Inflation.

on govts as usual. Need to control it.

gap great

September UC

DWP need to turn ~~off~~ a creditworthy regime on welfare
take the job. Not benefits
£2500 on Boot camps

Word - Why haven't we responded to it before?

Need to fix it

MIRA need to reexamine it.

Henry Hunt - no one has headed out to him
Sj being completely retrospective

Bank rate surcharge - 27%.

8% → 2%.

Up cost to ps 27, and ps 28 -

you are 25

Banks will be after into that

5% after we increase NIG rate by 1.25%.

One year after that to NIG rate ps back

down 8% replaced by a legally separate surcharge.

All done in one lot of legislation -

2% NIG, 1% surcharge.

So the surcharge always true that's it & go
on your people.

dividend tax ?

There is a £5bn gap between where we are
on electricity & what the NHTS is asking for.
If we meet them half way we could fund
the other half.

But they need to be drawing up a plan -
the rest of the settlement as it was in July

Source one 2 MTH 3 ~ DT asked

Or we solve it the asking more for Sg.

Do the dividend tax now & spend it all at once.

Do it all in one day & no problem for the
company managers.

That puts you £1.5bn over 3 years.

This is a top of the £11bn

OBR figures better than expected
Scarring ?

down from 3 to 2% so that is an
improvement.

We can probably find extra 2-300 to a
year
= £1bn over 3 years

Don said ~~Charles~~ can also handle
→ ~~it~~

~~has~~ needs to be July

11 bus +

so it's better than July.
