CASE NUMBER: HRTI- 20200427-00008

JUDGMENT

Comes now, a Judgment and Order from **the Human Rights Tribunal International**,

WHEREAS, the tort claimants' has claimed within the evidence submitted to this tribunal and Published for over 40 days in the newspaper that the Respondent has and continues to commit violations against the Universal Declaration of Human Rights.

WHEREAS, the tort claimants' has claimed multiple violations under the Universal Declaration of Human Rights on all Thirty (30) Articles of the UDHR, and

WHEREAS, an International Citation filed 04/27/2020 under the Number C6DDD32C-EF0A-42CB-98FB-0C517DDB3CC9 AND further published in the following publication ROH-FD570818-50E9-4DD4-9154-C514EEDA2113 and

WHEREAS, the Human Rights Tribunal International is focused on the facts presented and strictly from the charges brought forth in the charging instrument Linked below.

The evidence, proof and intent declared, demonstrates that these conspiring corporations and or persons (Respondents) seek to profit and destroy by means of: counterfeit medical

positioning of medically unqualified personnel and offices, false narratives, false models, intentionally incomplete medical definitions regarding vaccination ingredients, care models for those suffering from symptoms of COVID 19, closing down health facilities to handle the influx of the special infections thereby bankrupting many facilities, international economic terrorism toward the Family of Nations and their People, and finally planned genocide (defined herein as murder of innocent Humans by the tens, hundreds, thousands, millions or billions equity) by means of large scale coordinated techniques, instruments or devices. With the release of planned known false information and the use of all combined through forced treatments specified for COVID-19 sufferers or alleged sufferers.

It is therefore the Human Rights Tribunal International Judgment that the Respondents are guilty of all thirty articles of the Universal Declaration of Human Rights according to the evidence of Genocide. These human rights violations are due to the involuntary acceptance of action imposed upon the people with loss of life and livelihoods. Planned murder on the human race at this large scale is genocide. This planned event for the death and destruction is against all people and or persons.

Further, the Respondents have assumed a false leadership role to decree that the religion of Science is for the betterment of all people on Earth. This religion has brought forth such a falsified scenario to use untested, unproven effects using methods for gain of function for biological life devised in the laboratory. This is proving to be dangerous to all humans. The Respondents have used a false platform of leadership through corporate commandeering by fakery. The only thing that is real about the planned pandemic activity is that people are really dying from the cascading effects through means of neglect, misdiagnosis, forced injections of untried medications and then ventilators are being used to over inflate the lungs hence forcing rupture and hemorrhaging.

These atrocities have now branded all of the Respondents, and mentioned by name are guilty of the charges brought forth and stand to be forever planted in the minds of all mankind not as heroes but truly known as fakes, murderers, tyrants, self-interested philanthropists, and the worst of mankind ever mentioned because they love money rather than the lives and wellbeing of their fellow man on such as massive scale.

It is therefore Judged and Ordered that the Respondents have forfeited the vehicle of their persons, commercial viability, altogether for the harm they have caused. That any and all assets and or proceeds be removed from them by means of liens and seizure shall leave them terminally penny-less and devoid of any wealth whatsoever in their current persons, holdings, foundations, stock, corporate holdings, bonds without recourse or appeal. The assets and or proceeds shall be deposited into a fund that will help return the equity to the lives and lost livelihoods of those damaged throughout the world. The administering of those funds will be accomplished by a General Post Master committee for the Government of The United States of America to be the receiver of funds and to move those funds into the safest of vehicles for the ongoing task of remediation and reparations.

The committee of the National assembly for the Government of The United States of America has a trustee for this process and the balance can be found here:

https://reignoftheheavens.com/?page_id=4658.

Liens and Seizure of the Respondents property shall commence immediately following the International Publishing of this Judgement and Order.

Further, to stop the continued atrocities the live appearance of such people, the Respondents, are hereby removed from any public appearance forever and only a printed picture as reminder of their irreprehensible acts should ever appear again. Generations to come should always be reminded of what happens to people with this nature of deviancy.

As seen in the evidence by this Tribunal, there are plenty of others who have participated directly and indirectly in enabling the conspired planned actions to move forward. No large corporate institutions shall benefit nor participate in any of these reparations but only the people and families of individuals harmed and affected shall be restored by these proceeds. This Tribunal has ruled and completed its charged duty so that the whole world may know that these Respondents and any other of their like kind are a constant risk and menace to all mankind and they are not worthy of their own lives.
