JOB TARGET: Counterintelligence Analyst

**Summary: Leader-Broad Knowledge Base- Quick Learner- High Energy
Proficient- Goal Oriented-Encourage Teamwork-Deliver Results**

Clearance: U.S. DOD SCI Security clearance based on single scope background investigation

Relevant Experience:

October 2004 to Present **Counterintelligence Coordinator** IAQ Corp. Fort Gillem, Ga.

Lead Fort Gillem JRISE CI production efforts supporting the U.S. European Command Joint Analysis Center, Molesworth, UK. Perform all source intelligence analysis and write country specific analytical products. Leverage national level intelligence agency assets to accomplish mission.

April 2004 to Oct 2004 **Fusion Cell Analyst** Lockheed Martin GTMO, Cuba
I worked as a Fusion cell analyst for detainee operations in support of JTF-6 Guantanamo, Cuba. I was the team lead for the North African/Europe interrogation group. I provided broad, national level intelligence support, for upcoming military tribunals.

October 2003 to March 2004 **Intel Analyst** CACI, Corp. Baghdad, Iraq
Fusion and intelligence analyst in support of CJTF-7. Provided CT/CI support to detainee operations in the CJTF-7 Theater. Coordinated information required by the targeting cell and the Joint Interrogation and Detention Center. Produced a weekly CI document on HUMINT intelligence information gained from various sources.

January 2002 to August 2003 **Requirements and Intel Analyst** USNR JAC, UK
Processed RFI's through COLISEUM. Provided timely information flow to the JAC and national customers. Selected to the Europe team as a CT analyst and provided assessments SPOT and high interest articles for JAC. I was trained on M3 and analyst notebook, Pathfinder and Criss Cross. Due to a shortage of active duty personnel I was hand picked to transfer to the CT watch floor during the initial spin up for Iraqi Freedom and worked my mobilization orders at this post until I was demobilized in August 2003.

Oct. 2000- Dec 2001 **USNR** Counter terrorism analyst for the Joint Security Directorate in support of JTF/SWA in Riyadh, Saudi Arabia. CT and CI support for the Saudi peninsula and the "STANS." We provided a daily threat reporting document to over 3500 deployed military personnel.

June 6 – 17 2005 Attended and graduated from Joint Counterintelligence Training Academy.
