February 2023

# HOST NATION SUPPORT UPDATE

**Mr. Eduardo Martinez Llarena– SHAPE J4 HNS SME.**

Eduardo.martinezllarena@shape.nato.int

# Talking Points – LOGFAS Users Conference

- HNS Capability Catalogues applicable policy.

- Steps to improve HNS Capability Catalogues quality.
  - From a "data collection exercise" to a virtuous updating cycle

- Lines of work for 2023:
  - MLC population on Bridges.
  - Inclusion of MILENG and Petrol Oil Lubricants locations
  - Develop the technical solution and Roll out a bottom-up update approach.
  - Re-engage HNS CapCat Workshop

- HNS Concept of Requirements (COR) Services.

- HNS CapCat vision for ESS.
