Letter accompanying the election notice

Esteemed Director General of the UPU, Excellency Metoki, Masahiko!

You are hereby notified of the urgent suspicion of mail and bond fraud by the letter
„Wahlbenachrichtigung zur Landtagswahl am Sonntag, den 15.Mai 2022“
(„Election notification for the election of the Landtag on Sunday, May 15, 2022“),
in this case in the so-called federal state of North Rhine-Westphalia (NRW) of GERMANY,
with the request for verification, submitted in the form of the original letter.

According to the international trade guidelines, it must be suspected that the so-called election of the
Landtag (state parliament) could be a self-trading, since there is no authorization to sign for this person
in the election notification.

The state parliament in NRW will be informed about the verification.

The author expresses his due thanks for the exercise of the honorable office of
of his Excellency and wishes his Excellency, health and welfare.

With the highest consideration and greatest respect

der Souverän

Grube, Claire
