

First responders,

The gun used was a [redacted] Beretta, from a fellow student, [redacted].

I would like to clarify that him and his family are in no way affiliated with my actions. [redacted] was under the absolute impression I needed it for self defense. I had to receive this gun.

The holder of this paper is me, [redacted]. The victim is my girlfriend of over [redacted] years, whom I grew up with. Her name is [redacted].

My family is also in no way affiliated with my actions, no one is, except myself. I believe myself to be of sane mind.

I do not believe what I have done is okay. I understand that I am at fault, and what I have done is unforgivable. [redacted]

[redacted]

MOM & DAD

MOMMY
~~dad~~

I love you both really. It breaks my heart, what this is going to do to you two.

What I've done was nothing to do with you two as parents. My life is great at home.

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED] We had our

whole future planned together. [REDACTED]

[REDACTED] bride a sister.

[REDACTED] I could have handled this better. But I made the decision not to.

[REDACTED]
[REDACTED]

I'm so sorry for what I have done. It's okay if you two do not love me. But I hope you do.

Just to clarify: I [REDACTED]
[REDACTED]
[REDACTED]

I love you both - really.
Please move on, and be happy.

[REDACTED]
[REDACTED]
Your only daughter

+ biased explanation?

I, [redacted] had interest in [redacted] since 5th grade. I also have struggled with depression and probably a few other issues. I began dating [redacted]. I was with her after 3 years of writing; the lovely, smart, pretty girl.

[redacted] This chest, the [redacted] nearly everything on my walls are "love" notes from her. I feel free to read. We planned our future together. Our wedding. Our home and where. Every aspect. [redacted]

Last Saturday, I was informed she didn't love me romantically anymore. I was not okay. But we did not separate, because she told me there was a chance.

[redacted] she told me she wasn't loved me like that for a long time. That she's been iffy about us for years. This week, has been the worst in my life.

We grew up together. We were each others first everything. We graduated from middle school together. We started high school together.

All of this has destabilized me. I'm not as strong as any of you, it seems. I know I chose the driver of the two paths, but I was just a burden anyways.

What really annoys me is that I am happy

P.S. [REDACTED] would not like of my intentions as to why I
needed a gun, please leave him and his family alone,
and stop my apologies.

At home. I do love my family. I do
have a bright future. That's all being thrown
away for no reason.

I'm not blaming [REDACTED] for my actions.

Understand that [REDACTED]
[REDACTED]. I made the conscious decision to
do this. No one is obligated. If you're angry,
there's no one to be angry at but me, and I'm
very sorry to put the family through this.

Feel free to forget me. Cut me off as
family, and burn the scraps of my existence. It's
understandable for any of you to hate me. But
please don't remember me for this. Remember
me for when I was happy.

I am of sane mind, and understand
what I have done is wrong. [REDACTED]

[REDACTED] because I never learned to love
myself. I've always hated who I am.

It is with highest regrets that I
depart this family. I'm sorry for everything I've
put you people through, but just please watch.

I loved you guys too.

It breaks my heart to leave.
