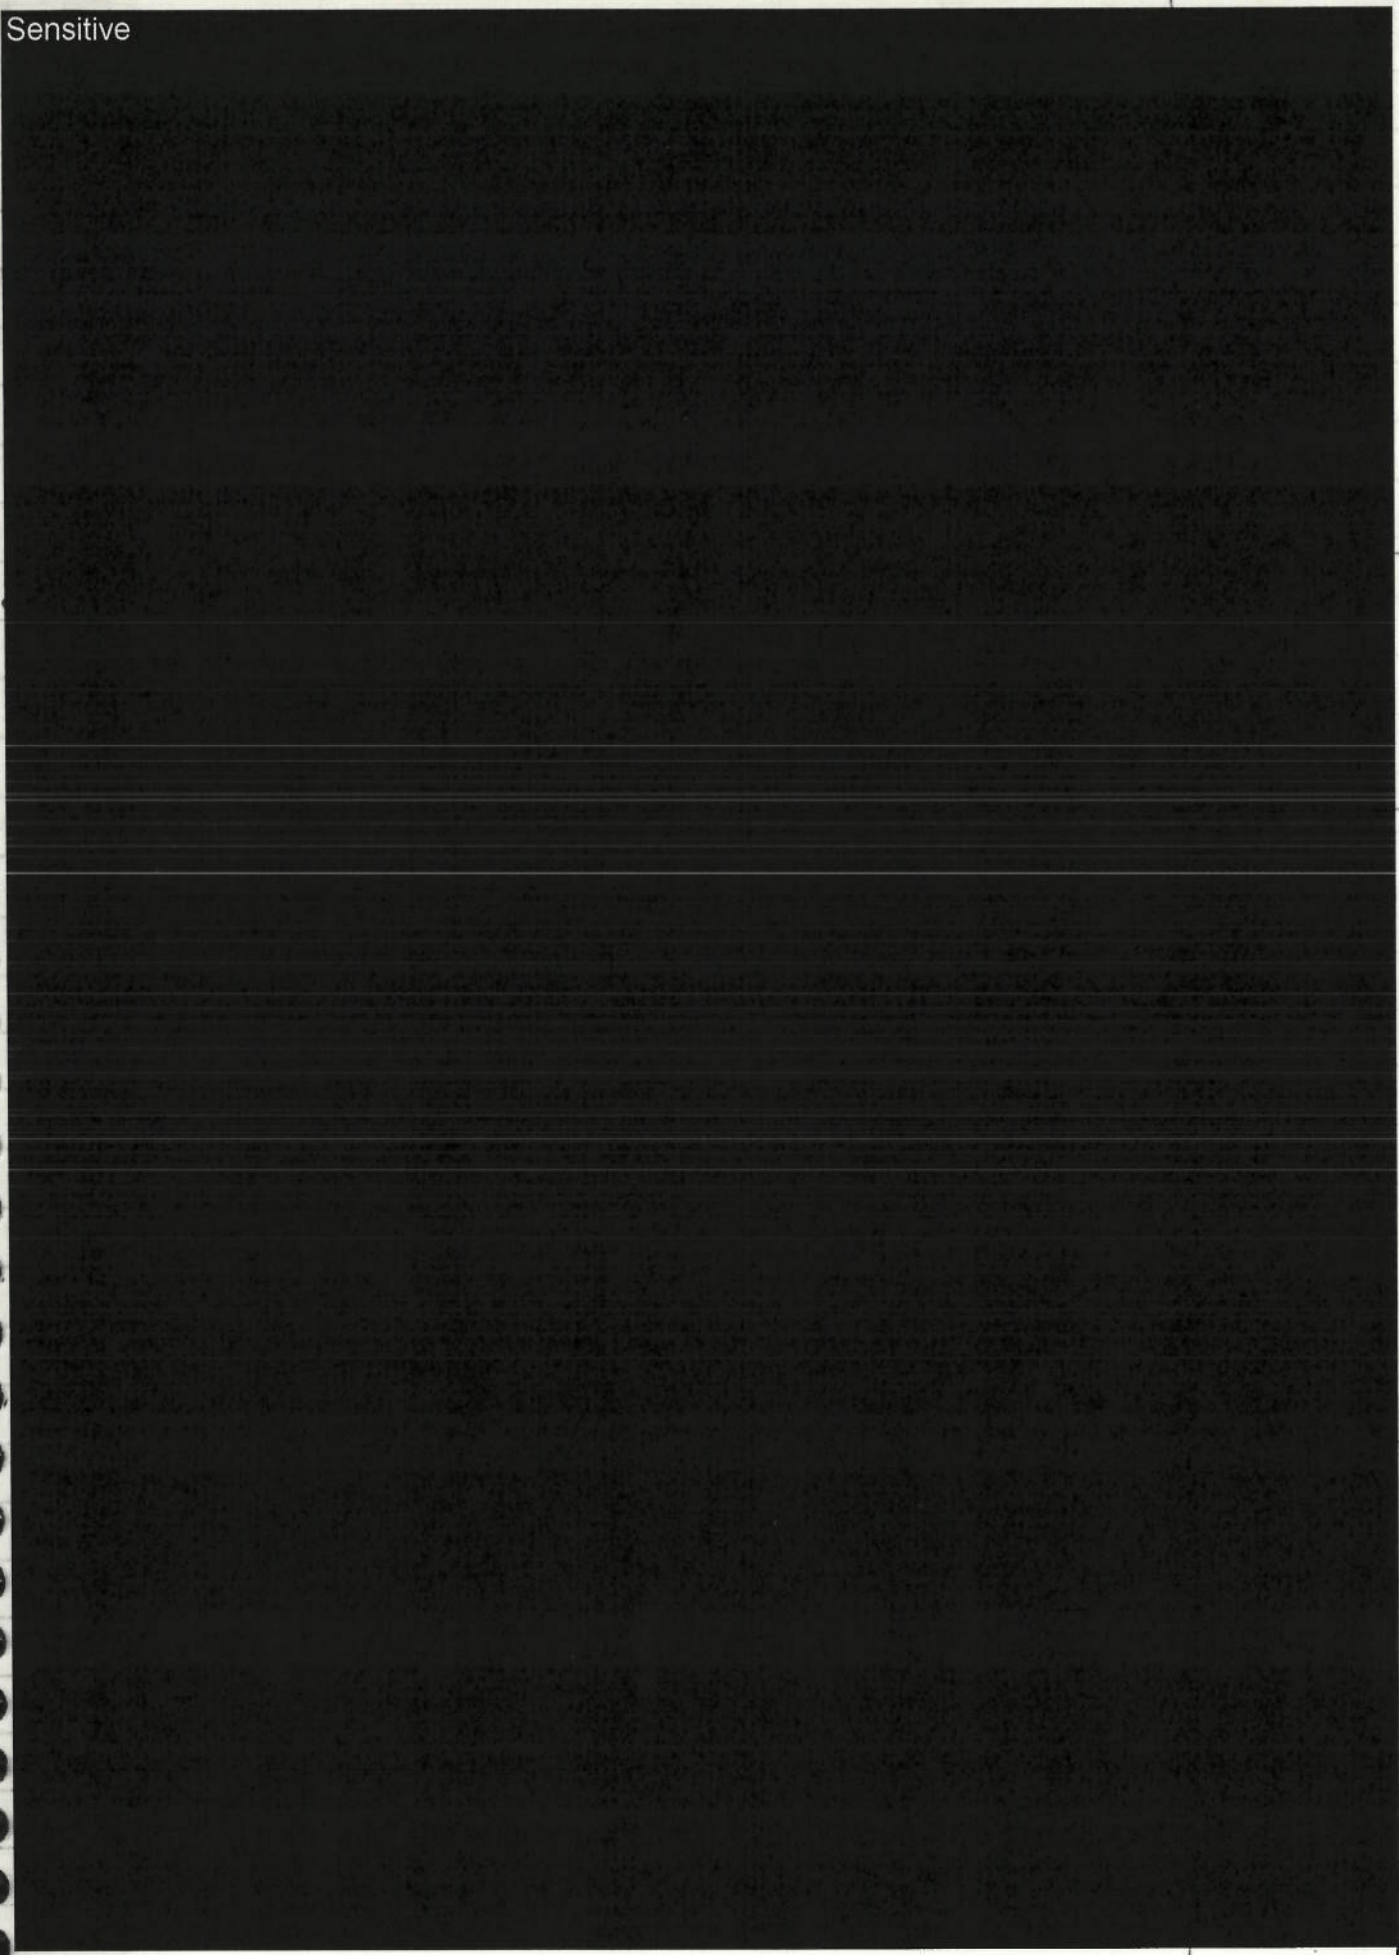

Isaac

Isaac : doing the SNP a major disservice
some positive news
Michael

- Scottish independence very subject
- vaccine rollout much faster in UK than in Scotland
- can they keep Nicola Sturgeon's certainty the
precedes without risking a referendum?
- Douglas Ross - voters don't want a big and horrible
- Tories losing momentum
- loss of ~~the~~ NHS as a public
- they don't want the Tories in the NHS / education
- ~~start~~ some intense "Sturgeon"
- but not clear what Labour would do on
independence
- No referendum is the middle of a political
pandemic
- So maybe SNP from below & referendum
- Scottish Conservatives only party able to stop
SNP from winning

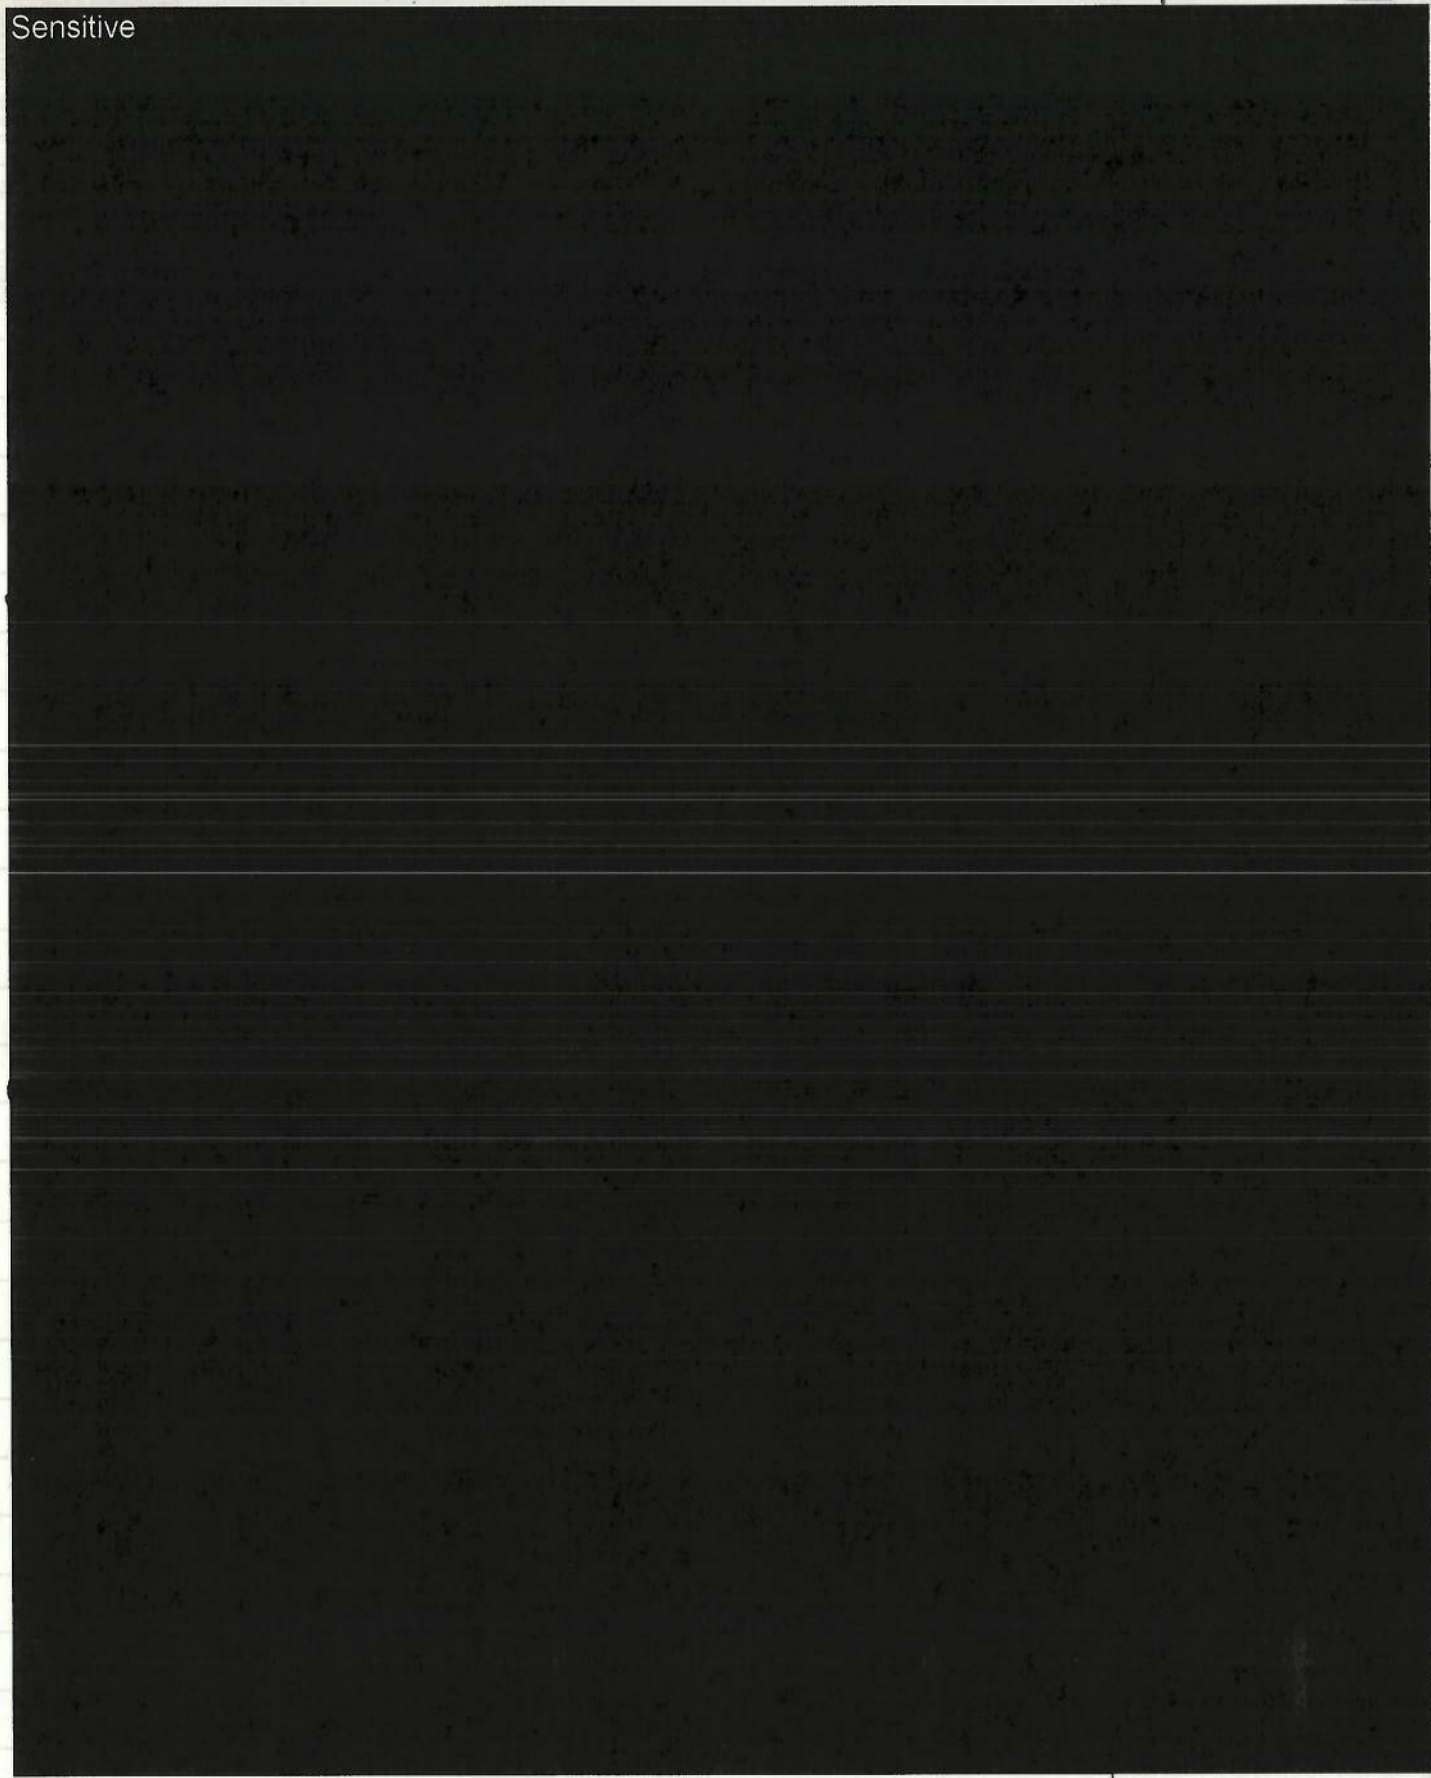

- 1) Covid, rollout of vaccines
2) climate

what type

Staffan : in 145 people

1. Rate of decline slowing. back in early October.
2. See it in case date. 10k per day. like early Oct. still falling, but slower.
3. Leicester, W. Yorkshire = flat rising.
4. London and below 100. N. & Midlands for jobs. M1 corridor
5. Leveling off if not getting strong.
6. admissions falling but still slowing. 97k.
7. London below 200 & falling. Midlands falling more slowly.
8. 12,000 people Epsom hospital, 16,059 UK
9. daily deaths below 400

Gavin : deliveries for asymptomatic tests
should be all schools 2 weeks. Thanks for trace. Sense of
responsibility.

Mary AZ cd cut yr chance of getting it by $\frac{2}{4}$ not on dose
Plus yr chance of being interrupted or dying are further reduced.
If you get it after vaccination (itself less likely) your chance of dying or of
serious disease are also reduced.

So it looks as though A2 is just as likely.

by 56 &

Now all's going to be decided after Phipps and M. C. H. are
& it looks as though it's the same for A2

Wave 2 decision decision stage

Tiz : We did some recovery.

Labour will try to get 7-800,000 out for the
recovery, this is an initial benefit. More compensation to
possible process. Some for protest. I.D.S. Crabbe, maybe
more in action.

Rishi : story on unemployment may be more positive.

gov money into people's pockets because of U.K.

Lee Rowley

3 probs

- ① Reputation
- ② Inflexibility
- ③ Lack of coherence

Seminar -
→ Wether
→ low to level of
→ the one

They define eptg against infrastructure. Too broadly defined. Two problems.
Nuclear deterrent.

They all have also done £5m. They don't own them with. They can
have more. That's not it with the whole slides.

- Coherence issue. Some ideas are crazy. No priority in data.

How does the idea to bid work? Labour cannot. will be difficult.
How you navigate home. Some better than others. They all need priority

so ① Some education element. Schools facing a generation.
where is the child of any with the computer. Refine the
department. Buses are better. People need to be heard.
Engage more.

② Political stuff - start doing 80-90-90

100+ freedoms. Not already doing

Carlos Tavares Stellantis

1. Hybrid (and gas) cars. Financially ^{£47.9} ~~£47.9~~ car a
electric van. £37m per a car.
2. By need to decide who to put best used model into
production in UK
3. Emphasis high level of ^{£47.9} ~~£47.9~~ Tavares find by 2030 we are
more ball. we want an electric van/car. Those things will
come if
4. This will be the first one to land. Picked.

Union card office

This office will be disbanded

Key notes

By $\frac{1}{3}$ of over 55s with care
No commitment part of it.
Prize one (ack of narrative about the union).
School. Very volatile.

Middle age soft dependent supporters
More commitment than age 50+ supporters.
55+ yrs - No
Trend is in the wrong direction.

Michael 1. Good work for union.

2. Budget will be received. 3. Scottish local authorities
in favour. 4. Union grants going off. 5. People see benefits
of union. 6. Scottish gov will probably draft bill on independence.
7. Increase in. Delegations SNP. 8. Frivolous overreactions
to have a referendum. 9. Why to do it when pandemic. ~~By voters~~
10. ~~Don't~~ ~~on~~ ~~it~~ ~~on~~ ~~never~~ ~~was~~

Simon Hall 1. We are where Scotland was 10 years ago. 2. The
issue is emotional as much as economic. 3. The can be both.
4. We mustn't do perfect plan. Wales is a different country

Brendan 1. The nationalists want to set our case. 2. We have
just had a can about not doing the union. 3. Levelling up money is good
but we need Evolution as well. The importance of NI to the Union

Alister 1. We empowered the leadership of Sturgeon. Don't
start conversations about it. We don't want to concede what we
are going to lose

Liz 1. EU trying to copycat good news for products. 2. Price of products &
services

Robert Buckland 1. A suspension of Scotland will send it to EU. Hadn't. Try have more
power to the union

BAME

Ali

Disinformation Language. 100% 35k vaccinated -
Two churches. Husband elderly 95y. gp-led. get
supplies to gps. Engage w. media. Mobile bus. Pop-up clinics. Webinars.
Boost group publicity.

Raghib Ali 1. 90% of BAME less than 60. Half patients less than 60. by covid.
Helping elderly relatives. Misinformation. Messages on whatsapp/Facebook.

Religious leaders. Question of time. No common int. BSV safety data. Need to overcome
Shade Adoh: we need to trust anyone. get faith leaders to talk about it. I had
colleagues who weren't taking it. Young people the spreader. Use the students to tell
grandparents. We need to work w. professionals.

Rev Charles Kwaka - Odoi. Historic issues. Need city leaders to engage. Trust the
issue. Tuskegee. Black men were given syphilis. Pfizer. Nigeria. My children
infected. Need to understand ~~social~~ health landscape. People don't feel that it is
for them. Anxiety about pregnancy. City champions. Nadhim or call.
When people's concerns are addressed they change their minds.

Dr Eneke Olorode. wider issue about healthcare. People don't
go to their gp. I know they would be hesitant. Battering concerns is vital.
A lot of people in fear. Need to change unhealthy beliefs. One by one.
Not just helping yourself. We want you people to be educated eyes.

Dr Bola Owolabi. Long memory of interaction w. healthcare. Targeted
disinformation. Fertility. Religious/cultural & pre-existing health inequalities
immigration. 30% of my congregation don't have papers. Trojan horse for
information. Messaging. Safe and effective. Record numbers of black people.
Messenger is as important as the message. Faith leaders. Young people.
You have sacrificed so much. Acknowledge what you have done. You have
been fantastic. Extraordinary opportunities. Health inequalities strategy.

Dr Bayin Thakar 2 m. patients. 7y. ethnic minorities. 220 doctors
half from ethnic minority backgrounds. Obesity. Type 2 diabetes. Mental
health probs. Digital platforms.

Mikki Kaurani - colleagues efforts are making a difference.
