Psalms 97 says-

The LORD reigneth; let the earth rejoice; let the multitude of isles be glad thereof. Clouds and darkness are round about him: righteousness and judgment are the habitation of his throne. A fire goeth before him, and burneth up his enemies round about. His lightnings enlightened the world: the earth saw, and trembled. The hills melted like wax at the presence of the LORD, at the presence of the Lord of the whole earth. The heavens declare his righteousness, and all the people see his glory. Confounded be all they that serve graven images, that boast themselves of idols: worship him, all ye gods. Zion heard, and was glad; and the daughters of Judah rejoiced because of thy judgments, O LORD. For thou, LORD, art high above all the earth: thou art exalted far above all gods. Ye that love the LORD, hate evil: he preserveth the souls of his saints; he delivereth them out of the hand of the wicked. Light is sown for the righteous, and gladness for the upright in heart. Rejoice in the LORD, ye righteous; and give thanks at the remembrance of his holiness.

Psalms 94, from 1 up to 16 says-

“O LORD God, to whom vengeance belongeth; O God, to whom vengeance belongeth, shew thyself. Lift up thyself, thou judge of the earth: render a reward to the proud. LORD, how long shall the wicked, how long shall the wicked triumph? How long shall they utter and speak hard things? And all the workers of iniquity boast themselves? They break in pieces thy people, O LORD, and afflict thine heritage. They slay the widow and the stranger, and murder the fatherless. Yet they say, The LORD shall not see, neither shall the God of Jacob regard it. Understand, ye brutish among the people: and ye fools, when will ye be wise? He that planted

the ear, shall he not hear? He that formed the eye, shall he not see? He that chastiseth the heathen, shall not he correct? he that teacheth man knowledge, shall not he know? The LORD knoweth the thoughts of man, that they are vanity. Blessed is the man whom thou chastenest, O LORD, and teachest him out of thy law; that thou mayest give him rest from the days of adversity, until the pit be digged for the wicked. For the LORD will not cast off his people, neither will he forsake his inheritance. But judgment shall return unto righteousness: and all the upright in heart shall follow it. Who will rise up for me against the evildoers? Or who will stand up for me against the workers of iniquity?"

Psalms 79 says-

O God, the heathen are come into thine inheritance; thy holy temple have they defiled; they have laid Jerusalem on heaps. The dead bodies of thy servants have they given to be meat unto the fowls of the heaven, the flesh of thy saints unto the beasts of the earth. Their blood have they shed like water round about Jerusalem; and there was none to bury them. We are become a reproach to our neighbours, a scorn and derision to them that are round about us. How long, LORD? Wilt thou be angry forever? Shall thy jealousy burn like fire? Pour out thy wrath upon the heathen that have not known thee, and upon the kingdoms that have not called upon thy name. For they have devoured Jacob, and laid waste his dwelling place. O remember not against us former iniquities: let thy tender mercies speedily prevent us: for we are brought very low. Help us, O God of our salvation, for the glory of thy name: and deliver us, and purge away our sins, for thy name's sake. Wherefore should the heathen say, Where is their God? Let him be known among the heathen in our sight by the revenging of the blood of thy servants which is shed. Let the sighing of the prisoner come before thee; according to the greatness of thy power preserve thou those that are appointed to die; And render unto our neighbours sevenfold into their bosom their reproach, wherewith they have reproached thee, O Lord. So we thy people and sheep of thy pasture will give thee thanks for ever: we will shew forth thy praise to all generations. ----

As you have heard in the above three words of the Almighty God; all the words tell us that God will bring about justice for his people, and that he will not tolerate the cries of judgment for his people. Note; God is truth, and therefore righteousness and judgment are the foundation of his throne. By no means; God's foundation is righteous judgment. Fire goes before him, yes! The Almighty God, it is a consuming fire. All those who oppose the Trinity will be consumed by fire. The lightning give brightness to the world, and they will see the next action shining like the sun. Who is arguing for the truth of God? Yes, very few would argue about the truth of the Almighty God. Ethiopia's the light of the world message was primarily to convey the truth. This has been going on for 15 years. In the words of the Almighty God above; Notice the significance of each word. What does it mean to "they entered into your inheritance"? You are seeing this clearly. Today, you should not doubt that Ethiopia is being invaded by the devil's global warriors. Whose agenda is our leader today pursuing? Yes. They are the executors of the Devil's global

campaign. British Intelligence Agency; US Intelligence Agency the United Arab Emirates, the Saudi intelligence agency; why do they pour their money? Why do their spies walk in the morning and at night? In fact, you have seen so many denominations in Ethiopia being massacred and exiled. The racist Tigrean force had been dispersing, harassing and persecuting Ethiopia for 29 years. The current government that came out of his womb; It is a snake that has changed its appearance. It is well illustrated in Message Eight. The government is intensifying the TPLF's coordinated campaign to destroy our church. His father's TPLF; He has destroyed our church, monasteries, great-grandfathers in many ways. Today's government has changed its face with the new and is in line with the British and American plans. This Abiy Ahmed's Government; The church has collapsed since taking power; He was burned, All its members are waging war and genocide against the Amhara community, which has embraced this belief, not only in terms of planning and strategy, but also in the face of open anti-Semitism. This regime was founded by the Oromo people. Not all Oromo people, but most of the eastern and western parts of Oromo. It is based on heresy and Islam. In two and a half years, it has consumed large numbers of people. He has been preparing and striving to do this for a long time. Even if it is a wish. Nevertheless, he destroyed God's inheritance. We have seen this in the words of the Almighty God He showed us by burning and destroying the church. Therefore, I urge all readers to understand that the judgment is very difficult. It is for this reason that I have placed the Almighty God's words on the front door before entering the main message. The clean sweep that has come down is unprecedented in human history. It proves how powerful and unstoppable God's wrath is. Following this introduction, you will find in Revelation of John chapters 16, 18, 19; when the word is expressed; it represents the flow of anger. It also shows its weight. I urge you to understand that the goal is to fulfill the words of the Almighty God mentioned in Revelation of John 20.

The basic content and purpose of the message!

- The message came out; as in previous epistles, it is not only transmitted by the Almighty God's slave; Rather, it clearly proves that it is a message from the Ethiopia world light Government. It affirms the seriousness of the message and its fulfillment in the mighty will of the Trinity.
- The message touches many things. It shows the truth and the judgment, the enforcement. It describes yesterday's sincere judgment of the Trinity and what has been done and will be done in the process. It also describes the cleansing and action that has never been seen in human history. The hardest of all; It contains powerful enforcement decisions. It is a time of unprecedented turmoil. ; Strict commands are decisive. It is a revelation of things that have not yet been revealed, that have been kept secret. Controversy between believers and unbelievers, the implications of both the wicked and the Devil's servants will be clearly identified.
- By divine authority from the Trinity; it is the direct command, rule, and command of the Almighty God's slaves and servants. It is a message of urgent and powerful commands.

- It is very important that all of Adam's descendants read it and listen to it. All of Adam's descendants, no matter where they live, will be judged by the Trinity. So listen! The old serpent, the dragon, the false prophet: Governments, organizations, religious institutions, modern-day political gamblers, rich people who have all worshiped the devil, whether they have received his mark or not, and who have sold their souls for the sake of their flesh, will be included in the righteous judgment. Whether they hear it or not, our mission is to express it. Giving bad news to a bad person; for the one who is blessed, it is only to express the good news.

To this day; At least 7 messages were sent to all of Adam's descendants. Since 2011 in Ethiopian calendar, mainly on the Telegram Channel, a channel launched by our son Brooke called Revelation of John 20; on this page, the Ethiopian Light of the World is constantly trying to reach all of Adam's descendants with messages, statements, teachings, advice, and commands. It has been translated into various languages by the families of God by the full support of our Savior Jesus Christ and Virgin Mary, and it has been made available to all mankind. According to the message and the decision of the Almighty God, we should not have seen even your mark today.

- However, we felt enraged that you are still in life with your arrogance, your past crimes and apostasy, your homosexuality and adultery, your arrogant and unbridled sinfulness in the history of the world. We felt sorry with our God, the Trinity of Abraham, and the Virgin Mary patience; we have argued; But we are human, and our patience is equal to humans. But the patience of the lord our savior is beyond comprehension. That is why you are still here.
- But now there is no more time for you to use the patience of the Almighty God and the Virgin. It cannot exist. This message is only for announcing your accomplishment. To this day, patience has been paid a price that must never be paid. Because the cup is full, you will attend your final death feast.
- It is good for all of Adam's descendants to read and listen to it. Because both his life and his farewell were announced; It also helps to understand the balance of justice! Read carefully.
- There is also a brief description of the identity of the chosen servants of God and of the Virgin Mary. This is according to the divine command of the Trinity after 15 years.
- For the one who will reach to the resurrection; Congratulations! For vain are the people of this world, rich in sin, faithful to the devil, evil generations; It is news of their death and destruction.

That's it! It's over! Run out! Saying this, a Sound has heard; Strong thunder - came out from the throne of the Trinity, the creator of all creation, out of heaven! Yes, let me tell you again and again, your final order has come! Listen to Adam's descendants! Listen! Your mighty destruction has come at the end of the age, and He has come to destroy you and to make you beg for death!

The words of the Almighty God tell us.

“And I heard a great voice out of the temple saying to the seven angels, Go your ways, and pour out the vials of the wrath of God upon the earth.

And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast and upon them which worshipped his image.” --- When this happens; Apostasy, Catholicism, Islam, Shintoism, Buddhism, Hinduism, Anointing, Wake Fate, etc. - all who worship God and worship the beast will be beaten by anyone outside the Ethiopian Orthodox Church. The wound is so strong that it cannot be healed.

“And the second angel poured out his vial upon the sea; and it became as the blood of a dead man: and every living soul died in the sea.” --- Note! If this outburst destroys all marine life, all fish that make up 50 percent of human food will be destroyed. And it turns into a bad smell, and the whole sea becomes a source of bad diseases.

“And the third angel poured out his vial upon the rivers and fountains of waters; and they became blood. And I heard the angel of the waters say, Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus. For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy. And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments.”---- When we understand the implication of this; If the rivers and springs on the earth were blood, it would be like the people of Egypt, dying of thirst. If all humans lose water, it will not last a week. The sea does not drink because it is salty.

“And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire. And men were scorched with great heat, and blasphemed the name of God, which hath power over these plagues: and they repented not to give him glory.”--- Therefore, above all the wounds, and the thirst for water, the fiery and burning fire will fall on all the wicked; when he seeks death and the death hides; with that, he began to insult the God. Like his father, the Devil.

“And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain, and blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds.”--- This action has come in front of you, a burning and stinging wound, a burning sensation, a burning fire, a gnashing of teeth; Unstoppable death; This is what will happen to you.

“And the sixth angel poured out his vial upon the great river Euphrates; and the water thereof was dried up, that the way of the kings of the east might be prepared. And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet. For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that

great day of God Almighty. Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame. And he gathered them together into a place called in the Hebrew tongue Armageddon.”--- This is what awaits you; It will be a war that will cover the whole world, which will take over most of the world's population.

“And the seventh angel poured out his vial into the air; and there came a great voice out of the temple of heaven, from the throne, saying, It is done. And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great. And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. And every island fled away, and the mountains were not found. And there fell upon men a great hail out of heaven, every stone about the weight of a talent: and men blasphemed God because of the plague of the hail; for the plague thereof was exceeding great.” We have looked the words of Revelation of John, chapter 16.

As you may have heard from the Most High, the apostle John, who was loved and revered by our Lord and Savior, was a firm vision from the Almighty God on the island of Patmos. As I explained to you earlier in our lesson, --- The Almighty God always does nothing without telling to his beloved servants what he intends to do. As a result, he assured his beloved apostle John of the future of all things in the world. Here is the Lord our savior that confirms the word, accompanied by an archangel to implement the word!! Listen, all you descendants of Adam, for the cup is full. The Trinity of Abraham, whom you despised, rejected, and fought for, has come to include you in his judgment!

Listen to me, my people! Everything you have seen so far; it was a counseling punishment; maybe there was an effort to get you back! It could not be! You went from bad to worse! Because of your pride and apostasy, all our efforts to find a way to escape for you were in vain. You pushed it with your destructive force. You didn't even give a small price for Mercy's outstretched hand! You did not repent at the age you were given, but you trusted in the old serpent and made the false prophet your god. You rejoiced in your betrayal! You have trampled on The Lord and our Savior Jesus Christ's patience with your arrogance and apostasy!

If you do not be alarmed by the turmoil and famine, disease and war, genocide and genocide, racial and religious wars, natural disasters, earthquakes and the gathering of the Creator, if you despise all the patriarchal punishment and say that you do not know your divinity at all, you are an enemy of God. What will happen if you worship the Devil? What to expect? You have been given a lot of time, but you have used it to worship the Devil. You have brought the irrevocable wrath of the Almighty God with your worst apostasy! Here is the voice of your fulfillment from the throne of the Almighty God! It's over!

The seven angels rushed to the earth to pour out the cup of wrath. Where, then, can you hide? We cried out for you, so that you would not fall from this furnace and extinct with your race. It

could not be! I, the vain, the trustworthy servant of the Trinity, I finished telling you everything for 15 years. I did not want to try to reach you again, but because it was a strong command from the Trinity. About my Father's love, for his Father's commandments; For the sake of my mother Virgin Mary; I'll tell you your bad grief news what.

Listen, for it is finished! Listen! You only have time to listen and say goodbye. You have no more time! It's over!

Who are the worshipers of the beast? You need to know this clearly.

The vast majority of Christians find it difficult to understand the prophetic word of Revelation. This is because we do not ask the Almighty God to read the meaning of the vision under the guidance of the Holy Spirit. Many so-called modern-day scholars are driven by their devilish spectacles and interpret it as an evil idea. Here in our country; to boldly sow the seeds of doubt, they put forth a book that is heavy on people's minds. They did this; It was intended to contradict what was stated in the 2004 in Ethiopia calendar "Ethiopia the Light of the World" Number 5 message. Because I know exactly what these writers are; we will see the results, since their judgment has been followed.

Let us return to our main point; who are the worshipers of the beast and those who receive the mark? ---

What we describe in the first row are heretics; Next, their mother, Catholic; Following this, Islam is the main one; Religions such as Asia, China, Thailand, Korea, Vietnam, Cambodia, Mongolia, and other parts of the world, such as Shinto Buddhism, Buddhism, India, Hinduism, Sikhism, make up about 90 percent of the world's population. Apart from these; There are those who worshiped by various gods, and There are those who are atheistic. Who does not recognize the mark of the beast and does not worship it? - Yes, it is clear. True Orthodox Tewahedo Believers: Those who worship the Trinity in truth and in spirit, baptized in 40 Days and Received the Glory of the Trinity; those who do not practice paganism in their faith; Those who maintain their faith, Who walk in holiness in front of the Almighty God and Virgin Mary, These are the only ones who did not worship the beast and did not take the mark. That is a fact. Who, then, is to be saved? Who will survive the resurrection? I repeat, he will transgress who does not worship the beast and does not take its mark and worship it. Let us know that the worship of wealth, knowledge, and power is another form of worship of the beast.

Note ----- Today, at the present time; who are the Beast's main representatives or command stations?

Let's mention them in their country. ---- UK, USA, China, France, Germany, Israel, Saudi Arabia, Turkey, Iran, Korea, Korea, Australia, Brazil, India, Spain, Canada, South Africa, Japan, Italy, etc. These and other smaller countries; they serve the Devil as a command implementer and a facilitator.

Babylon (America) is the epitome of the beast, she has founded on the tears and blood of the poor. It is well known that Britain colonized half of the world, and as they carried out this expansion, they massacred its inhabitants and have millions of innocent blood in their hands. The British, French, Portuguese, Spanish, Italian, and German engineers are the main engineers for the bloodshed on this earth. In Asia, Russia and Korea, Japan, Korea, and others were instrumental in the execution of the beast. Today; they have updated their worship and are on the same path.

There is no government or people that do not worship the beast and do not bear its mark. Starting from the rulers of our country; the great and the small countries, all the rulers and their adulteries worship the beast and bear the mark. Next to heretics and Catholics, who worship the beast and have the mark, are the following.

- **Islam** - This belief is a myth full false belief taken from the old serpent devil's book, "book of darkness." This belief has destroyed everyone for more than 1400 years and has taken them out of the way of life. It is the faith that has shed the bloods of the true prophets and the righteous (Tewahedo Orthodox faith). This belief has nothing to do with reality; it is full of myths and parables. It originated in what we now call Saudi Arabia. Today, more than a billion Muslims are in the capital, Mecca, saluting the Devil's realm. They bow down. As a result, they worshiped the beast and received the mark.

There is a saying or prophecy among Muslims, especially around Mecca, where Muslims live. It is as follows: There will raise a bald king in the future in Ethiopia. This man will destroy Islam as well as its capital, Mecca; only a few people will survive; they believe that the rest will be lost.

This statement is well known to older Muslims. Young Islam does not pay much attention to it; but it is true. There may be some meek people whom God loves in every age, and for the one meek Islam person may God have revealed to him. Nevertheless, they will surely perish because Islam has shed so much blood. They will be swept away. The king which will reign in Ethiopia is Emperor Tewodros. Understand it! The time is up; He has arrived at their door. He will destroy them. Trusted and loved by the Almighty God, with full of the power of the Almighty God, no earthly power can withstand it. Faithful Servant of the Trinity! For this truth, it has been revealed in "Ethiopia the light of the world messages" for 15 years. This world and its inhabitants will never accept it; for this generation it is the same as drinking aloes as to receive the truth. Don't accept it; you will receive it while you are dying!

"Ethiopia the Light of the World" Messages has been circulating for all of Adam's descendants for 15 years; what to do for the generation that has closed his ear to its message? Islam is one of the tools of the devil, known for its arrogance, apostasy, and destruction. When they are advised, they will not listen. They are full of hatred and contempt. They don't consider as human beings those who are not Islam. They were given

the greatest opportunity to repent, but they did not use it. Therefore, according to this message, the cup they will receive destined to be like the heretics. Let this bad news reached you. No more chance, you buried it with your own pride. There is no part of the world that is without Islam, there are all over the world. They number more than one and a half billion. As I mentioned above, all the plagues of the seven angels are also for the Muslims, because they worshiped and accepted the mark of the former serpent, the dragon, and the false prophet.

- **Beliefs of China and similar beliefs** - Taoism, Confucianism, Buddhism, Shintoism completely denies the Trinity. They worship idols, philosophies, and dragons. These are the beliefs that most clearly show that those who worship the old serpent, the dragon, the false prophet, and held the mark. They also celebrate their year by naming it; the Year of the Dog, the Year of the Rat, the Year of the Dragon, the Year of the Monkey, and the Year of the Dragon. This belief goes beyond China and had entered to Vietnam, Thailand, Nepal, Cambodia, Korea, and Japan. They have shed the blood of innocents in their land for a long time to establish themselves. Therefore, they are included in the justice of the Almighty God. They are to be destroyed and wiped out. They have a population of 1.8 billion.
- **India** - Hinduism is the main religion of India and covers 80% of the Indian population. 14% are Islamic. Survivors of this; she holds Sikhism and many other fragmented pagan religions. There were devout followers of the Orthodox Church in this country. They are almost non-existent today. These beliefs of the Son of the Devil have destroyed the Tewahedo. India has shed a lot of innocent blood. It is a country of 3 billion people. They openly bowed down to the beast and are still standing in this way. They will all sweep away and destroyed.

The types of beliefs we have listed above, when we list them in numbers

- Heresy, protestants, Catholicism, and other Christian beliefs; **two point two billion**
- Shintoism, Buddhism, Taoism, Confucianism; **in total, about two billion**
- Hinduism, Sikhism and others; **One point three billion**
- Orthodox believers, only by name; **nearly half a billion**
- Tewahedo Orthodox believers; **they reach one hundred million**
- Atheistic (unbelievers), traditional worshipers; It is estimated that **one billion**.

In total; there are about 7.5 billion people outside of Orthodox Tewahedo.

So everyone outside of Orthodox Tewahedo; they worshiped, worshiped, took the mark, and made money the beast, the old serpent, the ancient dragon, the false prophet. In this collection; because they did not repent, all the plagues described in Revelation chapter 16 will fall on them; they will be swept away from the earth in the great wrath of Trinity.

In all, there are about 205 countries in the world. They are all based on the beliefs we have listed above. According to the revealed and determined judgment; Standing in their destined lot; according to the judgment and command given by the Trinity, they will soon be wiped out by divine wrath.

What does Revelation of John chapter 18 tell us?

The word of Almighty God says, "And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies."

Doesn't anyone know America? No one. Everyone knows her. The milk bottle holder baby also knows her. Is there anyone America has not done? Is there anyone who didn't become homosexual due to the USA? Is there anyone that has not ordered by the United States? Is there anyone who dares to disobey America? Is there a country or organization that America does not order? We have seen and heard all her rebellion. It has been 15 years since her judgment was handed down. Aren't the British, the French, the Chinese, the Iranians, the Turks, the Saudis, who are equally equal to her, the enemies of God, who are the foremost faithful servants of the devil? Yes, they are.

Revelation of John chapter 19, the word of Almighty God also tell us this,

"And after these things I heard a great voice of much people in heaven, saying, Alleluia; Salvation, and glory, and honour, and power, unto the Lord our God: For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand. And again they said, Alleluia. And her smoke rose up forever and ever. And the four and twenty elders and the four beasts fell down and worshipped God that sat on the throne, saying, Amen; Alleluia. And a voice came out of the throne, saying, Praise our God, all ye his servants, and ye that fear him, both small and great. And I heard as it were the voice of a great multitude, and as the voice of many waters, and as the voice of mighty thunderings, saying, Alleluia: for the Lord God omnipotent reigneth. Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready. And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints. And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, these are the true sayings of God." Revelation of John chapter 19, from 1 up to 9.

My family, God's family! Yes, God's family! Ethiopian World Light Families! And all of you who have had the opportunity to hear this message and the previous seven messages; May God give you a mind to understand this great secret of God's truth! You can never know unless God enlightens your mind. For there is not a descendant of Adam who was not deceived by the old serpent, the false prophet of old; a few of you, beloved and chosen by God, those who endured the great tribulation; you need to be comforted. Because today is going to be your day! Your light is going to shine, your fatigue is to be seen, your burdens are to be lifted, and our savior Jesus is to reward you. So praise to God! You wicked, worshipers of the old serpent, faithful worshipers of the false prophet, and worshipers of the dragon; say, Woe to yourselves! Where will you escape? The day will not pass! The minute will not be long! You will not escape! America! England! France! China! Russia! India, Israel, Pakistan, North Korea, Iran, Nuclear Owners, Devil's Chambers You have shed all that blood of the poor like a stream of water, and you are ready to shed another great blood. You will not escape, you who have shed the blood of innocents for the former serpent, who have despised your Creator, who have not repented. All of you, including your own accomplice governments; Plagues will fall on you until you are destroyed from the earth.

Babylon's judgment had revealed in the first message of a message 15 years ago. It will happen today. This is the truth.

The words of Almighty God, described in Revelation of John chapters 16, 18, and 19 are God's will and actions that going to be implemented.

Who are called Israel by their flesh? What it means? Why are they called?

If we cannot understand this; we cannot understand God's will and, its idea fulfillment, and why.

Those who are called Israel by their flesh is the land we see today, in its past history God has taught all mankind that we should not worship other gods besides Him, that we should fear Him and worship Him. It is a country where the people were planted for this purpose by Almighty God. Hidden stories tell us that they were a people whom God planted before the creation of Israel; with the law written on their hearts and in their mind, those people had lived and worshiped him Almighty God. There was also great country that ruled over the earth. As stated in Message Eight; there were no less than 150 kingdoms in the world, they trusted and worshiped in God calling him "EL", expanding their empire. They were the most glorified of all the kingdoms of the world! The Ethiopians. For example, Emperor SendekAlma was an emperor in 4500 Before Christ; Emperor SendekAlma conquered all of Africa, including the Far East, Asia, and part of Europe; He had ruled over no less than 150 kingdoms. As described in the previous message eight, pages 25 and 26; at that time, the Almighty God revealed in very little to them. With that little flash of light, our forefathers were amazed. And they overworked and struggled to find God. They did not see God; and God did not reveal the secret to them, but they loved him with His very little revelation; they Believed and trusted on him; they trusted him in fear

and love; they upheld justice and good governance; in all of this, The Almighty God loved and respected them. Emperor SendekAlma had been in power for over 400 years. His son, Emperor Afilas, expanded his empire with the will of God more than his father, and he respected and loved the Almighty God whom he called El. He became the father of the world, reigning 450 years.

When all this is done; there was no country called Israel. At the time of the creation of Israel, there was a time when mankind was transformed from a law in the mind to a written law. When Moses was commanded to deliver the people of Israel from slavery in Egypt, it was in remembrance of God's promise to their forefather Abraham! God is clearly stating His command to benefit mankind, and according to the ability of people to receive and carry His glory. He chose Israel for a great honor. As you can clearly see from their story, with great power, he miraculously called the people of Israel my people and commanded Pharaoh to release my people and serve to me. However, Pharaoh, who refused to obey, inflicted a terrible plague on his people, drowning them in the sea and forcibly liberating the Israelites. The Israelites were very stubborn; from the very beginning, only their children were able to reach the promised place because they had rejected God, worshiped idols, and angered Him throughout their journey. But they fell in the desert and remained.

My people! When you think of the Israelites, you see that the whole of the Old Testament (from the Bible), from Genesis to the Gospel, is filled with the ups and downs of the lives of the people of Israel. In this life, not as far as God loves; they spent the greatest test of time, daring, denying, and making idols. Although the Almighty God raised the most beloved and faithful prophets, they did not use them, they were used by nations better than them. We must understand that the saying "a prophet is not honored in his own country" comes from these perverted Israelites. God regretted that he had called them my people, and he called Moses on Mount Sinai and expressed his anger at their disobedience when he gave him the Ten Commandments. Although Moses stayed there for 40 days, When Moses did not appear to the Israelites for 40 days, the Israelites quickly denied it. They made idols and worshiped them; they coveted Egypt. It was at this time that God said to Moses, "And the LORD said unto Moses, I have seen this people, and, behold, it is a stiff-necked people: Now therefore let me alone, that my wrath may wax hot against them, and that I may consume them: and I will make of thee a great nation."

For Moses was compassionate, He said to God, "Wherefore should the Egyptians speak, and say, For mischief did he bring them out, to slay them in the mountains, and to consume them from the face of the earth? Turn from thy fierce wrath, and repent of this evil against thy people." The Almighty God has been begged. It assures us that the people of Israel did not trust on the Almighty Go; they only had thought for their flesh. The people of Midian were Ethiopians at that time, according to God's word. Before that, they were loved for many years. History has shown that for thousands of years, they have loved and trusted God with all their

heart, as they have truly sought him with all their heart and soul. God still loves the Ethiopian people, especially those who are strong in the Orthodox faith. Because you were loved by your fathers for your faith, he swore and promised to give you the glory of your fathers with many blessings and love today. I have told you this truth in 7 consecutive messages, 15 years ago, as I was commanded.

Why they are called Israel by their flesh? Why did they not believe in the resurrection?

The answer is near. At the time of mercy, at the beloved time; The Lord and our Savior Jesus Christ came to His people Israel, when He came to save mankind from the bondage of the devil, as He had promised. They did not receive him. They were waiting for the whole world to be overthrown by his military force. The one who was born in a Barn was not a man for them. They handed him over to be put to death. They crucified him and killed him. They did not believe in him, even though he had conquered death. They persecuted and killed his disciples. Because their calculation was by their flesh; so they have been called as "Israel by flesh". Their dignity and love by God migrated to Ethiopia. The Ark of Zion moved to Ethiopia because Israel's glory went to the faithful Ethiopians. "Israel by flesh" are still united with Babylon (America) and the old serpent, the ancient dragon, and the worshiper of the false prophet are the ones you see clearly in apostasy today. Now these are who are called "Israel by flesh."

Why Ethiopians are called "Israel by soul"? - As we have seen above; Ethiopians had been beloved by the Almighty God for their faith before the written law written. God gave them the most glorious kingdoms on earth, and they lived in honor. They have trusted in him for thousands of years. They accepted the gospel with love, believing it in His Word without seeing it. Even today, in the furnace of affliction, they affirm the Old Testament from the New Testament, and continue to hold fast to the unified faith of God. In this time of mercy; For 700 years, the old serpent, the dragon, the false prophet, has been campaigning to destroy Ethiopia, which has not renounced its Tewahedo religion. He continues to do so today. The whole world worshiped the old serpent, the dragon, the false prophet, and he received his mark. Only Tewahedo Orthodox Church and its believers didn't bow down to the devil. My people, seven hundred years is not seven days or months or years. It means Seven generations ago! Our ancestors were wonderful. Today; in what aspect of the world do you see The Lord and our Savior Jesus Christ, the Virgin Mary, the holy martyrs, the archangels being glorified and praised? This is not theirs case in the other world. During the night, the liturgy, the hymn, the covenant, holidays that are from month to month; A people who spend two-thirds of the year fasting, a people who fear God and repent, confessing their sins to His servants. Where is the people that feeds together, and who let love to reign? They are called the world's number one hungry people. They still live being beaten and persecuted by the enemy. The most hated

people of all countries because of her faith being loved by God; is the people of Ethiopia that stood with his Orthodox Tewahedo faith.

"Israel by soul" or Ethiopia; they are all her enemies. Britain, the United States, France, China, Germany, the whole of Europe, Asia, Australia, Iran, Turkey, Saudi Arabia, the United Arab Emirates, Qatar, Egypt, Canada, Israel, Latin America, and the rest of the world are the number one enemies of her. Why did this happen? Yes, it is because the Tewahedo Orthodox Church has strengthened its faith. It is the Amhara people who have embraced this belief, and today they are being massacred, persecuted and killed in their own country. It doesn't make sense to say it again because you are watching it. Both friends and enemies need to be aware that this was a price to pay for their faith. My people, We the Ethiopians, the so-called "Israel by soul", the most beloved people of the Trinity and Virgin Mary, are the faithful children of God who worship the Orthodox Tewahedo faith and worship it truthfully and spiritually.

Know the whole world, this is the truth. Know today that you, Adam's descendants, the entire human race, before saying I didn't hear or understood. Listen to me before saying, "My rulers have deceived me, and my denominations have destroyed me." You have made the Devil your king! You worshiped the old serpent as well as the dragon; you have trusted in the false prophet, you have worshiped him, you have inherited his mark, and you have inherited it from your forefathers. This is the truth. If the number of people counted who embraced the beloved faith by God, Orthodox Tewahedo that gathered everywhere; is Less than 50 million. You have made 7.5 billion people who cover the whole earth to worship the devil and made the devil your money. This is the truth. That's it! It's not time to blame! It is the hour of judgment. You are destined to be paid for your sins, like the shed blood by your apostasy and pride. Your Thousands of Years of Violence Revealed! "Israel by their soul" or Ethiopia; the one whom you despised, Tewahedo Orthodox Faith, her Flag (the Green Yellow Red), have being loved and remembered by Almighty God; you have been given to Ethiopia as a captive. But first you will be crushed, for it is your judgment. You will be roasted in a furnace of death. This is the truth.

Towards the end of the page, it announces your conclusion of everything you face; so, all of you pay attention to it.

Ethiopians are not easily called "Israel in their soul." They have sacrificed many of their people! They have strengthened their faith and won the love of the Almighty God by their conduct! They are true, not like Israel who passed like shadow. They tire out because of his name; because they loved him and obeyed him. He chose them, loved them, approved them, and honored them. He loved them because they lived according to His will, giving birth to the days of His mercy, continuing to persevere in the Spirit by hearing and believing the word of faith. In order to become more and more pure patriotic heroes, by believing in our Savior Jesus Christ, in the fiery furnace of 700 years of great tribulation and persecution, endured all the suffering, and had lived in practical faith. Thus, God, the Creator of all things, approved the Tewahedo,

the Ethiopian, the Ethiopianness, the symbol of the covenant of Noah (the green, the yellow and the red flag) of the Tewahedo Orthodox believers who shed their blood.

He chose them, planted them in the first resurrection, and comforted them for His future resurrection. I told you the world, I pointed out to you in my first message. You did not hear; you did not turn your ear to the message! You have despised it, You are still the same today; 15 years have passed; Drink it, for it is true, even though it bitter you today. For the word of the Almighty God is not in vain. Here is the truth.

My people! God's people! As I explained to you above, the truth has come! The time had come for God to confirm His promise, which He had promised centuries ago. The one who prostrated himself before the old serpent, the dragon, the false prophet, Heresy, Catholicism, Islam, racism, heresy, Shintoism, Taoism, Confucianism, Hinduism, Sikhism, idolatry, witchcraft, star counters, anointing, grace, homosexuality, adultery; And all those who claim to be educated, those who worship your knowledge, your paperwork, your wealth, all your actions and your trust are in the way of the devil! When you hear this, when you are rebuked, persevere in your apostasy, just as you repent. You continued in your guilt and your worst sin. You denied our Savior Jesus Christ, who died for your sins, who stretched out His hand and called you out of love. Instead, you worship the old serpent, the dragon, and the false prophet. So God, who was angry with you, came to burn you in the furnace! Let me remind you of what the first commandment said when Almighty God gave you the Ten Commandments by Moses from the beginning - Do not worship any god except me, and do not worship any idol in the skies or on the earth. Didn't you say that? Who are you afraid of? If only you had denied and worshiped! You finally fought him, you have killed those who trust in His name; You killed them, you shed their blood like a heap; You paid tribute to the old serpent, the dragon, the false prophet. So your judgment has come!

The decree by the Lord described in Revelation of John chapters 16, 18, 19, has come from the throne of the Almighty God to be fulfilled! Let me tell you the result: You will be swept away from the earth in great anger and plague, and your descendants will be wiped out! You will be consumed by fire! Your sign will not be found forever! Here is the truth. It's over! The Ended!!!

God's people and families, believing in the great tribulation, have paid dearly for your faithfulness in the Trinity; All of you who have been murdered, starved, imprisoned, killed, and persecuted because of your faith. My people, who are still suffering at the same time about your Tewahedo faith, The Ethiopian Orthodox Tewahedo who stood with the Green Yellow and Red Flag Congratulations to all of you who have persevered in your faith and meekness throughout the world! You have conquered the world through your faith and perseverance. Congratulations to the heroes who have been purified by fire. You have stood firm and triumphantly, trusting in your Father The Lord Jesus Christ and the Virgin Mary, your mother, without fear of the dark times of the devil. Almighty God must be called your God. You should not be embarrassed; he should reward you and love you more. For you are the golden children tested by fire!

What does "Israel by their soul" or Ethiopianness mean? Those who are included in Ethiopia, who are considered citizens in the name of Ethiopianness, are not called "Israel by soul." They are not considered. The so-called "Israel by soul" is that who affirmed the Orthodox faith; Those who believe that Ethiopia is the inheritance of Virgin Mary; Those who believe that Ethiopia is the land where the glory of the Trinity is revealed and be praised.; In the future, according to God's promise, all those who accept and believe that Ethiopia is the light of the world and the ruler of the world, "Israel by soul" Or the recipients of the covenant are the children of Ethiopia. Those are real Ethiopian. Just as Esau, the father of the Gentiles, was a type of "Israel by flesh," Jacob was a type of "Israel in soul" because he was blessed by Isaac and loved by his mother Rebekah. Today, if we Ethiopians meet the criteria I mentioned above, then true Ethiopians are the bride of the resurrection. Who does not meet Ethiopianness? Let's look at those who are Ethiopians in the name of politics but who have been cut off from the spirit of Ethiopianness; they will be dried up tomorrow and eaten by fire!

Heretics (Protestants) - these people have inherited the white faith, are in complete conflict with the Tewahedo faith, and have no Ethiopian feeling or love; they are Worshipers of the devil, anti-Ethiopia and anti-Ethiopian Flag, and anti-Tewahedo. They are also being pushed by foreign forces to destroy the country. Catholics are like heretics.

Muslims - These are the ones who do not accept Ethiopianness and measure their faith by myths. They are the ones who destroy everything and shed innocent blood for the sake of Islam. They underestimate Ethiopianness from their Arab counterparts in Mecca. Racists and tree and river worshipers also openly hate Ethiopianness. They hate our green-yellow-red flag and even burn it; they have openly stated that they are not Ethiopians. All non Tewahedo Orthodox people in Ethiopia are anti-Ethiopian.

At present; For Ethiopia; who stand for her true glory? All political gamblers, from the leader of the country; Anyone who wants to know what they are doing, what they are up to, who they are doing, was able to know them by what they do. Our government is not accountable to the Ethiopian people, but primarily to the United Kingdom and the United States, the United Arab Emirates and Saudi Arabia, and also to China; it is a government that is fulfilling their desire to stay in power. Every country in every part of the world, as a country, is subject to the rule of the superpowers. He is also the executor of their will.

You understood the next step above. It is an inevitable decision. As has been repeatedly said in Ethiopia, only the true Ethiopian Tewahedo Orthodox people will remain. Those who hate Ethiopia, hate the flag and despise it, and strive to destroy it, those in our church and among the people and at the top of the political structure, those who measure the country with their stomachs; All those who sell their personality for the sake of their stomach, those who being ridden by others, those who carry the agenda of destruction, who carry no stumbling blocks, who drive like donkeys, who subjugate their own people for the sake of stomach, shed

the blood of their people, and those who kill, persecute, and imprison are anti-Ethiopians. Their judgment is irrevocable. They will perish with all their descendants.

My people, you are scattered all over Ethiopia; Poor of God who is being massacred by your Ethiopian Orthodox Tewahedo faith; Listen to my advice! Think of your fathers! Understand their strength. You are their son. Hold fast to your faith; Do not compromise your faith. Organize and Arm yourself! No one can help you except the God you trust. The government has not reached for you! He did not even make a statement when you were slaughtered; The government is a government to protect its citizens. But this government is so cruel that it only cares about its power; there is no denying the fact that all Addis Ababa government institutions are filled with only one race from an Oromo area. He gave no excuses of destruction for this. He is firing them from their jobs, saying that it is our turn. He has sat down by washing his eyes with salt; and he is not ashamed; he says, I work for development, peace and equality. But the government you see hates you, and hates the pure Ethiopian, because he does not want you because his faith is a heresy and Islam which is hated by God. He is tormenting you in your own country, which should be removed in your own country and in your own country. But all of this is your fault. You are at his feet, dying. What can he do for you other than kill you?! So arm yourselves with those who truly love your country, who seem to you in faith; protect yourself and your country. Do not give your weapons to anyone! Always prepare yourself! Smell the courage of your fathers! It's not just because you are Amhara, you are campaigning mainly because of your beloved Tewahedo Orthodox faith by God. Note! The whole world is fighting against the Tewahedo faith to destroy you. The reason for this is all the non Tewahedo beliefs - the apostate teachings of the old serpent, the dragon, and the false prophet. They all worship the Devil and receive his mark. So they will soon be swept away by the great wrath and the plague. So folks! God's people! That's why I telling you to strengthen your unity.

What does Revelation of John 20 say about the first resurrection? On the message number five sent on September 21, 2004 in the Ethiopia calendar; it clearly stated about the fate of the former serpent, the dragon, the false prophet on it. My people, there is no secret that was not revealed to John, because the apostle John loved Jesus the most, and our Lord and Savior Jesus Christ loved him more than any other apostle. John, who clearly showed his heartfelt love, was deeply saddened by the suffering of our Lord from the beginning to the end. The Apostle John's integrity never varied. The Lord entrusted his mother to be our mother to John by saying "Behold thy mother!" My people, the Apostle John was a heart friend of the Lord's, and when he spoke of what he had heard and understood in his own words, he explained that he understood many mysteries that could not be explained in a book. This apostle wrote the truth about the future of the world revealed to him by the Lord at the end of the Bible, entitled Revelation of John. In fact, as you walk by faith, you must not waver in faith, as the apostle John did. In the same way, you must love the Trinity with all your heart, mind, and soul. This is not to say that I have diminished the greatness and martyrdom of the other great apostles. They are all glorious in the sight of God, and are a pillar of our faith.

My people! Let me tell you again today; let's see what Revelation of John chapter 20 says, because you are in the process of being fulfilled! ---

“And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season. And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years. But the rest of the dead lived not again until the thousand years were finished. This is the first resurrection. Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years. And when the thousand years are expired, Satan shall be loosed out of his prison, and shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea. And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them. And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night forever and ever. And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. And death and hell were cast into the lake of fire. This is the second death. And whosoever was not found written in the book of life was cast into the lake of fire.” **Revelation of John chapter 20, the whole part.**

In message number five dated September 21, 2004; I have tried to explain the implications of this (Revelation of John 20).

Many scholars have interpreted this Revelation of John in different ways:

- In their interpretation, almost all say there are no two resurrections. It is the first resurrection at baptism; the second, they say, is the resurrection after the final judgment.
- Second, they conclude that Christ will reign with them for a thousand years, that this will not happen, and that he will reign with them in the final judgment. Now, the former serpent, the dragon, the false prophet, has taken control of all the rulers of the earth, so

they interpret it with this lens of wisdom. Because the false prophet's work is to spread falsehood as truth, the teachings of the great theological colleges, as I mentioned above, because the false prophet has distorted the truth in all his theological teachings; they concluded that there would be no resurrection on earth, that there would be a resurrection only at the end of the world. Accordingly, The resurrection of Ethiopia has become a myth by them

The truth of God which revealed in the "Ethiopia the Light of the World" message, we will repeat also in this ninth message as follows.

This is how we understand the millennium by the revelation of God the Holy Spirit:

When we literally go for it, the first word says: **“And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.”** Before we see this word: What do we mean by a thousand years? The apostle Peter, who revealed the mystery of God's timing, tells us that one day is considered by God to be a thousand years, and a thousand years is considered to be one day. Therefore, measuring time by number does not limit the will of God at any time and period, but for us. Thus, the millennium can be shortened, increased, or partially completed. God said I would come as a thief, but He did not say I would come at this day, at this time, at this minute. So there is no need for controversy! When God's will is done, it can be shortened or lengthened; because it can be as many times as described, it is the most important to keep maintained your faith.

“And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should deceive the nations no more, till the thousand years should be fulfilled” So my people; Where do the angel with the great chain and the key of the abyss come down from heaven? Whom did he arrest to carry out his commission to earth? Whom did he throw into the abyss? It is the old serpent the dragon, the Devil and Satan. Those who did not bow down and worship the beast, the dragon, and the false prophet, and those who did not receive the mark will set free by God's righteous judgment and comforted for a thousand years. The old serpent, the dragon, and the false prophet will spend a thousand years in captivity.

“And after that he must be loosed a little season.”This indicates the final hour of judgment.

So, what will happen after the old serpent, the dragon, and the false prophet is imprisoned? **"After this; I saw thrones spread out, and I saw a human being sitting on them."** Says the word of the vision. Human being is Jesus. It says that there are more than one throne; this shows all three bodies of the Trinity exist, and that all will be done by their will.

And then! "He judged righteous judgment to the souls of the dead for the sake of our savior Jesus and for the word of God." Yes, many people have been massacred, martyred for the word of God, for the truth, for the Tewahedo. Even today, we are witnessing and hearing that the Ethiopian Orthodox Church, especially the Amhara people is being massacred by the plan that

the world agrees with and supports. What you see today is a clear indication that the old serpent, the ancient dragon, and the false prophet, who have been in existence for hundreds of years, are the ones who worship the symbol of the false prophet. So even though they sacrifice, they will see the righteous judgment of the Trinity in heaven for the price of their souls. And they praise the Trinity for his righteous judgment.

"I saw those who had not worshiped the beast and his image and those who had not received his mark on their foreheads and their hands. They lived and reigned with Christ a thousand years." This word is the main point. Let's see what happens today! The former; they have passed away. What does it look like today? Who bow down to the beast?

The whole world has bowed down to the beast. Because the number of those who did not bow down is very small! Who are the one which did not bow down?

They are followers of the Tewahedo Orthodox Church and true believers. Here is the short answer. Not all Orthodox meet this; because, it is not an orthodox that one who is Orthodox just by hanging its title by habit. A sorcerer, star counter, a mixed believer, who constantly steals, snatches, lies, commits adultery, is arrogant, deceitful, evil, cruel, and ungodly. They are shepherds, but they are loyal to heretics, Catholics and Muslims, their false intentions and the tools of the political regime and the believers, and they are loyal to the beast kingdom; all of these are bowing down to the beast.

Those who worship the beast and hold the mark on their foreheads are: Islam, heresy, Catholicism, Anglican, Presbyterian Seventh Adventist, Geova, Protestantism, Shintoism, Taoism, Confucianism, Buddhism, Hinduism, and Sikhism. The wise, those who worship their knowledge, their wisdom and their paper, those who worship their wealth; they all worshiped the beast and carried the mark. When these children of the beast we see today are wiped out; the rest of them will reign with Christ because they did not worship the beast. They are going to the resurrection. This is the truth. How will Christ reign? Yes, he will reign. God will rest His Holy Spirit on His chosen servants. His Chosen Servants will put on Christ all over their bodies. He also rested his Holy Spirit to the rest of the people, and he will become reign. Here is the secret. They do what God love, they hate what he hates. For their leader is their teacher, for God the Holy Spirit dwelled in them.

"But the rest of the dead lived not again until the thousand years were finished." From the beginning of the creation of the world, all who have been created and covered by Adam and Eve on earth will not be resurrected at this first resurrection; They will arise only at the end of the world for the final judgment.

"Blessed and holy is he that hath part in the first resurrection: on such the second death hath no power, but they shall be priests of God and of Christ, and shall reign with him a thousand years." The word is clear. By the message of "Light of the World in Ethiopia" had been made clear. The owner of the resurrection is Ethiopia, who she is the one who reaffirmed her belief in the Orthodox Tewahedo. She is the one who has stood firm against the whole world. The

priests of Christ will also be the Orthodox Tewahedo Patriots. They will reign over the earth for a long time. What about after that?

“And when the thousand years are expired, Satan shall be loosed out of his prison, And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea. And they went up on the breadth of the earth, and compassed the camp of the saints about, and the beloved city: and fire came down from God out of heaven, and devoured them.” From the beginning and ending of the first resurrection, the imprisoned devil will be released for a short time; He will besiege the city, which has been praising the Almighty God in the first resurrection, to destroy the beloved city of God; God's judgment will be revealed at the origin of this act of the devil; Fire will come down and devour the Devil and his demons.

“And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night forever and ever.” The Devil, because of his courage, plunged into the lake of fire. They will be tormented day and night forever and ever. This is the conclusion of the old serpent, the false prophet, the beast.

“And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. And I saw the dead, small and great, stand before God.” This means that all human beings, both living and dead, will stand before the Most High for final judgment. He who will enter to hell will say goodbye there. He who will enter to the Kingdom of Heaven will enter with receiving a blessing and glorification from the Almighty God.

“And the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works. And the sea gave up the dead which were in it; and death and hell delivered up the dead which were in them: and they were judged every man according to their works. And death and hell were cast into the lake of fire. This is the second death. And whosoever was not found written in the book of life was cast into the lake of fire.”

My people, God's people! The truth is, I have explained it to you. For those who say there is no resurrection of Ethiopia; we have mentioned above. They say we only hear the Bible. All heretics say the same thing. Today, those who claim to be our preachers claim to have graduated from a heretical college; Filled with the pride given to them by the Devil, they jump on the stage and despise the spiritual struggle of our forefathers; they make them easy. Those who have spent their entire lives struggling for their faith, being beaten, persecuted, hungry, thirsty, imprisoned, flogged, and martyred; They make all of this easier. At the same time, they are destroying the Orthodox Tewahedo border. These evils of our day, they deny the orthodox Tewahedo patriots who should not even be called by their apostate language; we see them denying the prophetic word of the Almighty God and affirming heresy. We are witnessing when they are denying the book of the martyr's Fieqetor which he wrote about the Ethiopian

resurrection: Here we are hearing them erasing everything that is clearly stated by the Archangel St Uriel on his book. From the white borned these; themselves the former serpent, became the disciple of the false prophet of the dragon; we see them criticizing the message of "Ethiopia the light of the world" in which the truth is revealed. These are the disciples of the devil; when they are commanded to speak, they echo like parrots. Nevertheless, they will be judged; and our decisions will be made on them in the future.

Let us return to the issue raised above and summarize - - as we have tried to explain in detail; I have tried to explain in detail what Revelation of 16, 18, 19, and the concluding and binding chapter 20 of Revelation, described by the Apostle John, are. My peoples! God's people! To understand and explain the word of God, we must live a life that is guided by the revelation of the mystery of the Holy Spirit and a faith that is guided by His will. No heretic, a college graduate, can interpret God's Word as he sees fit. Notice! He is already blind for spirituality! For he has seen the world through the lens of knowledge; He cannot understand it.

Let me tell you today, critics of today. To all those who boldly say and teach that there is no resurrection of Ethiopia; since this message came out, you have been punished for your criticism. The punishment; you have been given over to Satan and his armies; we have judged that the devil to over reign on your flesh. You have been sentenced to die without seeing the resurrection of Ethiopia. This has been decided to be irreversible. Let's see if how you can escape this judgment. May the Devil save you, who is driving you to criticize.

Families of God who held fast to the truth, who asked God, and received the answer; you are the winner.

You will understand how ridiculous it would be if a blind man despise a man that can see, and asked him to lead him. So do not let your heart be troubled, neither let it be afraid. You will soon see that when they all fall apart. Have you not seen God's message of judgment in the "Ethiopia the light of the world" being fulfilled? Do you not understand that you see the rest of mankind being weighed in the balance by God's judgment? If you have any doubts, ask the Almighty God. He is the greatest witness of all. Ask him, because it is your right to ask him. Get ready. That's it! All you see is that when all the mercenary disciples of the dragon, the false prophet, the false dragon, soon be destroyed by misery and suffering.

The beliefs and teachings of forefathers

In the past, in the time of our forefathers, faith was faith. It was non-negotiable. Faith was life-giving. Worship is in truth and in spirit, and in trusting. That does not exist today. He also made it a habit to worship. He considers this to be true. It lacked the foundation.

As you can see, the vast majority of young people, who are victims of modern knowledge, have abandoned the faith of their forefathers and inherited the white faith, which has led to the destruction of our country and its generation. He who was dead, weaken, drunken, intoxicated, and adultery; and he despised the orthodox faith of his family.

He does not ask his fathers about faith; He really drinks heretic's vinegar that anointed with honey. Because he had gone once; when you call him he will not return. Our ancestors were true people. There were those who say the truth true, and the falsehood false. Their worship was truly heartfelt. In contrast, today's generation is dead to his flesh, selfish. Knowledge, wisdom, materials, progress have covered the earth. Everything is being abstracted. There is nothing that science did not create. Everything have become from mouth to hand.

There are so many types of weapons. The plane; The fighter plane; Human transportation; The amount of material the ship carries at one time; the car; The factory; the Modernized building; The communication phone; The TV; The satellite; The hospital: the Modern hotel; The adultery site; the Homosexuals; the drinking; The artificial food; Because of all this, the science and its result became his god. He laughs when we talk about faith today. His God is the materials what he sees! Anyone who sees anything posted on social media / Facebook, YouTube, Telegram, Imo, WhatsApp, etc., is completely lost. The messages that we have prepared in writing for our generation; Very few of them had read it, but most of the young and old did not. But; by the will of God, through our hardworking children, it has been tried by transmitting it by voice through telegram, Facebook, and so on. In this way a better person had able to listen to it.

As I tried to explain from the first page above; the messages have been translated into many languages and have reached the entire world. If you say you have not heard of Adam's seed, you will not be heard. You ignored it! What you are hearing is the teaching of your heretics. You are hearing the voices of Catholics, idolaters, Shintoism, Taoism, Confucianism, Hinduism, Sikhism, and others. You are hearing the deceived adultery, the dancing, the political lies, the deception, the treachery; - The world's population is close to 8 billion; Ninety-nine percent of the populations follow the Devil's path. In a broad way; without problems; Comfortable; in Apostasy; in worshipping idols; this is the way, where you have been gone. Devilish writings that seem Christian are heretics, Catholics, and heretics. Therefore, you do not hear the voice of the Orthodox Tewahedo patriots. In fact, you even ridiculed. When we see the people in apostasy; we can say that they are all people of the world. You still need to understand! Add the heretics, Catholicism, Islam, and the religions of the Far East, the writings of the old serpent, the false prophet of the dragon; Add the apostate; Add the homosexual astrologer; Add up the one who does not know God outside his stomach; Add up everything I don't remember. How many people do you find truly devoted to God? I can assure you there is no one.

- Those who escaped the great tribulation in Ethiopia by the grace of God; I assure that you will be shocked if I tell you the number of those who were truly loved and loved by God, including the weak, the strong, and the chosen, who worshiped God in truth and in the Spirit. The truth is that it is clear that no more than 10 million people are expected to be saved in Ethiopia. I consider it a victory for me that if God, in His mercy, forgave a few and forgave their shortcomings, and increased His will. No more than 3 million of the rest of Africa survive. All their beliefs are idolatry, Islam, Catholic and heresy, and no one survives because they have no other faith.

- Europe as a whole, especially Britain, France, Germany, North America, Canada, Australia, China, and the very few who will surrender to the Orthodox Church and who will be escaped; All will be exterminated, except those who are judged by in the case of the righteous judgment of God's servant. Ethiopian Orthodox children living there; Ethiopian World Light Families; those who have symbol; Members of diligent counsels; Members of the holy Cup Association; those who were also registered in the first round, and those who being sheltered by them; Also those registered in the second round, with their families that sheltered under them; Apart from these, the rest will be destroyed by all plagues.
- Middle East: - Saudi Arabia, United Arab Emirates, Kuwait; Bahrain, Oman, Qatar, Iraq, Iran, Yemen, Lebanon, Israel, Jordan, Syria, Turkey, and many other Arab countries in this region will be wiped out. Perhaps a small number, perhaps only a thousand, may be saved.
- Asia --- Japan, both Korea, Vietnam, Philippines, Indonesia, Nepal, Myanmar, Kyrgyzstan, Uzbekistan, Turkmenistan, Azerbaijan, Macedonia, Croatia, Latvia, Estonia, Norway, Finland, Sweden, Ireland, Scotland, Greenland; With the exception of a few pure-hearted God mercifully, they will all be wiped out.
- Russia, Armenia, Serbia, with a few exceptions, by God's mercy; they all will be wiped. Especially Russia; She knew in message 3 that she would be punished a little lower punishment; But because she did not use the time allotted to her, she has been weighed like the others.
- Latin America (South America) all the countries around it, including Cuba, Nicaragua, Panama, and all the major Catholics will be wiped out and a few meek and sincere people may be saved by God's mercy.
- In general, all of Adam's descendants could not escape the coming great tribulation, even if their country was not named.
- With all these plagues and punishments, all who worship the beast, the dragon, and the false prophet are visited by fire. Whoever you are! All the descendants of Adam, the adulterer, the priest, the sheikh, the scholar, the leader, the soldier, the merchant, the farmer, the pastor, the policeman, the child, the young man, the old woman, the man, are all dismissed according to their judgments.
- The rest are clothed in white robes because they deserve for their orthodox religion, which has been waiting patiently for God's promise of righteous judgment. They have light up their candles, which their oil has not run out; Invited to the Lamb's supper, all who are marked on their foreheads will be saved from all these plagues. They will be Blessed and glorified under the light kingdom of the world in Ethiopia; they will be blessed by the Trinity and the Virgin Mary, they will reign for the good time (for the resurrection). God; in the morning, during the day, in the evening, at night, with constant singing, liturgy, hymns, hours, covenant /Kidan/, will flow to him by his beloved Children. God the Holy Spirit will rests upon all who will attend the resurrection. And because Christ reigns over them, the blessed and the beloved will be completely comforted. It will be a time when they will be blessed with a long life, ten times as many as they are today. It will be like a flowing stream

of mercy, goodness, and blessing that God has never done it before. It will be a time when the Blessed Virgin Mary will be honored and praised, the holy martyrs will be praised, the glorious archangels will be praised, and all the saints will be praised. This is the secret revealed in Revelation of John 20. The first resurrection: The Thousand-Year; Reign of Christ will always live be in fullness with the priests.

Well my people! Both the old serpent and the wild beast know that this will happen. They know that they will be thrown into the great fire, Those who do not kneel before them; The bride of the resurrection; those who have symbols; The bests of the Trinity and the Virgin Mary; Where the chosen ones where they will go and; that all will be accomplished by God's righteous judgment and power; The devil knows all of this well.

Surprisingly, however; All who deny this truth you see today are honored by the devil; The devil endowed them with intellectual, patriarchal, priestly, and intellectual powers; The eloquence made them; Place of honor, wealth, property, given to them everywhere; These are all to be wiped. I amazed when I see them with excessively priding like fat oxen. The apostle Paul tells us that those who do not know God and do not honor Him as God, are those who are filled with great words, relied on their own knowledge, and given to foolish minds. They are the ones who tied up our church; by wearing a cloak they have been called Scholars, teachers and Marigeta; Those who say, "No one is greater than we are!" Full of pride; Who sold the truth of God for their stomachs; Like the Pharisees, they denied and killed Christ; Those who say that the word will not be spoken except what we say; Those who say it will not be heard if we do not approve; Those who deny Ethiopia's resurrection; who threw at the shrouds of various societies in a cloak that darkens the hope of God's people; while the Judgment is being witnessed before their eyes, while God is doing His work as He was told in the light of the world in Ethiopia, constantly being spoken and witnessed by competent fathers; With a secret agenda, spend the night with the devil; Those who are fortified in the institution that called "Association of saints" or Mahbere Kidusanue and in the Sunday school; Those who promote heresy; How are they differed from white Catholic heretics who deny this? Yes, they are the ones who are punished first and foremost.

In short, what was the religion of our forefathers?

Because this topic is so broad, we will try to compare it with just a few recent fathers and compare them with current fathers.

- The apostles, who taught the truth about the mystery of the Trinity; The twelve apostles at Disqelias; Paul; James, who has been said the brother of our Lord; the seven deacons, The Seventy-two disciples, said that, "Servants of God, children of peace, we; We teach this precious lesson to those who are truly obedient". Haimanot Abew or from the book of "Religion of our fathers" page 8 chapter 6.
- Part One -----

- The Father of our Lord, our Creator, our Savior, Jesus Christ, who was born before the world was created; God the Father is one. God the Son is no different from God the Father. who is right with Him
- He created all kinds of powers, and He wanted to be human in the future. He took up his body from Virgin Mary, who she is a virgin. Without male seed.
- Let us never lose sight of the fact that there is an immortal, unchanging, and indestructible soul with the flesh. The work of heretics, who reject religion, is to protest and change the law of Almighty God; so they are hated by us!
- Our forefathers testified, in their words above, that heretic and apostates would change and degrade the word of God. The children of those heretics, who seem to be more and more up-to-date, today openly exalted the Devil as God and destroyed the entire world and reached to the final judgment today.
- Again, our forefathers said, ---- Again; we believe in the resurrection of the dead and the righteous. Again, because Jesus Christ was become a human, we believe that there is no sin on him.

He who is truly human is God who is Word. He, the High Priest, reconciled man to God. He is the One who created the body From the Blessed Virgin Mary and merged to it. He is the One who created all things. He is the One who was raised from the dead. And he is the only one who can raise the dead.

- The Bishop Hereneus said: "The Torah, the Prophets, and the Gospel taught Christ." He also said, From a Virgin Mary As he was born: as He suffered on the cross, as he died, as he was buried, as he rose from the dead, as he ascended into heaven, as he appeared in the testimony of God the Father, and as he reigned forever.

With the Father and the Holy Spirit - the One who created all things, who created man, who is in all work, in the presence of the rulers; He is the chief of the fathers. He is the one who made the law.

He is the high priest who appoints priests. He reigns over kings; He is the one who speaks through the prophets. He is the one, who became human. Born from God the Father. He is behaviour God, born from the God of character; He is the King for eternity. He is the one who protected Noah. He was the one who led Abraham. He was the one who was bound with Isaac. He was the one who was a stranger with Jacob. He was the one who was sold with Joseph.

- Our other, Bishop Dionysius, said: let we praise the Trinity that they have given knowledge for all Angels. For they have brought all the creatures of the heavens and the earth to life! They are the lights of knowledge. They are the ones who make the believer's union with God perfect. They appoint all the angels. They are the ones, who give abstract grace for the one who deserve it.
- This is how our ancestors described the Mystery of the Trinity. We have learned this from the books that speak divinity. Once again, we found believers, who give praise to

the Almighty God, was being called gods in the divinity speech. "You gods are all children of the Most High." As it is written; so for character of the Trinity deserves to be called God. --- Therefore, those who speak in divinity praise these three Bodies. They serve only the Trinity, proclaiming the unfathomable and indescribable unity of the Trinity. He is the Most High over all creatures, because they are one power!

- Because the Trinity are one in character, they are called in one. The facets of the Trinity, while unique in their bodies, live in divine unity. When they are one, they become three persons. Thus, give praise for the revelation of the Father, the Son, and the Holy Spirit.
- The Father is light. The Word was begotten of the Father, and the Son is the light gotten from the light. And the Holy Spirit, which came out from the Father, is the light gotten from the light. We just believe that the birth of the Son is from the Father also the outpouring of the Holy Spirit is from the Father, but we can't examine it. Because, it is above all conscience, it cannot be examined.
- In this world; every so-called ruler is appointed by him. For they are the source of all creation! For all of them have been created by their goodness!
- From their bodies; they chose to be become human, because their one body was truly related from us. By the will of the Father and the Holy Spirit; The Son of God, Jesus Christ, became man! He slept in the womb of the Blessed Virgin Mary. He was born also with a wonderful secret.
- He who has no beginning, who lives forever, who is above all ranks, and above all creatures; He merged with us by having our character. And time counted for him. Without changing and mixed, he truly became a human. There is no defect in his divine character. Us who believe in the Trinity; God, made us known him, by what he did.
- We have learned this mystery lesson from God-appointed teachers. They taught us; this teaching is hidden from unbelievers. But it is clear to those who believe. The righteous know him. But the wicked do not know it.
- We have learned this lesson. As we are called priests; by title of our Priesthood; It is revealed to us according to our minds can accept.
- Our other father; In his letter, the archbishop of Antioch, Martyr Ignatius, who was appointed the third successor to St. Peter the Apostle, said: ---
- God, who created all things; is the one who can appoint and give a title for all his creation; He sits on the throne of His Majesty in three bodies, perfect in appearance, and rules over all.
- One of the three bodies was conceived in the womb of the Blessed Virgin Mary. Flesh merged with divinity; and here, we are talking about the Son of God. Not about the Father and the Holy Spirit. Absolutely! We do not say that the Father and the Holy Spirit were conceived in the womb of a virgin. We say that only one of the three bodies, the Son, was born from her!

- We believe that the Father exists in the Son and in the Holy Spirit, that the Son exists in the Father and in the Holy Spirit, and that the Holy Spirit exists in the Father and the Son. This trinity; Indistinguishable and unchanging in three bodies and equal in one divinity.
- One government, one wills, one power, one government, one worshipping, one praising, one honoring, for the Trinity. One piece of advice, one authority, one honor, one firmness, one way of life, and one will for the Holy Trinity.
- And the Father is the Father, not the Son and the Holy Spirit. The Son is the Son, not the Father and the Holy Spirit. The Holy Spirit is the Holy Spirit, not the Father and the Son. The Father does not transform into the Son or the Holy Spirit. The Son does not transform into the Father or the Holy Spirit. The Holy Spirit does not transform into the Father or the Son. These three bodies are perfect in lordship and glory. They are one in the same divine unity.
- This trinity; is the one light got from him. It is full all over the world. And it shines on those who are under the earth. As it is written; "I am full in heaven and on earth! Also look at His lordship in hell."

Heresy or Protestantism and the answer of our fathers.

- You who say that divinity is sick and died by its character; Listen to us and be ashamed. But we believe that Christ, the God of character, was a human being, he was physically ill, but not ill in his divine. He died in the flesh, but not in the divine. If you hear that God's Word is sick for us, that God died for us! We say divinity with flesh is one body and one character. And know that we properly call Christ by this one name for His divinity!
- Again; You who became one from two characters; you who is gotten from soul and body; You will be called one by the name for human. Even your soul does not die in its character without being divine. We want to honor our souls because it is immortal.
- If so; why don't you want to honor Lord Jesus Christ as he exists as one character Trinity! If you say that divinity is dead, do not you know it seems that you made Trinity is dead? Do you not know that you made the body of our Lord, just like died body in his grave; and do you not know that you separated him from the divine! Because, the character of the Trinity is one! That divinity is one.
- If so, where is the one who conquered death and captured hell? You made him to look like a powerless person! You counted him among the dead who did not show Firmness!
- Instead, we find other heretics called Taomagolis; that the meaning is God's enemies. As he knew that he was the Creator, in the incarnate flesh created by God from the pure Virgin Mary, from her body and soul; they think that he not has body and soul. They say that divinity took the pain of the soul.

- Really; Is divinity completely separate from the flesh? Is flesh left to rot forever? Anyone who says that the soul is not resurrected; And he that denieth, let him be ashamed when he heareth the words of our Lord Jesus Christ saying "My soul is exceeding sorrowful unto death". My God! Saying this, on whom? It's for those who are on the losing side!
- In his thirteenth message, Archbishop Ignatius the Martyr said:
- Our Lord Jesus Christ was truly born. He really grew up. he really ate and drank. He was really crucified. He truly got sick, died, was buried, and rose from the dead!
- Who believes in this is blessed. He who denies this is different from the blessed life we hope for.
- Those who divide the Son of God and Jesus Christ; after one body becomes one character; those who make two bodies two character. They are counted among the Jews who have crucified God for their rebellious speech; their speech was this "For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God."
- In the weakness of the Son of God, those who say he has a problem; those who make him two bodies and two characters; their fate is the same as that of the apostate Jews.
- But the Son's body is related to us. From unified divinity and flesh; he became one from the two; because he united both!
- In the Divine; as the fourth of the body and as the second element of character is not added. They are three in body! Their trinity bodies don't preceded by their names; their names are not found after their bodies. They Which Time does not precede them; but they were before the world. However, no one on earth knew them. The Son of God; when he was as a human being, he says "Father, behold, I have made thy name known unto all men. So that they may know that I am your son; reveal me by your lordship. This was before the world was made". After explaining this; the world starts to know him!
- God the Father; after testifying in DebreTabor Mountain, "This is my beloved son". To explain to us that the three were the first and are equality; he sent the Holy Spirit in the Jordan!
- The birth of the Son from the God the Father is unsearchable and impossible to tell to others. Because it is an unsearchable draft. It is impossible to examine the giant draft! He can't investigate them. Because, his birth is not like human birth! His birth! It is a mystery. It cannot be examined!

Therefore, the family of God must carefully understand and understand the basis of your Tewahedo faith; to enhance your understanding; It is a small piece of evidence that I have

endeavored to help you understand how the Holy Trinity and the mystery of the Trinity are revealed by our forefathers.

I urge you to read Haimanot Abew or the book of "Religion of our fathers". It helps you to learn more about the foundation of your faith, which describes how our Ancient patriarchy laid the foundations of our Tewahedo faith.

In the same patriarchal books; the most revered, beloved, foundations of our unity and spiritual fighters; here are some of the ones you will find in this book: -----

St. Athanasius, Basilios, Gregory, Abulidis, Ephraim, Eraclis, Aphrodite, John, Theodotus, Epiphanius, The great John Afewerk, Kerlos, Theodosius, Sawiros, Kiracos, Dionysius, Abba Gabriel, Abba Makars, And others, whom I have not mentioned due to limited space; You will find them all in this Haimanot Abew or the book of "Religion of our fathers".

My people, the families of God; When you understood the struggles of these fathers; What are the leaders (shepherds) of our Ethiopian Orthodox Church doing today about their sheep, who inherited the names of the patriarchs? You can understand what they are doing. This message was issued today, not to advice. God's judgment and warning; which was transmitted for seven time and reached to The church, to the believer, and above to all the descendants of Adam; but they were Unable to hear and repent for the judgment against them because of their rebellion; By contempt: Instead they followed the old serpent, the dragon, the false prophet the devil. Finally, this message is released to describe the coming of a powerful fire. Not only is that, to tell that God's patience exhausted. Overlapping and series that the earth has not seen since its creation; Pestilences, earthquakes, volcanic eruptions, massacres, heavy snow, floods; this message came to announce that all the above have come, and they will act on this lost generation.

➤ **What do true and spiritual worship and having spiritual guidance look like in the Orthodox Tewahedo faith?**

The families of God and the children of the Virgin Mary; ---- We need to understand what it means to be guided and to be comforted, by the Holy Spirit of God.

Jesus Christ our Lord and Savior, Our Father; before He gave the Apostles' final command; he gave a great command that they should not leave Jerusalem until they receive power; He said, "I am going to my Father, and I will send you the Holy Spirit, the Comforter." Why did he say that? Yes, his faithful children, his faithful children, all of whom he paid dearly for them; will protect them from their enemy the devil. And he guides them by his brightest road. To understand the Word; He gives them all understanding and spiritual understanding according to His goodness. After all, there are many ways for God to speak. The question for many today is, not understanding how to connect with God and receive spiritual guidance from Him. In this way, modern-day preachers respond to questions from believers by saying that we are guided only by the Word. Of course his Word is the foundation on which our faith based; it is the

central pillar of our faith. But in the course of our daily lives, we need to seek the voice of God, the voice of God, to hear the answers to our questions about the good things that will guide us in the course of our life. Only in this way can we keep the word of God without blemish.

In the Word of God in the Book of Job Chapter 33; Verses 12 - 33 tell us –

❖ Behold, in this thou art not just: I will answer thee, that God is greater than man. Why dost thou strive against him? For he giveth not account of any of his matters. For God speaketh once, yea twice, yet man perceiveth it not. In a dream, in a vision of the night, when deep sleep falleth upon men, in slumberings upon the bed; then he openeth the ears of men, and sealeth their instruction, That he may withdraw man from his purpose, and hide pride from man. He keepeth back his soul from the pit, and his life from perishing by the sword. He is chastened also with pain upon his bed, and the multitude of his bones with strong pain: So that his life abhorreth bread, and his soul dainty meat. His flesh is consumed away, that it cannot be seen; and his bones that were not seen stick out. Yea, his soul draweth near unto the grave, and his life to the destroyers. If there be a messenger with him, an interpreter, one among a thousand, to shew unto mans his uprightness: Then he is gracious unto him, and saith, Deliver him from going down to the pit: I have found a ransom. His flesh shall be fresher than a child's: he shall return to the days of his youth: He shall pray unto God, and he will be favourable unto him: and he shall see his face with joy: for he will render unto man his righteousness. He looketh upon men, and if any say, I have sinned, and perverted that which was right, and it profited me not; He will deliver his soul from going into the pit, and his life shall see the light. Lo, all these things worketh God oftentimes with man, to bring back his soul from the pit, to be enlightened with the light of the living. Mark well, O Job, hearken unto me: hold thy peace and I will speak. If thou hast anything to say, answer me: speak, for I desire to justify thee. If not, hearken unto me: hold thy peace, and I shall teach thee wisdom. --- Says the word of the Almighty God, which we find in the book of Job.

My family, God's family! --- As you understand from the Word of God above; God will Reveled to us if we really want him; His Word teaches us that He answers, rebukes, and teaches us. My people! The enemy we face today is the most sophisticated, modern; Because of the time is full of great wickedness; many of God's people need guidance from someone else; When God speaks to them in dreams and visions. They go and consult to the preacher, that the think him he is good in his faith, and in his sincerity. But he is a priest who is out of place. There is nothing positive from him, because he is the one who, sold his own creator for money and slaughtered his sheeps. They say, we do not hear visions or dreams, we do not believe it; they deceive and mislead people by saying that we believe only what is written in the Word. Note this; they are heretics, Protestants, Catholics, Reformation, Anointed Ones, Grace, killers of the Believers, who are hidden in our church. What fellowship does God have with thieves, apostates, and workers of darkness? For What a benefit! They denied it! They changed it for crumbs! If they shout as much as they want - if they say, "O Baal! Hear us!" Like Akab and Elzabel; like those,

who rejected the God of Israel! Who heard them? They know it very well that God does not hear them; As Baal prophets executed by Elijah; For all the preachers of Baal today's weeds, that have grown in our church; Soon they will be cut down and thrown into the fire. They say, do not listen to the way God speaks! Listen only to what is written, they say only listen what we say. You see it tomorrow! Reducing and blurring the word of God for Shopping; Disrupting the righteous; Making them to worship man so that they do not come near the truth; Because of your deeds, you will be cast down like the prophets of Baal; Fire will eat you. You and your descendants will be destroyed forever. This means that the Devil and his way of life will not save you. The donkey's husband does not save you from the hyena.

A preacher who claims to have no vision and dreams today, and does not know the word of God properly; you have been sentenced for your courage, for your Catholicism and because you despised the Holy Spirit. If you say that you are not guided by a dream; if you are jealous of the believers that have received the answer by the vision, the dream, the understanding, the prayer, the fasting for their question; if you are the one who chooses God's way of speaking; then you have put yourself above God, the Holy Spirit. As I understand from this, whether the person in this position knows it or not, is the victim of the former serpent, the false prophet, the dragon; because, he is just as the devil boldly claimed to be God. It had done the will of the Devil. As I mentioned above; Beware of all Christians from Those, who do not know the truth; the merchants of the faith, the Catholics, the heretics, the Reformation, the anointing, who live for their stomachs, are destroying more than the Pharisees who crucified the Lord. The condemned will not return; so be careful from those!

Today it is full of those who still do not repent, who do more commit crimes that are not actually committed by the devil.

Be very careful! They covered all the way. Because, all that says I am a teacher and graduated, he is doing more than the devil. Although their assembly was dissolved; they were able to come in the cloak of institution that called "Association of saints" or Mahbere Kidusan. Therefore, we urge young women to be especially careful.

In one occasion; Moses crossing the Red Sea with God's people; while he was advising and leading the people; His sister Mary is opposed to him and said, "we are also prophets; Who are you that you better than from us ?"

God commands them both to come to the temple, to the tabernacle! They approached. And the Lord said from the temple, "Mary, you are like a prophet, but I speak to you in a dream, that is the limit." But my servant Moses is not like you. God testified, "My servant Moses, I will speak to you face to face." He then struck Moses' sister with leprosy; why? Because, she did not respect him. I raised this because God speaks in dreams, in words, in visions, and in many ways.

God rejected Eli, the high priest of Israel for his many sins, and decided to dismiss him from his glory. Samuel, who was serving at the temple at the time, was very young and did not know anything about it, and his job was to serve to the priest Eli. While he was lying in the temple, at

night he heard a voice calling out, "Samuel!" Samuel Shocked, he thought he had been called by the priest Eli.

Eli said, "I did not call you, but if he calls you again, say your servant will hear you."

God spoke to Samuel and told him that he was going to take action against Eli and his sons that were Shameful. Samuel took it and told Eli. As stated; Eli's sons followed the Ark of Zion in battle against the Philistines. When Eli hear the death of his two children in the battle; Eli Shocked, he fell from his seat, his neck twisted, and he died. As God told Samuel. God speaks in many ways. This is what the Word tells us.

My peoples! When Joseph was still a boy, God told him in his dream that he would reign and that he would become great; the God word told us that When Joseph spoke to his brothers, he became hated by his brothers. His brothers were angry with him and said "Are you going to rule over us?" He also told his father that he had seen the moon and the sun bowing to him. And his father was angry with him; his father said, your mother and I, Shall we bow for you? Did Joseph have been left behind? No! What was said came true.

God's Family Note: From Enoch; Noah, Abraham, Isaac, Jacob, Moses, Joshua, Isaiah, Ezekiel, Jeremiah, all the prophets; In the New Testament all the apostles except Judas; they were guided by revelation, by dreams, by the Holy Spirit of God. So we say stay away from unbelievers and apostates.

Ethiopia and the world in comparison! Why does the world hate Ethiopia? Why does the world fight Ethiopia? Why does the world challenge Ethiopia? Why is he trying to destroy Ethiopia?

When we see Ethiopia today, she is very weakened, severely damaged, divided by many enemy plots; It has become a country where generations of people with different minds and thoughts, carrying out the Devil's agenda, are wreaking havoc on their own country. Her forefathers lived by their strong faith, unity, and love; for thousands of years, they have defeated their enemies by uniting. Her sincerity and her search for God causes rising up many enemies against her. What made Ethiopia loved by God is, because she sincerely, absolutely, sincerely sought out her God and sought to live by his will. Before the world knew its Creator; she tried to walk according to the law that's put in our mind. Even if we mention the recent evidence for this; Moses on his journey to deliver Israel; when he got The challenges and betrayals from his own people; when God said to Moses, 'Let me kill them those who betrayed me and let make you a leader for a great nation, and The great nation called by God was Ethiopia. Today in the days of the Gospel; From the very beginning; she Accepted the Lord; by adapting and merging the New Testament from Old Testament; standing with the truth with the sign; by carving the many arks; Affirmed Tewahedo by many martyrs; For a long time she was crushed, persecuted; She has also been built again; She came here with the help and love of God, by the struggling of our diligent, steadfast fathers. The rest of the world; Whether he grew up or not; Denying the

Creator; made Idol his king; Carrying beliefs that are the essence of the devil; Considering himself as real; Tewahedo and Ethiopia, the true owner of God's grace; Morning and night he is conspiring against Ethiopia; He spends the night trying to destroy Ethiopia. As a witness to this; this generation and the whole world can see it clearly and understands the plot of the world for itself.

Ethiopia moreover; has a covenant. In this way many enemies opened a campaign on Ethiopia because; she embraces people who believe in the word of God and who believe in the unity of faith. Surprisingly, all enemies come from all directions and centers. The richest countries in the world who are struggling with their economies: the United States, the United Kingdom, France, Germany, China, England, Turkey, Saudi Arabia, Egypt, India, Japan, Canada, and so on. Many countries are heretics, Protestants, Catholics, and pagans. Although, they are branches of the devil's, But in essence, they are the same beliefs. They know that, Ethiopia was a beloved nation of God; because they learned from their father Devil, and This same story has been told to them from their fathers; When you come to Ethiopia; their children today, They are waging a coordinated campaign against Ethiopia.

Around Ethiopia today; Governments that claim to be powerful all over the world; Settle it; they are in control of Ethiopia. What did the countries that established the largest military base in Djibouti come up with? Obviously, they are trying to challenge this holy land. These demon-possessed children around us are very worried. Because the parents of demons are well aware that they are children of the devil and are guided by him; all these commands come from the Devil, who drives them.

Who are the countries around Ethiopia that settled?

The United States, France, China, Germany, Japan, Turkey, the United Arab Emirates, and others in South Sudan; England in North Sudan; Russia and Egypt a little farther away; Other European and Asian countries have also settled. As you can see, no country is as powerful or economically powerful as they are. Only Ethiopia existed, which is at a very low level in terms of economic and military capabilities. The rests are the countries and governments that are subject to them. They are all white and Arab-sponsored countries. Djibouti, Sudan, Somalia, and Eritrea are countries living by receiving support from them. They may, or may not know the purpose.

However, they have been used. As I told you, why are you afraid of Ethiopia? Why do you hate her? The answer is one and the same. Because the devil knows exactly what the Trinity of Abraham prepared for Ethiopia and his love for Ethiopia; Not only that; He knew that the anointed slaves of God, who could destroy them from the face of the earth, would come from Ethiopia. They think they can handle this, and they do it instinctively. What else they have to do? What do they have to bring? Whether or not it works; they have lined up with their jets, missiles, ships, tanks and guns. That is what they did.

Seven Messages in the Name of "Ethiopia the Light of the world", Distributed to the World and to Our Country of Ethiopia. The first step taken by the world's superpowers was to prevent the message from being spread among the people and the media. In particular, the BBC News Service received the third message (written in English) by e-mail; their immediate answer is that they cannot explain it to the public; they told me that there are board members; and they told me to email them; and they sent me their email address. I sent to board members immediately; but there is no answer. Second, I also sent it by email to the editor of "The Economist International Media company." they also announced that it had arrived, but they asked to edit, it and after that to take it out public; I said no, it will not be reduced, it will not be added. If you can, take out it without editing or leave it as it is. Then they left it. The white world, then, is not ignorant of God's coming judgment; He knows very well. Leaders, in particular, did not take it lightly, for they asked their leader, the Devil, to tell them the truth, and to take action that they thought would benefit them. Because they already knew about Ethiopia from their father, the Devil; they have been waging a campaign against the people and the Tewahedo faith. They have been waging a coordinated campaign for 700 years. But our Christian community will continue to live a normal life, no matter what. To understand and be careful who Ethiopia is; and that the unrighteous may repent and turn around, and escape the wrath of the world. As our father Noah cried out; they were made to hear 7 messages from the Light of the World in Ethiopia. In addition, in the social media, named "Revelation John 20", launched a telegram page, and all messages were transmitted for at least two years on this telegram page. Not only that, but all the billions of Adam's descendants have been widely distributed in different languages on Facebook, YouTube, IMO, WhatsApp and other. Who heard! It is very sad and wonderful. Man is the most rebellious, arrogant, apostate, arrogant, and proud of his knowledge. We see 116,000 telegram users in Ethiopia and around the world; You will be amazed if we can tell you how many are enrolled in the faith. We have saved it for history. It was an opportunity to be registered; so the registered have won.

As we have seen, the governments of the world do not sit idly by; they continue their campaign of destruction against Ethiopia. They are not tired today, but the Devil is driving them to the end! That is why they are planting and changing Ethiopian puppet governments as much as possible; to control the Ethiopian Tewahedo Church as well as the believer, they are trying to control it by trapping their various dark beliefs. The spread of heresy, the spread of Protestant, the spread of Islam, the spread of racism, the number of apostates, the number of gluttons, the number of worshipers, and all this campaign is a multi-pronged attack by whites.

My people! They know that Ethiopia will rise and lead the world in unity; they are well aware that Ethiopia's world light government will reign. Their only concern is how to deal with it. The Devil knows very well that God will do what He says He will do. But the only way he can do is to weaken Ethiopia, destroy the believer, making the believers to deny the resurrection of Ethiopia, and works to be unable to stand as a nation. If he jumps out of here and faces the final battle; he moved all the great nations, navy jet missiles to be surrounded us. I would like to take this opportunity to announce that their burial and the grave will take place here in Ethiopia.

Even in Ethiopia, what awaits you in your country of origin is simply a matter of turning to dust. Our energy comes from the divinity of the Trinity. Our energy and strength are the Almighty God and the Virgin Mary. It is the Trinity who created you, the power of darkness, and the whole of creation. You will see what happens when their will is done and their righteous judgment is revealed! You will bury with your Garbage.

Today, Ethiopia is poor in the eyes of the flesh. But spiritually, she is rich. Jacob our father; what happened at Bethel on his journey of faith? We explained it to you during our lesson. He saw a ladder stretched out from the earth to the sky, with holy angels ascending and descending on it, and saw the Almighty God was sitting on it. He was so impressed; "This is the most glorious place of God," he said, before he was migrated to his mother's family, he erected a stone monument and pouring oil on it. It was there that God made it clear that He would keep His promise to Abraham! When he returned, he spent 20 years in his uncle's house, and God did not leave him. When the time came, God said, "Go back to your father and your mother." As he traveled there in keeping with his word, God appeared to him again at Bethel and confirmed his word. The promises he made to Abraham and Isaac; He assured him that he would keep his word.

Where is the ladder found, that revealed to Jacob at Bethel?

With whom did God confirm His word in this day and age? As we have already said about; those who are called Israel by their flesh and those who are called Israel by their soul; Today, the Almighty God reaffirmed his covenant to the Ethiopian Orthodox Tewahedo faith. The country he loves, Ethiopia, He gave his mother and our mother Virgin Mary as an inheritance to Ethiopia. He also affirmed that Ethiopia is the land where the glory of him is revealed and be praised.

The ladder described at Bethel; It is now still standing in Ethiopia. Many of our fathers (those who are in holiness) are watching as the holy angels ascend and descend for their mission. Now, in this fact, we should not be surprised that today, around our poor country, they are rallying their armies.

What is our government doing today? As many of us know, it became the execution of orders of the former serpent's association and association. We must not doubt that he is the Devil's first soldier.

My people, God's people! Read carefully and understand! How did the United States (Babylon) build its embassy in Ethiopia today? Do you know for what enforcement is it? You do not know! The construction of the US Embassy in Ethiopia cost \$250 million; with a huge basement that descends to the earth, commanding the land of East and South Africa; it has a military command post. It has a sophisticated network that covers the entire African region. Anywhere in Ethiopia, It tracks all information exchanged by any telephone, internet, or other electronic media; also it tracks The Prime Minister himself monitors all communications. You should know

that it has a complete branch and Order station in the CIA office. Outside of Ethiopia, as you know, the superpowers are fighting a great battle. They fight economically; China and Russia with US; they are in the "Cold War" as they call it. The United States is struggling economically with its European allies. They charge tariffs on various items; the other responds. In military construction, they always struggle to outdo each other. But for the conflict of Ethiopia, they are united and stand together. They put their quarrels aside; together, they set up their own military bases in Djibouti, a small country, and are listening to Ethiopia's breathing. They do not trust this poor country, Ethiopia. They fear her that one day she will cut us off. With what of her energy; they are they so afraid and terrified of her?

It is true that we do not even have the modern equipment of one neighborhood white soldier. How can we reach the pinnacle of a nuclear cross-border missile with the clutches, cannons, tanks for more than 40 years, the MiG-23 that Russia has forgotten, and the 27-jet that Russia is now abandoning? My peoples understand! It's not a matter of energy, weapons modernization and economic prosperity. It is a matter of faith. Who holds true faith? With whom did God stand? This is the truth that is driving the world, and it is worrying the devil. He is well aware of this, and he is fighting to the death.

Ethiopia, the poor! Ethiopia, who she is the Throat bone for the enemy! Ethiopia, who she is a Strong Hill for the Devil! The devil scared of her! In fact, it is Ethiopia who has the devil's letter of death. God has long declared that He is with this poor country, Ethiopia. This is the truth. Therefore, I urge you, especially the Ethiopian Orthodox Tewahedo, to persevere in your faith. Of course, there are over a hundred million people in Ethiopia; what does it value? Only 10 million people are loved by God. When I call Ethiopia "Those who are called Israel by their soul"; I did not say the heretic, the Catholic, the racist, the Islamist, the atheist, the witch, the astrologer, the robber, the murderer, the tyrant. Do not be deceived! Don't say I'm Ethiopian! You are not! You are not considered as Ethiopian in God's record! You are not an Ethiopian because this is your choice. You are the worshiper of the old serpent, the worshiper of the false prophet and the worshiper of his son, and you have received the mark of the beast. God is truth. It clearly tells you who you are and what you are doing. Yes, He has called you to repentance for a long time, since from your ancestors; Just as your forefathers did not listen, you are their offspring and you have inherited their evil ways. Therefore, whoever is the son of the devil, who persists in his evil deeds; he must go where the devil goes. So you apostate, the enemy of Tawahedo, the enemy of truth, the enemy of Ethiopian the flag, I will tell you today, you will go down to your grave in great anger! That's it!

The existing government; The government of Abiy Ahmed; For this purpose, they have been approved by Britain and the United States to destroy Ethiopia, to destroy Tewahedo, and to exterminate the people who carry this truth of God; also they are funded by Arab countries; He is a man who has openly campaigned to destroy the Amhara, which holds the same belief as the society, mainly by following the Tewahedo Orthodox.

As the saying goes, "The sheep that trusts in her master will spend her tail outside at night." Relying on their masters, they became the masterminds of the massacre and massacre of the Amhara people. They will take the full responsibility. Although it was clear that they were already on trial for judgment, they were waiting for the cup to be filled. But now they will drink the wrath of God, because the cup has overflowed.

In general, I have tried to give you some understanding of who Ethiopia is. Pay attention, my people! As soon as this message comes out, let me tell you in advance what they will do when it comes to all the devil's adversaries! That what is said in this message is not true; Strangers of various ideologies, with all the best servants of the Devil in their hands, begin to spread false propaganda throughout the media. Then, by devising misleading religious analysis and diabolical tactics, they work to strengthen their people, both individually and collectively, as well as the government around the world.

Probably; they have conspired to destroy more than we can now imagine. They do this because they have always dreamed of keeping us alive. This is what happens. But there is no time. No time; there is no time to tell you again and again; and all his judgments came upon you, and filled the earth and the sky. They are only waiting for an order, and after this message comes out, it will come from the throne of Almighty God. Then your final destruction begins.

The Devil has the best of possessions. Today's United States, Britain, France, Germany, China, Russia, Israel, India, Turkey, Spain, Canada, Australia, etc. These are the leaders and rulers of the poor countries. The commander-in chief, the Devil, gives orders to replace another horse, when his horse when fails to carry out his orders. The hierarchy, in turn, replaces the tired horse with another one. They are quick to carry out the given agenda. This is the process. Before the TPLF was exhausted; they supported him financially, politically, and militarily. Go back and look at the time he spent. When the people are burdened and rise up to rebel; Chief Devil gave orders to America and England; "This horse is tired, so change it quickly," he said. He said the Ethiopian issue is a threat to my life and yours, and we need to change horses immediately. As you can see, when Meles Zenawi's Tigrean horse was weak. He was replaced by Oromo horse Abiy Ahmed. The Devil would not hesitate to change his horse. But the problem today is that there is no time. It's over.

The Thousand-Year Reign of the Dark Ruler, the ruler of darkness, has come to an end. It's over. No time. Like chess, human blood is enough! The time of the devil's reign is over, that the Lord of all creation has allowed it for thousands of years; Judgment is to be done according to his deeds. No time. God, the righteous Judge, includes the earth in his righteous judgment. A time of comfort will come, and it will be born. Those who being oppressed, who being crushed, who being humiliated for many years will rewarded; The martyrs also decided by the Almighty God that it would be a time of their remembrance; It took 15 years for some to repent before it was implemented. But now the time has come. There is no other time. It's just a matter of going down to hell in judgment.

Where is the Ethiopian Tewahedo Orthodox Church today?

The situation of our Ethiopian Tewahedo Orthodox Church is dire. The temptations she faced were unbearable. She is in a state of destruction.

Although the worst period in the history of Ethiopia was the catastrophe of Imam Muhammad and Judith Gudit (yodit gudit), the church was severely damaged and massacred; According to faith, the people were strong in faith. The destruction was organized by the Devil, but it did not last long. The people (believers) cried out to the Creator, and God quickly removed them. White, British, Turkish, Italian, and Portuguese intervened in one way or another and directly in Ethiopia. Historically, they have influenced and harmed themselves. However, Today's campaign is unique.

The current destruction of the church is being intensified by internal and external forces. The campaign against the church has been officially launched, especially since the Derg came to power. Although the church was not demolished, its ministers were not killed. The Derg was led by communism, which made many young people and society afraid to go to church or to the mosque. at the moment; It was a time when the Red Terror was a time of panic and anxiety. The attempt to calmly go to church was made only after the formation of the Ispako party and the end of the Derg's internal struggle under Hailemariam. However, the church was weak in teaching.

It was especially prominent in urban areas. Because most of the northern part of our country was a devout Orthodox sect; since the land was confiscated, the church's income was severely curtailed and all its income was depleted. Church template (Abnet) schools in particular have been hit hard. Under the influence of the Derg regime, yeneta schools (spiritual scholar schools) have become extinct. The process went so far as to assassinate the patriarch of our church, and many fathers were emigrated. Although this situation did not subside until the fall of Derg, the crusade against the church continued.

When the TPLF came to power after the fall of the Derg, its first campaign was against the Ethiopian Orthodox Tewahedo Church. He directly intervened in our church, expelled the then-patriarch Patriarch Mercurius, and replaced him with the TPLF appointed Catholic Father Paulos. When they had to defend their faith, 33 bishops agreed and signed the Catholic bishop, Abba Paulos. Father Paulos soon decided to carry out his Catholic orders, intending to overthrow the church's rites; they decided to change the law by which the Holy Spirit, the supreme God of the church, would appear.

The first true law was the supreme synod of our church, and the supreme leader of the synod was God the Holy Spirit. At the beginning of the Synod conference, all the bishops are seated in a circle; Eighty-one Bible will be placed on a high table between them. When the conference opens; In prayer, God the Holy Spirit will take over the congregation. After that, the meeting will be held. The patriarch; under the guidance of God's Holy Spirit, he implements the

decisions of the Synod. Since the patriarch is accountable to the Synod, his work is governed by the decisions of the Synod. After all this, our church's canon was changed, and the previous law was repealed, and Abba Paulos was made the leader of the synod. This meant that the synod became accountable to Abba Paulos. This one made an idol king; the church became an idol because Abba Paulos ordained himself in the place of the synod. This law has not yet been repealed, and it is still with Abune Mathias.

No changes have been made to this law. Our Father, Chief scholar Ayalew Tamiru, in his argument at the time; They fought hard to stop Abba Paulos, who had changed the true order of the church, from their evil deeds, but the popes themselves did not support him and he was expelled from the church. And by their glorious priesthood they condemned the church, the priest, all the ministers who call on the name of the Synod, those who call the name of Abba Paulos and the members of the Synod in his liturgy and ministry. They did the right thing. This Condemnation is lifted only possible when the church recognizes the Reason of why Chief scholar Ayalew Tamiru Condemn the church and repents of its wrongdoing. Only in this way can the life of the church be restored. Today, instead of reversing this and similar tragedies, she is increasing her guilt. Today the church has become a center of reform, anointing, and grace.

Most of the church's preachers have become millionaires and have turned the church into a commercial center. Not only that, but most of the low-ranking ministers of the bishops became spies for the Abiy Ahmed government that is the heretics (protestants) and Islamic government. They lost by the old serpent, for the dragon, for the false prophet. They worshiped him and took the mark.

My people, the truth is always true. That being said, we must clearly identify those who have ruined our true church. You who want to compromise on your faith; cooperating with political and apostate beliefs; you do not know your faith. You are a traitor. As you can see, the church has no shepherd! Almost all of them are self-employed. They have become apostates and heretics. Therefore, the judgment has come to cleanse those who are sitting inside the church and destroying the Tewahedo faith. Orally, they claim to be a devout believer; But in practice they are anointed, heretics, reformers, spies. If anyone uses his tongue in his propaganda, he can support them. But with God, it does not matter who they are. They are the children of the devil, and their judgment will go out into the open.

The Orthodox Tewahedo Church is not only being hit by this; the white world has been campaigning on this house of truth for a long time, but it has never been as open as it is now. The main reason for this is that the truth, which has been being revealed for the past 15 years, it has put them to the test. That is why all those who were hiding, who were secretly attacking the church, began to destroy openly.

The message that came with the title of "Ethiopia is the Light of the World" we have conveyed the truth to the public, using the imagination given to us by the Almighty God; because they lacked a cover method; so, we hear them condemning blindly everywhere.

Our creator Almighty God is truth by its character. Therefore, he only justifies the truth. The liar is the Devil, the former serpent, the false prophet. How can we say that we are worshiping God if we are silently watching the apostasy of our church, which has led to false apostasy and heresy? How can we say that we have reigned the truth? Therefore, we can say that they have destroyed our church because of the way and things that they are doing. An Institution that called "Association of saints" or Mahbere Kidusan, which was once founded for the good purpose by good Orthodox Tewahedo children, did a good job at the time; but gradually, government spies infiltrated the area, causing them to lose their character. We have heard that this organization openly opposing the messages of "Ethiopia the light of the world"; they did this on their Mahibere Kidusan Television broadcast, by two interviewed guests.

The guests are preacher Hailemariam Zewdu and preacher Gebremedhin Enyewu. Although the programmer and the interviewer did not give their names, but we learned that they were the main organizers of the event.

In this event; the two teachers claim to be experts; we have heard that when they say there is no resurrection of Ethiopia. In fact we have heard that when they say "we only accept the Bible and the so-called apocryphal saints are vain"; we must take note, then! We have heard them speak openly, like the Protestants. We are realizing how many associations, churches and Orthodox Tewahedo Church leaders have been sold to destroy our church and reign in heresy. However, those who are weak are selling themselves to a coalition of heretics and Islam; they use their cloaks and turbans to cover their inner selves and to claim that every wearer of cloak and turban is an educated priest. Preacher Hailemariam Zewdu spent most of his time criticizing Facebook, Telegram and YouTube. On the other hand by different fathers; According to him, the fathers that speak in the city; they criticized them as a liar. Not only that; "It doesn't matter what the resurrection is, it is written in Matthew 24," he said. --- This man himself said on TV that it is useless to use all social media. They also forgot that the television they were talking about was electronic. It is right for them; for the other, it's a lie! They are arrogant. Then they talked about the resurrection; Matthew 24 tells us that the coming of God and the signs occur when the Lord come for the final judgment. Let us tell the Master, Matthew 25 is a very clear statement of this. But their words have nothing to do with us. We are talking about the resurrection of God on earth in John Revelation; and how we are going to go there, by expressing the words of John Revelation 16, 18, 19 in this vision and stating that Ethiopia is the leader of the resurrection. Now, preacher let me add to you about Emperor Tewodros --- Read Isaiah chapter 49! Oh sorry, you're a New Testament teacher; you don't know the Old Testament. So I don't think you know the Orthodox Tewahedo, which is based on merging and reconciling the Old Testament with the New Testament. This makes your heresy clear!

The second teacher, Gebremedhin Enyewu; They talk about something new. All of their speeches were mere insults and criticism. None of that were not supported by God's Word. They criticize the messages of "Ethiopia the light of the world" by saying that; they distribute IDs, they say enter to the ark; They consider us a criminal, a demonic spirit. Blasphemy is our clothing. We do not memorize the word. We live by faith! Where do they know us? What messages from us did they read? They do not know! That's fine. Beyond that, they said that there are 3 types of prophecy.

One is information prophecy; The second prophecy of demons; The third is the prophecy of the Holy Spirit; In any case, it would be good for them to tell us about the Word of God for the words of first and second. Neither information nor demons, both are not prophecy; they are called nightmares; For their fellowship is with the evil spirit! As for the truth that God reveals through the Holy Spirit; in dreams, visions, and in many ways, the Trinity provides spiritual guidance for their children.

Teacher! You are youth, as I can see you, you are not more than 30; so are your friends. When you dare to criticize older fathers, it shows who you are and your background. The apostles themselves are the ones who made the New Testament; it was the gospel they wrote made you to be called a teacher. You also mentioned Matthew 24; this is what it says: "Sit in Jerusalem until the Lord sends you the Holy Spirit. I will go up to my father; and after I will send God the Holy Spirit; he will guide you, advise you, and teach you." How did he lead them? The firmamental foundation of the Old Testament; Announcing that it is a way of explaining how to judge times from time to time by appearing in a dream, vision; Don't you know that he brought us here? Anyway, we gave an ID; for what purpose did we give? Ask those who took the ID. But what does it do for you! Even If you wish it, you will not get it. The ship of faith is the Virgin Mary. The faithful are the bridegroom of the resurrection. It is not just reading the Word! It is by faith that we can please God. All right! You teachers! The wise Pharisees of our day!

Where gone the lord who said, "Do not say Master Master. I am your Master." you Pharisees of today? You will not cross! The fire that first comes will clear those who blocks the way, the destructive shepherds. You better not talk about what you don't know. Read the whole Ezekiel chapter 34 about you. Because you are protected for judgment; But we have given your flesh to Satan, that your soul may be saved.

Because you denied Ethiopia's resurrection; and you will not arrive on the eve. Let this truth reach you. Death will overtake you.

In summary; It is important to understand that our church is in grave danger. All her servants are in condemnation for breaking the patriarchal law and for not correcting the law of idolatry imposed by Abba Paulos (the bully bishop). It is impossible to be blessed by them and get any service. The one who does so will be condemned, for he will share in their activities. Therefore, our advice is to wait patiently for God's action. As the churches of Ethiopia the light of the world gather in the future, more and more; Who accepted the condemnation of these and

obeyed the command; When they are distinguished by not mentioning the name of the Synod in any cult which does not allow it to correct itself; We think it is possible to use them. In general, the time is near, God's family! We advise you not to be disturbed. Another thing we recommend is that the church has long been an executor of government policy; therefore, we say you should not listen if it is another language for the government. The biggest of these; Her sectarianism and apostasy stemmed from --- since she was a member of a group called the Union of Religions, which has been practiced since the time of Abba Paulos; Following the recent outbreak of COVID-19, according to a joint televised prayer directed by our church leaders; They proclaimed a month-long fast of prayer with heretics, Catholics, and Muslims. So they reaffirmed their allegiance to the beast, to the beliefs he had created - heresy, protestant, and Islam. So they worshiped and received the mark of the old serpent, the dragon, and the false prophet. They have applied the will and ideas of the Devil's kingdom. Hence, the church itself must be saved, but she cannot save another believer and fulfill her shepherding responsibility. As long as she falls into such a betrayal!

To the family of God we trust in truth and in spirit, in whole heart, in whole soul, in the Trinity and in the Virgin Mary; I urge you to see with your eyes of faith and watch with patience and steadfastness. The basic operations that I describe below will take place and will be implemented as soon as possible according to God's will.

- Uprooting and planting or Transplantation; ---- Who will be uprooted? Yes, all over the world, as you mentioned in the introduction; All who worship and accept the mark of the old serpent, the dragon, the false prophet, the leader, and all the people of every part of the earth will be swept away from this earth in great wrath and great fire and plague. No matter how powerful a country is, no matter how powerful it is; He will be swept away by the fire of his arrogance. The countries that claim to be great - the Devil's bosses who say they have nuclear missiles and jets; In great fury that neither the earth nor the sky have ever seen it! They will fill with a fierce fire, and will be swept away with their citizens. Who will be saved? It will be done according to message three, message Eight, and message Five.
- From the collapse and burning of the Ethiopian Orthodox Tewahedo Church; a situation arises in which she is free from heresy, Catholicism, security, spying, cadre priesthood, and her destroyers. All of her enemies will be swept away by God's judgment and thrown into the fire. Servants whom God loves, chooses, and approves will take over.
- Who will be planted? --- Yes, all those whom God loves will be planted throughout the world. Most of the cities on earth are built, as you all know, in violation of the Sabbath. They are designed to reflect the devil in one way or another; they will be completely wiped out. In their place, they will be rebuilt in a wonderful way by those who glorify God, who keep their holiness, who keep the Sabbath, and who obey the law of the Almighty God.

- Interim administrations on all sides of the globe will be formed under the auspices of the Ethiopia world light government. The first structure of government will be established in Ethiopia and the surrounding countries (as described in message eight). The world will clearly see Ethiopia where the Almighty God and the Virgin Mary are honored; Under the Ethiopia the light of the world, the world will see when Ethiopia shine brightly with her beloved, chosen, and resurrected children.
- Non-Orthodox Religious Institutions (Catholics, Heretics, Islamists, Chinese's and Indian's idolatry and other's etc.) those who have been long been confined to the earth by the devil and have burned mankind to hell; in a great rage they will be swept away from the earth with their followers and their servants.
- As we can see today; The United Nations, the European Union, the African Union, the Asian Union, the Latin American Union, and the Arab League will all disappear. It is impossible to gather, decide, or talk; It does not give time to breathe. There is a flow of unstoppable fire! It is impossible to repair, to heal, to escape, to help anyone. Lifting the hidden let me spend this hidden time; It cannot be said. Everywhere; it will only be a painful death. The unseen, unspoken anger will descend. At this point; who will stand with their peace? Who can moves? Yes, God's chosen people can move only those individuals and countries that have been recognized by the Ethiopia world light government. Those who beg and surrendered will live in peace as the Almighty God permits. Survivors of the wrath will be reinstated under the Ethiopia world light government, in accordance with the law of the Trinity.
- Planting and uprooting will take place during the destruction. The world will remain in a constant state of fires until the Ethiopia world light government is established in every corner of the globe. All the servants of the Devil who have destroyed the earth for thousands of years will be wiped out. Those who say that there is no resurrection of Ethiopia, with the process of going to their death; they will see Ethiopia rise up in great glory, burying the earth and the rich people in awe and glory. They go to their death, seeing and hearing. For the people of God, for the Ethiopian Orthodox Tewahedo believer, the sufferings they were planning will be hundreds of times for them; They go down to their graves, seeing the glory of God's people in their death.
- The event that I have just described will take place now. Don't make fun of it for a long time! There is no time or place for this. The action will take effect as soon as the message is released, as stated in the decision and the order.
- Some are shocked when the action begins and sweeps them away or when the fire moves to devour them; some of them will say, "Is that true? Where can we escape?" Of course, there are many. It has no value! When they are counseled, reprimanded, punished by patriarchal punishment, who is compelled not to return?

- Then tell them to your wisdom, the devil's grasp, and the idols you have housed in wonderful buildings, to save you. Just as Pharaoh was struck by the wrath of God; He was embracing the idol he worshiped, the one who said, "Save me." You covered your ears; when did you hear the message of Ethiopia the light of the world flowing for 15 years! A generation that spends the morning on Facebook, Telegram and YouTube: the billions counted generation, is there a time when the messages were not in front of you? Did you not laugh at them and make fun of them? They are available in all major languages and are available in audio format. They have begged you! They cried out tirelessly! So who will save you when you are judged today? No one can save you, because you are against the Trinity.
- In this great wrath; Women who wear pants, because you are doing something hated; you will not be saved.
- All the punishments that are still inflicting on the earth are the first punishments, as described in Message Three. And now; signs of the beginning of the second step of punishment; Unprecedented hurricanes, floods, landslides, traffic accidents, genocide, religious wars, border wars, civil wars, and civil disobedience were all ordered in the first place. The diseases you call COVID-19 and Ebola today; In particular, the disease you call corona virus, the plague we call it; you have seen and are seeing how much it has shaken you. This is no more than the first step punishment.
- After the release of this message; the wiping out of all kinds of plagues that would come; It will fully functional. Its power is the power that the earth or the sky never seen it before; Seven times seven, 49 times; Then you will see a greater destruction. All over the world; when corona arrives, you lock yourself in a house, wash your hands with a sanitizer, and keep yourself safe. This is easy. How much did you hurt? You know him. As we can see; Instead of returning to your Creator in shock; Saying I delivered the vaccine to you; Instead of man returning to the Creator; you are still making Him look like a savior. You have a struggle to keep people from repenting and turning to their Creator. According to your previous work; Today you are saying worship me, you say I am your solution. So, like Pharaoh, you have become proud. Just as death swept over all Egypt, Pharaoh hardened his heart in the face of many plagues; when death reigned in his house throughout all the land of Egypt; where he can go then? What about arrogance and contempt? What about criticism? The arrogant Pharaoh fell down at Moses' feet and said, "Please go." This is will happen today. You will see it.
- In every country of the world, death reigns in every household, no one can stop it. It will be a tragedy in your home. It's worse if you go out. Where do you go? This is what will happen. Note! We are God's people; Ethiopian the World Light Families; we celebrate our Independence Day without worries or thoughts. Because we are surrounded by fire. The Trinity of Abraham we trust and Virgin Mary we trust, also we thank them. We sing

with joy. To beg us; how do you cross the sea of death that reigns in your home, at your door, everywhere? You will see the bridegroom of the resurrection rejoicing, whom God loves, rescues, and glorifies; But you can't reach to them. In the midst, death ruled over all of you! This is what will happen. Today's generation, what good is for you? Your silver will not save you, your building, your cave, your tower, your guard, your gun, your tank, your jet, and your ship, all these will be dust. Who will save you?

- I am telling you everything that will happen. The time has come! A generation you do not hear! As this message is being prepared today, have we not already advised you with our various statements and teachings? Didn't we tell you? When we give advice to our children, to our listeners; you, the arrogant one, trusted in your father, the Devil, the old serpent, the false prophet, and mocked us. From leader to leader, from religious leader to believer, don't you all laugh? When we see death covering you, worrying about taking your soul out; it is the result of your work, more than surprise; know that we do not understand you, except to marvel at God's righteous judgment. So, those who came before you today; we can assure you that they will be done quickly. May He give you perseverance!
- -What will be left on earth? Those which are useful things to human life will be remained, but it must be not harmful for spiritual life. But you will die, by left behind all yours stored wealth to people of the resurrection.

Who is Emperor Tewodros? For what purpose is he thought by Almighty God? Where is it? What will he execute? Where does he reign? Which state will he rule? Who revealed this truth? What did the fathers say about this king?

By the Fikare Eyesus, by the book of Gedle Fieqetor , by the book of Diresane Uriel, by the prophecy of Sabella, by the Book of Shinoda and in other books, about Emperor Tewodros has been mentioned. It is revealed in the Word of God, which many have not yet understood.

Today, there are many people on YouTube, Facebook, and other social media who talk about Emperor Tewodros in various ways. Also there are people boldly oppose that such a king will not come, those often are married to heretics. First, we will look at the words of the Almighty God in the 49th chapter of Isaiah and come to the rest of the idea.

The words of Almighty God say ---

Listen, O isles, unto me; and hearken, ye people, from far; The LORD hath called me from the womb; from the bowels of my mother hath he made mention of my name. And he hath made my mouth like a sharp sword; in the shadow of his hand hath he hid me, and made me a polished shaft; in his quiver hath he hid me; And said unto me, Thou art my servant, O Israel, in whom I will be glorified. Then I said, I have laboured in vain, I have spent my strength for nought, and in vain: yet surely my judgment is with the LORD, and my work with my God.

And now, saith the LORD that formed me from the womb to be his servant, to bring Jacob again to him, though Israel be not gathered, yet shall I be glorious in the eyes of the LORD, and my God shall be my strength. And he said, It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth. Thus saith the LORD, the Redeemer of Israel, and his Holy One, to him whom man despiseth, to him whom the nation abhorreth, to a servant of rulers, Kings shall see and arise, princes also shall worship, because of the LORD that is faithful, and the Holy One of Israel, and he shall choose thee.

Thus saith the LORD, In an acceptable time have I heard thee, and in a day of salvation have I helped thee: and I will preserve thee, and give thee for a covenant of the people, to establish the earth, to cause to inherit the desolate heritages; That thou mayest say to the prisoners, Go forth; to them that are in darkness, Shew yourselves. They shall feed in the ways, and their pastures shall be in all high places. They shall not hunger nor thirst; neither shall the heat nor sun smite them: for he that hath mercy on them shall lead them, even by the springs of water shall he guide them. And I will make all my mountains a way, and my highways shall be exalted. Behold, these shall come from far: and, lo, these from the north and from the west; and these from the land of Sinim. Sing, O heavens; and be joyful, O earth; and break forth into singing, O mountains: for the LORD hath comforted his people, and will have mercy upon his afflicted.

But Zion said, The LORD hath forsaken me, and my Lord hath forgotten me. Can a woman forget her sucking child, that she should not have compassion on the son of her womb? yea, they may forget, yet will I not forget thee. Behold, I have graven thee upon the palms of my hands; thy walls are continually before me. Thy children shall make haste; thy destroyers and they that made thee waste shall go forth of thee. Lift up thine eyes round about, and behold: all these gather themselves together, and come to thee. As I live, saith the LORD, thou shalt surely clothe thee with them all, as with an ornament, and bind them on thee, as a bride doeth. For thy waste and thy desolate places, and the land of thy destruction, shall even now be too narrow by reason of the inhabitants, and they that swallowed thee up shall be far away. The children which thou shalt have, after thou hast lost the other, shall say again in thine ears, The place is too strait for me: give place to me that I may dwell. Then shalt thou say in thine heart, Who hath begotten me these, seeing I have lost my children, and am desolate, a captive, and removing to and fro? and who hath brought up these? Behold, I was left alone; these, where had they been?

Thus saith the Lord GOD, Behold, I will lift up mine hand to the Gentiles, and set up my standard to the people: and they shall bring thy sons in their arms, and thy daughters shall be carried upon their shoulders. And kings shall be thy nursing fathers, and their queens thy nursing mothers: they shall bow down to thee with their face toward the earth, and lick up the dust of thy feet; and thou shalt know that I am the LORD: for they shall not be ashamed that wait for me.

Shall the prey be taken from the mighty, or the lawful captive delivered? But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children. And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob. ----

The whole of Isaiah chapter 49 is about the Ethiopian Emperor Tewodros: About the resurrection of Ethiopia; it also tells us about the thought of those who are called Israel by their flesh by God.

We will analyze the word in detail. In this case, the problem of sincere misunderstanding will be solved. Their guilt, their treachery, their misrepresentation of the truth; You will be ashamed of the apostasy of the former serpent, the disciples of the false prophet dragon, and the billions of people of the world. You who said, I did not follow the apocryphal book yesterday; You who said there is no resurrection of Ethiopia; As the prophet Daniel said, "In the last end days, there will be much knowledge. Man will rise up to investigate the truth of God by his wisdom." Let us, the servants of the Trinity, tell you what is yours bad news, because you do not have the faith to reveal the truth of Almighty God.

One of your deceptive languages says that we do not believe outside of the Bible. Because you are the creatures of the false prophet, I have given you a clear and unequivocal word of prophecy from the Bible that you believe. The prophecies of the patriarchs that you have rejected are still valid.

Let's take a look at the implications –

❖ The word says --- “Listen, O isles, unto me! and hearken, ye people, from far!”

Its implication is ---- Islands mean Countries and governments. God tell you to listen to all the descendants of Adam, who were scattered throughout the earth.

❖ The word says --- “The LORD hath called me from the womb; from the bowels of my mother hath he made mention of my name. And he hath made my mouth like a sharp sword.”

Its implication is ---- God created every creature for His glory and his character and life of his willingness, and He made him everywhere according to His destiny. He will also walk on earth, just as the destiny of the Almighty God is determined. When we are created; when he allows us to submit to his will and live in his land, he has set the darkness and the light before us, so that we may go where we want. When we make good choices, we are given a good angel to guide us. It enables us to learn the way God wants us to, because we have chosen the good. He who walks by the will of God is taught by God. For his purposes and wills, God chooses people from among mankind for His service.

King David was chosen by God and made to serve his purpose; King David, who understood what God's will and purpose was, said: "While I was still in my mother's womb, I became known by you, before I became mixed of bone and blood." God called him out of the womb for a specific purpose. Thus, God's choice was made before King David was created. Before all the prophets and apostles were united in their mother's womb, He has chosen them for His plan. He made his chosen one's like a sharp sword. They shook the world with their words; Because God is the Holy Spirit who works in their bodies, in their tongues!

❖ The word says --- "in the shadow of his hand hath he hid me, and made me a polished shaft; in his quiver hath he hid me;"

Its implication is ---- Today you are hearing God's word of judgment, His rebuke through the messages of "Ethiopia is the light of the world". But you did not see me the servant of God in person; why? Because he hid me until the hour came. He has been hiding me for over 15 years! In this; you need to know God's ways of work.

❖ The word says --- "And said unto me, Thou art my servant, O Israel, in whom I will be glorified. Then I said, I have laboured in vain, I have spent my strength for nought, and in vain: yet surely my judgment is with the LORD, and my work with my God."

Its implication is ---- God speaks clearly to whom He has chosen; He says, "You are my servant." The Almighty God is honored because of all the good that he has done in this chosen vessel. My people, I am really surprised when I say this word, the word was in my heart; this is the word that I used to convey in my mind --- "I have laboured in vain, I have spent my strength for nought, and in vain: yet surely my judgment is with the LORD, and my work with my God." When I expressed this truth, I had a feeling that I was the writer of the word. In this message, I do not want to talk about my own life and suffering; whoever wants to know, he can ask the Almighty God; If you do not hurry, it will all be revealed; You will hear it because nothing won't remain from going out to the light. Personally, I do not want to think about where I came from. When I think about it, I get so nervousness that I can't handle it, so I have to jump it. My reward and judgment are still in the hands of God. As you all know, the battle with the false prophet, the old serpent, who ruled over the world and ruled the world as it pleased, began in my childhood. Without I realize my soul, the Devil was tried to destroy me in so many ways. I did not suffer with my willing!

Leave everything else; from the moment I was commanded to deliver the messages to you; It was not easy to reach the messages to you during each message. It has been paid a heavy price that I will not describe today. The Devil's strategy of attack is many. Although we passed by the power of God, we were greatly hurt. As an individual and as a family, I have paid the highest price for it. I gave it all my life. Many seek glory, wealth, and praise; this is the desire of the flesh. But for those who understand the truth and love God, it does not make sense. All their desires rest when the evils of this world are soon gone and as they go to their ancestors in

Paradise. In terms of the pain and suffering I have seen in my life; it made me very sad to live on this earth. Even if I stay, I can only do so for God's will, for his glory, for his glorious name, and for my service to him. Today I, the slave of the Trinity live to serve Him, to obey Him, to do His will, and to do the will of my mother, the Virgin Mary. Other than that, nothing satisfies my desires. I will finish my run; when I made other peoples to worship my God; when I see when the will of God is done, and Almighty God been praised by all people; That's all my compensation. I have no desire from this world. I have nothing to care about my body. Of course, you may be shocked at what you hear. The whole world is going to rule by me; I am vain, just garbage. I am least of all of you! But He graciously covered me with His mercy; He has covered my shameful sins; He paid an expensive price for me; Again, he decided to put me in a place that is over the imagination of the brain; since I heard this; I made a strong argument for many years with Almighty God, Jesus. I told him, this is beyond me and that I am not fit for it; He said, No! I also asked my mother, the Virgin Mary. She said, No! But, because the time reveals all, it is not better to talk too much. Let's move on to the next word.

❖ The word says --- “And now, saith the LORD that formed me from the womb to be his servant, to bring Jacob again to him, though Israel be not gathered, yet shall I be glorious in the eyes of the LORD, and my God shall be my strength. And he said, It is a light thing that thou shouldest be my servant to raise up the tribes of Jacob, and to restore the preserved of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth. Thus saith the LORD, the Redeemer of Israel, and his Holy One,”

Its implication is --- As you can see, the word of the Almighty God; Today, you are confused about who King Tewodros is! As well; this is the truth for those who say no. Find out why he was called, who called him, who appointed him! You all are hearing when our Lord Jesus encourages him that it is very easy for God which is difficult and deadly for him.

❖ The word continues --- “to him whom the nation abhorreth, to a servant of rulers, Kings shall see and arise, princes also shall worship, because of the LORD that is faithful, and the Holy One of Israel, and he shall choose thee.”

Its implication is --- All over the world, for those who are slave to rulers; God's righteous judgment; The truth that God reveals; All the kingdoms that they shock you ; with the process of their destruction, the all will They bow down to Emperor Tewodros, willingly or unwillingly. This is what the Word tells you.

❖ The word says --- “Thus saith the LORD, In an acceptable time have I heard thee, and in a day of salvation have I helped thee: and I will preserve thee, and give thee for a covenant of the people, to establish the earth, to cause to inherit the desolate heritages; That thou mayest say to the prisoners, Go forth; to them that are in darkness, Shew yourselves.”

Its implication is --- God assured him that He had protected, listened, and protected His servant in the midst of great tribulation. Note! It says, "To establish the earth"; He has commanded his servant to restore what was lost and what was lost. Then again the word says, "That thou mayest say to the prisoners, Go forth; to them that are in darkness, Shew yourselves."; The king's first task was to expose and imprison those who had been prisoned, persecuted, persecuted by the devil, and persecuted for their orthodox Tewahedo faith. God then says, "Give thee for a covenant of the people"; So God has given the king to his people, just as he promised.

- ❖ The word says --- "They shall feed in the ways, and their pastures shall be in all high places. They shall not hunger nor thirst; neither shall the heat nor sun smite them: for he that hath mercy on them shall lead them, even by the springs of water shall he guide them. And I will make all my mountains a way"

Its implication is --- He tells us that in the coming good times, in the resurrection, he will guide his people through his servants, and he will be with them and remove obstacles. No one is bigger than a mountain, the Almighty God has promised that he will remove it all and make his way. The false beliefs of the forces of today's mountain governments will be eradicated. This is the truth.

- ❖ The word says --- "And my highways shall be exalted."

Its implication is --- All of God's righteous judgments, for all those who were called to His resurrection at that time; all roads lead to peace, blessings, love, joy; God will be worshiped with a whole heart, a whole mind, a whole soul. It will be a glorious, exalted time of light.

- ❖ The word says --- "Behold, these shall come from far: and, lo, these from the north and from the west; and these from the land of Sinim. Sing, O heavens; and be joyful, O earth; and break forth into singing, O mountains: for the LORD hath comforted his people, and will have mercy upon his afflicted."

Its implication is --- In the coming days, in the resurrection, they will come to Ethiopia for comfort from all parts of the earth. God comforts all who are saved from the wrath of God. Because, He has given mercy for his people; the skies and the earth, and the kingdoms, shall shout for joy, because of the righteous judgment of God. This is what will happen.

- ❖ The word says --- "But Zion said, The LORD hath forsaken me, and my Lord hath forgotten me. Can a woman forget her sucking child, that she should not have compassion on the son of her womb? yea, they may forget, yet will I not forget thee. Behold, I have graven thee upon the palms of my hands; thy walls are continually before me. Thy children shall make haste; thy destroyers and they that made thee waste shall go forth of thee."

Its implication is --- This word speaks for those who are called Israel by their flesh. In the coming resurrection, Israel as described in the message three; she is given the right to self-government under the "Ethiopia world light government". By Seize her people who have escaped his wrath; As a younger Ethiopian sister, she is comforted by the spiritual leadership of the Ethiopian Orthodox Tewahedo Spiritual Administration. God about the early prophets, apostles and for their life that they paid for Him; they were born and loved by God as His people. Even if they deny him; Even though they betrayed him to death in a great apostasy, they still do not repent; But when Almighty God visited the world at the last hour, he felt sorry for his people. He remembered the early days of Abraham, Isaac, Jacob, the founding fathers of Moses, Elijah, and David. This is how Israel got its chance.

❖ The word says --- “Lift up thine eyes round about, and behold: all these gather themselves together, and come to thee. As I live, saith the LORD, thou shalt surely clothe thee with them all, as with an ornament, and bind them on thee, as a bride doeth. For thy waste and thy desolate places, and the land of thy destruction, shall even now be too narrow by reason of the inhabitants, and they that swallowed thee up shall be far away. The children which thou shalt have, after thou hast lost the other, shall say again in thine ears, The place is too strait for me: give place to me that I may dwell. Then shalt thou say in thine heart, who hath begotten me these, seeing I have lost my children, and am desolate, a captive, and removing to and fro? And who hath brought up these? Behold, I was left alone; these, where had they been?”

Its implication is --- God is firm and trust for His Word. When Ethiopia is remembered by God; it is repaired in its entirety; when Ethiopia is remembered by Almighty God, He will restore all her things that lost, all despaired, that she has been persecuted. All desolation will flourish; Ethiopia will be the comfort of the whole earth. Thus, As much as her land is full, she will be the full of the resurrection bridegrooms. Its territory will be vast. Desperate Ethiopia: Human beings will be born from Orthodox Tewahedo faith again from all over the world; they will be like Jewelry for her glorious.

❖ The word says --- “Thus saith the Lord GOD, Behold, I will lift up mine hand to the Gentiles, and set up my standard to the people: and they shall bring thy sons in their arms, and thy daughters shall be carried upon their shoulders. And kings shall be thy nursing fathers, and their queens thy nursing mothers: they shall bow down to thee with their face toward the earth, and lick up the dust of thy feet; and thou shalt know that I am the LORD.”

Its implication is --- When God says, 'I will lift up my hand to the nations, I will set my purpose against my people;' in good period; during the repairing period; It indicates that the Gentiles will be called to the truth, and that God will call them to the land where his revelation be honored, Ethiopia.

❖ The word says --- “for they shall not be ashamed that wait for me.”

Its implication is --- Those who wait for me shall not be ashamed!! Do you really understand the implications of this word? Yes! I believe that a person with a clear conscience will notice. Ethiopia is a land of Tewahedo Orthodox faith - a land loved by God. A land where people with strong faith live. For a long time; she had been waiting hopefully for her Savior, Jesus, and her mother, as the covenant given to her. Fathers and mothers; they inherited this truth for their children, and they greeted it with hope and went to heaven. Families of God, children of the Virgin Mary; The great prophet Isaiah lived before the birth of our Lord. The great promise of Ethiopia, the great hope for the future, was revealed to him by the Almighty God, had recorded this covenant in his prophetic book. When the time came, God came revealing His word and mystery! That Ethiopia is a land of promise; Very few people who believed and understood this truth waited by not despair; they stood with full of faith that God will make it happen one day. We also, the Messengers, have also been looking forward to it. God, the Almighty, does not disappoint those who trust in Him. This is the truth. This is the hope that I am telling you today; you have reached to it. Those who disbelieve and despise God, those who say God cannot judge and save; they will see him, when He swept them away with his righteous judgment. Because; they mocked at the word; they have changed the truth into lies; they believed in false beliefs; they have destroyed those who truly stand; they have bowed down to the Devil and the dragon and the false prophet.

They have rejected the truth revealed in John Revelation 20. They have challenged and persecuted the true people. They have boldly opposed the message of "Ethiopia the Light of the World", which it has expressed Ethiopia's hope. Today; the full chapter of Isaiah 49, as described above; how can you deny this? Because, you are always the children of the false devil, and you may try to commit a sin because you are a liar. But I want to assure you that one thing: --- There is no time! It's over! You are late. Now everything is loaded in front of you. There is no entrance. There is no hiding place! It's over!!

❖ The word says --- "Shall the prey be taken from the mighty, or the lawful captive delivered? But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children. And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob."

Its implication is --- Because the world today is full of pride, it does not listen. Even if other who is better from us talks, they will not listen, because they are powerful. Will a poor country take what it wants from the United States, Russia, or the United Kingdom? Unthinkable! We cannot imagine a Third World country, an African country that says I will fight against Europe and fight against all the superpowers. But it is clear that this truth is believed by all modern-day people. Be surprise, this truth will reverse! How can that be? Yes, it can. For those who say it can't, for it is possible with God. Notice, the captives of the mighty will be taken away. They will be free

from the hand of the superpowers. The prisoners whom are imprisoned by the tyrants of this age will escape. This is the truth.

My people, pay attention! You will see the truth in front of you in action. All the leaders of the day, who have been a joking of the Word of God, will be consumed by fire. The world's superpowers; you will release those you torment on earth unwillingly. When you are consumed by fire, when you ask for death, then you do more than what is required of you.

In front of God's beloved Ethiopia, You will be dusted; you will be despised and humiliated. Whatever you rely on, everything that is the source of your pride will instantly be like smoke in front of you. Because, you are at war with Ethiopia! This act is a conflict with God!

The word of judgment, which describes the severity of your suffering, will eat your flesh and drink your blood like wine. In this way all flesh will see it. You know then that Ethiopian medicine is God Almighty.

My people; Isaiah's prophecy makes very clear about Emperor Tewodros, what the resurrection of Ethiopia will look like, and how it will take place. And it is standing at your door to perform. After this message is released, it is commanded by the Almighty God that all action to be taken.

At this time when we are today; when the earth is shaken by falsehood morning and evening; at a time when young and old were addicted to television; one of the current issues covering social media ---- YouTube - Facebook, etc. At the same time, the issue of Emperor Tewodros' departure and arrival was a major issue. Some are opposed to the Ethiopian resurrection, given the current situation and the global turmoil; some go against the word of prophecy and try to please the rulers of the day. Some even try to earn a lot of money from YouTube by offering something new. Most of them are obedient to the devil; because they heard from their Lord that their fulfillment was coming; they are very trying to keep the people from hearing the truth and to mislead them. Just as they say the king is here; citing various books of prophecy; there are so many pages that talk about his country of origin, his destination, his birthplace. As they said, many refer to the book "Fikare Eyesus" that found in England; they make the people confused, interpreting it as they please. Because talk is food for the modern man; He listens to lies, mixed with a few truths, and hear without choosing everything. Thus, he confused.

Apostate modern-day rulers and governments, as well as apostate beliefs of the Devil's false prophet; they try to distort this truth, exaggerate it, and misrepresent it. The feared world and also the driver of them The Devil, the former serpent, the dragon, and the false prophet are well aware of this fact. They understand the truth. Note! They are the rulers and rulers whom the devil have set up on earth, who the devil have rejected God, who the devil want to overthrow the kingdom of the Almighty God, and who have fought to make this dream come true. So they are still fighting. There is no place in skies for them. They are defeated and wrapped up and thrown to the ground. Today, their earthly fortress is about to collapse. God will be glorified in the land by His faithful servants. Here we see him engaged in a fierce battle, because this truth is about to be swallowed up. It must be! But, they do not want this to

happen. Because it is the end of their existence! Not only that; for those who disbelieve are fighting against God who created us and them! No wonder; if they are overwhelmed by shock; for God is going to be glorified in their land! This truth will light the earth that was in darkness. The Lord of all creation should be glorified in His righteous judgment on earth and in heaven. For God is a righteous judge!

So, when Emperor Tewodros is anointed by the power of God, how will the ruler of this darkness receive him? THE emperor also knows that they will not accept him with happy ceremony. What fellowship do darkness and light have? The King came to fulfill the will of the God who created him, to stand guard over all things on earth for the God glorious name. So if they want to destroy it, it must for them. Anyway; their struggle is not easy. The Devil wisdom has not taken away, it is clear that he devised many schemes to destroy it. So do not be surprised at the chaos. When the truth of God is revealed, all the forces of darkness have no place and no end, and the enemy is greatly disturbed. My people! What does a person in the dark know if others do what they want on him? He knows nothing. They do whatever they want. This is the truth. As you can see today, the Devil has completely darkened the world and plunged it into a sea of sin.

Genocide, war, border war, sectarianism, war by in religion. As everyone knows, the world is fighting each other by divided into two parts according to the plan of the devil. Because they are subject to his will, they obey his commands. The wish of all governments is that I will bring better peace and prosperity to democracy (Satan's justice). Your method is better to do this, no, that is better; Because they are organized by the devil in this way; They have reached here by fighting each other for thousands of years. The devil's dream life is decorated when he made the world gloomy. His dream has come true and is driving billions.

If man knows his the Creator, if he walks according to his will, if he loves and obeys his commandments, then he has entered the world of light. If he understood God's will; if he knows what he will gain by living in it, he is truly happy that he will be reached to the light of the future; and he will become comforted; he will be the heir of the kingdom, and for the blessings of the earth and the world to come. Knowing this, the devil has is fought harder to prevent this from happening; also He is doing it now.

Rebellion is rampant --- today mankind is dying like a leaf. Human blood is flowing like a torrent, according to the Devil's plan. There is no interruption. How much innocent blood has been shed in our country? How many poor people died? How many houses were destroyed? How many died of starvation and war? How many were killed by their seed? How many of his Tewahedo beliefs were crushed? Don't you are seeing it clearly?

Can't you see what the Ethiopian government, ruled by the old serpent, the dragon, the false prophet, is doing to satisfy the devil's desires, to destroy the way of truth? Shameless government. He accepted fraud, deception, and tactics; like good knowledge. "His mouth butter, his heart knife" Such a leader; the devil, which seeks to destroy us, has planted to us;

How many poor Ethiopians died because of their race? How many of the Tewahedo beliefs were destroyed? How many of our churches were destroyed and burned? How many were persecuted? How many became an Arab toy? How many efforts have been made to destroy our country?

Why Ethiopia is became the center of all destruction? It is clear and unambiguous. The old serpent, the dragon, the false prophet, the swindlers speeding up their dreams and running; It is because the slaves of the Trinity that God has empowered will rise from Ethiopia which is the inheritance of the Virgin Mary. The death of our enemy has also been announced from this much hated Ethiopia.

Ethiopia is loved and chosen by God. All her life she has honored her God; A people who practice that worship wholeheartedly; It is still there. This truth, this light; He caused the Devil to carry his death sentence.

➤ **Ethiopia is a land where the glory of the Trinity is revealed and be praised.**

What do we mean by that? Yes! The Triune God, the Creator of all creation, The Creator of all things, the creator of the visible and the invisible, the creator of the earth and the heavens, The Lord who loved us and created us in His image; All creation in heaven praises Him continually; Both day and night the earth should praise him. When all the creatures above praise Him, only man has rebelled. That is, because the devil, who cast his glory in heaven, was cast down to the earth; Instead of denying and condemning this rebellious enemy; he rejected the Creator and became a subject of devil. ; Strong judgment has arrived at his door, because he did not listen to counsel or rebuke. After this is done, our Tewahedo faith prevails and shines like the sun; The world in which the Trinity of Abraham, our Virgin Mother, our Holy Fathers, our Mothers, the Martyrs will praised, will be created. God the Holy Spirit will be its guide. Like a never-ending stream, the name of the Almighty God is praised day and night. The glory of the Trinity will also cover the earth. All his servants, whom he loved, will be clothed in white robes and will be glorified with him. This will happen! That is why we mention the above word at first many times.

➤ **Ethiopia is the inheritance of Virgin Mary.**

Yes, Holy Mother; And her glory high in the heavens; Mother of our savior Jesus; Queen; And the queen of the earth; also God has given to his beloved Ethiopia as inheritance expression; Ethiopia is also the land where the glory of Virgin Mary reveals and praised. It clearly proves that the whole world cannot be saved without Virgin Mary's intercession and motherhood. That the Trinity gave blessing , mercy, health, and longevity through Virgin Mary loving intercession; A generation that knew this; This victorious generation is also patriotic of Tewahedo , and he calls her "my mother" ; He is well aware of her dignity; The above statement assures us this.

➤ **Ethiopia is the light of the world.**

Yes, she is! The whole world despised her. You despised Orthodox Tewahedo. The trusted faith for her God; the apostles and prophets crushed their bones and shed their blood for her; the faith that the Almighty God loved and respected; you hated Tewahedo and fought against her. Even though our enemy, the devil, controls the whole world, you could not able destroy Ethiopia. So she stood firm in the doorway of that you burned, trusted in her God, and was victorious over all this time. The whole world has been given to be captivity. In my understanding, it has been 15 years since the Almighty God chose Ethiopia to be the light of the world. So we always make this truth known in all our actions.

➤ **Ethiopia is the ruler of the world.**

Yes, she is. The winner is the Ethiopian Orthodox Tewahedo Church. My people, God created this earth for us to live as a guest. Ethiopia lived in, trusting in the ordinances and laws of God, she has passed in the shadow of death; because of this, she became loved, honored, rewarded by The Almighty God. So, the whole world has given to her as a captive. Ethiopia will rule the world through the "Ethiopia world light Government" by making Ethiopia as its center.

- The truth described above will come true over the graves of the devil and his slaves. Because of this; The Devil was agitated, because he confirmed that this truth it true. This is a must. It must be done. It will be done, for it is the truth of God. So, It must be that, The Devil and his adulteress will go to their grave, and God's people triumphantly into the resurrection world;

To avoid this, the devil; the beliefs that he has built up in apostasy; Heretics, Catholics, Muslims, scholars, Asian pagans, etc; It made all them to deny, and used so many other methods. There is no one on earth who does not sell his soul for the sake of his food, for the devil. Most of the world is sold. He obeyed the devil because his life is full; and He must do this!

Thus, God has chosen, honored, and anointed his servants on earth to carry out his will and commandments. The best items selected for this purpose know this, and they sat down in their place. They are waiting for his command. As you all know; our savior Jesus said to the apostles, "Until you receive power, you must not leave Jerusalem; you must wear the power. I will send you the Holy Spirit, the Comforter." All of you must know that anointed and ordained servants of God are still waiting this command!

You should know that there are 39 kings under Emperor Tewodros. You should know that in addition to them hierarchically, there are also those who have been appointed to the rank of prince and princes.

At least 300 fathers have been elected to lead the Ethiopian Tewahedo Orthodox Church. They will be led by the First Father. They are prepared and sat in their place, until they received the glorious priesthood and received power as apostles.

The world must know! Those who will cross to the resurrection, you must understand! Pay attention! The truth is, it looks like this. Especially the family of God; Beloved to be crossed to the time of the resurrection! You are lucky. So be patient! Do not be misled as you listen to the Devil's constant gossip! And do not waste the opportunity given to you. "Spilled water cannot be collected"; so again, I advise you to be careful!

After you move on to the resurrection; the earth will be healed; our martyred fathers and mothers will reign through their children. While they are In Paradise, they see all the action. They will rejoice in the justice of their God, the faithful Judge, and they praise him.

The Almighty God will be honored, he will reign, and his servants will clothe him. They carry it in their hearts and minds. God guides them because the Holy Spirit is in their hearts. He leads them to all truth. There will be no devilish action in any of the holes of the earth, it will be uprooted and thrown away. In every aspect of the earth, God will constantly be praised. He will be worshiped. He will be honored. The Virgin Mary, the holy archangels, the holy martyrs, the mothers of the noble fathers will always be praised. My people, this truth has come, so where does the devil go? Where is he going when he hears this worst news?

Families of God! My people, who stood up firmly with your covenant!

Many questions had been raised about the identity of Emperor Tewodros. The history is being distorted by many writers. This will be accomplished through the instruments of the enemy, the Devil. It is his job to destroy trust, to fill people's hearts with doubt. In this way; except as described in this article at this time; No one can say for sure that Emperor Tewodros is here. Unless one of our brothers Teklekidan who said about him. Teklekidan said, he saw King Tewodros in person for eve of November 21 Zion Mariam holiday at Aksum Zion Maryam church; In 2003 Ethiopian calendar; Yes! He is the only person who saw me.

Many speak out exaggeratedly about him because of their sincerity or out of curiosity. In addition to humans, there are those who made him like angels. My peoples! Moses, Elijah, David, and others were human. But God reigned in their lives; you all know what he did with them. Today's It still means those whom God loves and appoints they will do his will. God has raised up his faithful servants throughout the ages. Apostles, Prophets, Martyrs Respectfully stand for the truth, and passed with glory. They fought the enemy with their spiritual power; they have left their mark of their struggle for us.

Today! What does this age look like? Yes, the earth has changed much over the years. She progressed in her civilization. The earth has become a village. There is so much knowledge. Our planet is full up with buildings, cars, and planes. She is growth on the communication network. She is also modernized with her treatment. Earth got narrowed, so she explores the space universe. The source of the knowledge and wisdom that she used for all of this activity was God, who had already given it to mankind. The Trinity does not resent for the good things that man has done; but, while the Creator of all things deserves to be praised and glorified, the man who created him in his image denied him. He worshiped the creature, the Devil. He rebuked

him and advised him. When Almighty God give the law from the beginning, he warned the human, by saying - "Do not forget me, and do not go to Idols, I am a jealous God, I am a consuming fire! Beware! Do not go astray!" He had. In order not to forget this and to lose it, God has always rebuked human by His faithful servants who love and obey Him, those faithful servants are chosen by the Almighty God in different Ages. He called for repentance; but, as you can see, no one did not listen.

Human pride became than apostasy. Because of his knowledge, his wealth, his technological achievements, his modern equipment, his house, his computer, his car, the comforts he built for his body, the satellite he hung in the sky, the jet, the ship, the gun, the tank, the airplane, because all this made the world a village; He simply said, "There is no God. I do not know him." The earth is ruined. They committed an action that is not humanity; every action that God condemns; sodomize, Homosexuality, adultery, have filled the world. All of these add up; the devil's dream, who denied God, took over the place of human beings. God has been forgotten. Instead, the Devil, the ruler of darkness, reigned in the hearts and minds of men.

God became despised, rejected and hated. The one who calls God's name is almost to extinct. Throughout human life, the dragon, the old serpent, the false prophet have become loved, listened to, and worshiped. And their mark is become on everyone.

The Trinity of Abraham, who sees all this; all must know that his divinity is the fire, jealousy and that the earth and the heavens are worthless for him! This must be confirmed, and today the judgment is being turned into action.

Before the world reached this stage, the Lord told him that before the present age, mankind would be utterly destroyed and would deny God. It happened! The Man's pride spilled over. Fathers; they have lived and passed as witnesses to the truth as they were told by God. They are still witnessing this. The way of truth: The path of righteousness is very narrow; Almighty God said, "make a struggle to get in this narrow way". The wide road is very wide; A great crowd will follow him; That is the Devil's path to darkness. Did this not happen? Yes it did my people!

So today the cup is filled and the enemy's camp is in turmoil. The earth is troubled, and there is no peace. Disease and warfare are rampant. Natural disasters became usual. But no one was shocked by all these signs. On the contrary, He is driven to destruction.

Messages of "Ethiopia the Light of the World" has made the situation clear for 15 years, announcing the arrival of Emperor Tewodros and Ethiopia's victory over the world through its faith. The messages urged the world to repent, to surrender to the enlightened world government in Ethiopia, and to ask the Creator for forgiveness. No one heard! He continues and pushed its pride! So, what can to do? Because there is a beginning and an end to things, today we have to explain the beginning of the end.

To this day, the Devil has tried hard to distort the good one, to make the truth of God unacceptable to all mankind, and to make it as myth. He really did it successfully. Man's strengths and weaknesses are his flesh. He does try anything to satisfy that desire. Using this weakness, the Devil was able to lead him into darkness and to break God's law and order.

Long-standing propaganda fiction; Unrealistic hope; False history was preached as truth; Most of Adam's descendants, wrapped in a mask of knowledge, went to their grave without knowing the truth.

The Enemy's Struggle: He succeeded because he created an ungodly generation that did not believe, did not seek God's truth, and was bound by his fleshly desires.

God created man in His own image. The man who created it; He created with giving a mind to think, to weigh things, to understand, to explain. He did not create him as animals. Instead, he created it with dignity. He endowed him with a mind that can distinguish between good and evil, darkness from light, and discernment. He created him in his own image. When he commanded ---- all the creatures of the earth has subdued to him.

And he commanded it! The Almighty God said that; Send your hand to your decision that your mind thought the good and the bad, the darkness and the light, to the one you like. It has. As a result, you take responsibility.

According to your choice! There you will be judged according to your decisions and actions. In that case, if you understand your mistake and repent, I will forgive you. In other words; you will walk in the light and fear me; for you have trusted in me. You have firmly established the truth, you have worshiped me, you have turned away from evil, you have rejected the one who rejected me, you have condemned the one who did not obey me, and therefore you are my faithful servant. So I love you. I will reward you, I will justify you, I will honor you.

He has said to him - If you stand in the opposite direction; If you hate my counsel, if you reject me and are filled with pride, if you make darkness to reign, if you make your God the ruler of this world, if you stand for destruction, if you make your belly God, If you bowed for the wisdom of yours; If you disregard the One who created you, if you will disregard my commandments and if you walk according to your own desires; Judgment will follow you; because you hated remorse and remain attached to the Devil. The judgment will finish you. I am a righteous judge. I will judge you according to your ways.

This is the truth. This truth has been revealed to all of Adam's descendants through the message entitled "Ethiopia the light of the world" for the past 15 years in this evil age. You have been told. You did not hear, you have despised, you did not want to be saved. What more could be done?

The world's population is close to 8 billion. Of these; In my opinion; Less than 100 million people are believed to be submitting to the Creator's will. All the people who covered the earth clung to the devil, and they are lost. They have no way to return.

As the Word of God clearly states; the way of salvation, the way of truth is very narrow; it says, fight to enter this narrow way. But the path of darkness is wide, and many will walk therein; but they will perish. They will fail. Here is the truth. So my people; God is punctual. He is the One who keeps and fulfills His promises. Today, after thousands of years of patience, he has visited the earth and the entire descendants of Adam, along with his mother, the Virgin Mary, and has weighed the progress and destruction of the human race. As I mentioned above; He affirmed his judgment, according to the strength of man's heart and his sincerity and meekness, and accordingly whether he repented or not repented. Because, it is the fact that man acted as his choice. Accordingly, he gave an order of implementation to the holy archangels.

After this decision and command, you will see the situation of the world around you. You will surely see that what kind of destruction will be occurred in the world.

He seals all that is prophesied, all that he has sealed, all that he loves, and all that he approves. For those who are at the forefront of the service, those who will serve by the light law; He ordained, anointed, and gave authority with majesty. He placed his crown on all those who were ordained and anointed, hierarchically starting with the first servant, Emperor Tewodros. Their power was also prepared. Their mighty power which will be revealed when with they appeared, has prepared. It's over!! Over!!

This; summarizing the topic of Emperor Tewodros' identity and situation: - 12 years ago, March 19, 2001 in Ethiopian calendar, is described in Message 3, Pages 87-88. But today I repeat it for those who do not understand or read it. Even about Emperor Tewodros, the whole system of government is clearly described in this message 3.

I would like to assure you today that there will be 21 kingdoms in the world, 21 kings, 1 emperor and 18 kings in various high positions. All Governments, all the first Shepherd fathers, have their center, their seat here in Ethiopia. Their center will build here.

World-leading Ethiopia; It will be a beloved, blessed land, a land of comfort. The world will be ruled by Ethiopia. The whole world will tax to Ethiopia. They rest in the shadow of her glorious governing system. Ethiopianism will a great and costly gift that you can achieve in a great spiritual struggle.

Emperor Tewodros is the son of an Ethiopian Orthodox Tewahedo. As he said in all his letters; He was a poor, miserable, uneducated, worthless man. There are those who are confused about his election; obviously, some find it difficult to accept. For a number of reasons, there are many people who believe in themselves as Tewodros. This is nothing in the future remained from getting public; everything will go out into the light. In that time, you will explain the way you think and believe in that way; it would not be timely to say more.

The Emperor and other fathers are here in Ethiopia. Starting with the capital, they are monitoring the situation by moving in all parts of the country for different purpose. At the time

of the revelation, those on the left and on the right side of Tewodros, who are first and second deputies, holding the title of king, are still assisting and working with him in all his work. There are 37 others in the title of king, in the fellowship and unity of God the Holy Spirit, they are helping in all things.

If there is one thing everyone should know; As long as there is modern communication; On Telegram, Revelation of John 20 page, it will be broadcast of all the events. It is where the voice of the emperor and of the kings is heard and revealed. In addition, the message of Ethiopia the light of the world in is also evident. The telegram is valid as long as it is available. Nothing else will come of it. This is the only way in which the resurrection of Ethiopia, Emperor Tewodros and his courtiers, as well as the great patriarchs of the Ethiopian Orthodox Church, will be publicly recognized. If you have any other truth beyond that, we urge you to continue. Judgment and order will be revealed together, as the judge is in heaven, watching over all.

On the other hand - I have no complaints against those who oppose me. What I say today and tomorrow is only to express the truth and truth that my God has taught me. So I am the least. I think you all are better than me in every way. But since I don't understand by what criteria he chose me, all of you who are upset should ask Almighty God and Virgin Mary. You will find the answer. I say this so that you do not stumble.

When King David was chosen by Almighty God, Samuel confused him, just as he did not please his older brothers. But the Lord answered Samuel, assuring him that God sees the heart and does not look at the outward appearance. It is well known that the Lord chose the prophets, especially the apostles, from a despised place. I have done nothing for God in my work. I have no work to please God in my conduct. I guess he just thought me for one thing. I love the God who created me, the God who saved me from my worst sin, the God who considered me human, and I love my mother Virgin Mary with all my heart. Another thing I know, I have did nothing to please him. This is the truth.

So; for those who ask the identity of Emperor Tewodros?" for those who are confused to friend and foe; I have tried a little bit to make you aware of the above. When the time comes, you will see clearly the identity of him and others. You just have to be patient.

One thing I want to make sure of you; you may also be able to hear all the truth on the Telegram channel opened by our son, entitled "Revelation of John 20". All messages are part of our description. If all of this closes with the burden of suffering, we will search another way. At that time, we will not be disturbed, but the apostate generation will be disturbed and will not be able to hide.

Another issue; There are many who claim to be Emperor Tewodros. They are talking too much. I am also hearing, what to say except being surprise. Of course, I believe it is good to be patient

and wait for the Almighty God and the Virgin Mary to reveal what it is when everyone goes out into the light.

Here is the truth for those of you who long for the truth. As we have announced that, you to register with us; because we believe in it, we have registered the one who wanted. Those who took an ID card also did a good job. Because you took it for service, you will use it on time. I want to assure you that the signature on the ID is mine.

In addition to my signature you know in this ninth message, you will find the signatures of my two brothers. This is because I want you to know and assure you that, this message issued out under Ethiopia world light government. Both my brothers, in the 2nd and 3rd ranks of king title; I assure you that with the consent of the three of us and with the approval and command of God the Holy Spirit, it has come out.

So; we have revealed the matter of knowing the truth, which is in the minds of people today. For those who seek the identity of the Emperor, we have tried to explain the answer because it is time. We have made it clear. For we are living in a time of darkness! When you tell him about the light, it is a generation that preaches the greatness of his darkness life. This is the generation that has covered the earth. We tried to tell him the truth. However, He who seemed to be slept will not be heard if you tried to wake him up. Therefore, we do not care about the issue that got its final judgment. If he does not notice until he died, we will choose silence.

Because the day and the hour are in front of us; where does he stand when the fire covers him? Where will he go with his pride? Let him know this.

Finally, in this case; by identity or by apostasy; only by unbelief or exaggeration; In addition to what we have explained to you today, all who claim to be truthful, you can continue to do so. Of course, when you see the truth, you should understand that just as you, disobeyed God, there will be a fair judgment from both the Almighty God and the Virgin Mary.

Have a good understanding.

“Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD.” Jeremiah 17 from number 5.

“But be thou in the fear of the LORD all the day long. For surely there is an end; and thine expectation shall not be cut off.” Proverbs 23, from 17 up to 18.

“Open ye the gates, that the righteous nation which keepeth the truth may enter in. Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee. Trust ye in the LORD for ever: for in the LORD JEHOVAH is everlasting strength:” Isaiah 26, from 2 up to 4; Read the whole of Isaiah chapter 26.

Forasmuch as this people draw near me with their mouth, and with their lips do honour me, but have removed their heart far from me, and their fear toward me is taught by the precept of men:" Isaiah 29, from number 13.

As you can see in all four of the above words; If you tell them today, they will not listen; Instead of the Word, the Father, the Bishop, the Teacher, the Scholars, the Church Fathers, who claim to have commanded, told me. Those who do this have become an obstacle to good people. Some who claim to be fathers, without knowing anything about us and without reading the messages, they covered with their own guilt, and condemn us for telling the truth. We understand that they have condemned young people who have misunderstood anything and turned them away from the truth. They even went so far as to return of those who had registered with us to obtain IDs that would enable them to serve under the Ethiopia world light government in the future. Those who did this, we decided to hand them over to Satan and his army. We have no patience! It was decided not to return the ID to the young people who returned the IDs. Since they are registered with us, they can be removed from the register within a month, so they should know that we will cancel it if they do not apply to the Almighty God within one month by requesting to repent.

You, which politics and faith have mixed for you; fake believers; you who change the light to darkness and darkness to light; Notice, God does not to be got mocked; He is not a political gamble. For the poor of the faith, who do not know the truth; you do not know God's will; you only know his name. There is no negotiation by faith. Chief scholar Ayalew Tamiru, who kept their priesthood without blemish, was the last chairman of the Ethiopian Orthodox Tewahedo Church Scholars' Conference. We all know this. He was well-versed in the doctrine and dogma of our faith. Abba Paulos, who found an empty house at the time, overthrew the Synod and approved the law that would make themselves superior instead of the Holy Spirit; Chief scholar Ayalew Tamiru, who witnessed the collapse of the church at the time, condemned the patriarch and the members of the Synod of Bishops who signed the law; they bound their priesthood. Why? They have become idol worshipers. As a result, they have fulfilled their obligation. So how can our church, be healed without breaking the law and taking action against the condemnation? At the moment; the patriarch's action was to expel and suspend Chief scholar Ayalew Tamiru. In fact, it was Patriarch Abune Paulos who should have been banned. They fired the real father because they were political figures. That destruction is still at work, unchanged. As a result, all ministers of our church are imprisoned in condemnation. They did not realize their guilt and did not correct them. So you can't bless anyone. For those who know this truth and say it is not a problem, they will see the results in the future.

From beliefs created by the devil; Catholicism, heresy, Islam, Waqefeta, Shintoism, Taoism, Confucianism, Hinduism, Sikhism, witchcraft, sorcery, all idolatry, grace, anointing, are all judged. There is no way to near them. They all denied God. It is a serious crime to confuse faith with politics.

According to this ninth message; In the following decisions, orders, directives, conditions - those who rest in the first place as a people, as a government, and as individuals; The second is that those who rest as people, as a government and as individuals; The third place is those who rest as people, as a government, and as individuals in severe punishment; We will list countries in three categories.

Countries included in the first step – United States (Babylon), Britain, France, China, Egypt, Germany, India, Iran, Saudi Arabia, Italy, both Korea, Israel, Russia, Pakistan, Canada, United Arab Emirates, Australia, Spain, Turkey, Japan, Indonesia, Dubai;

As well as those who are quickly cleared and cleansed in the first instance, as stated in Message Eight; Djibouti, both Sudanese, Eritrea, Kenya, Somalia, Rwanda, Burundi, Uganda, Tanzania, Central Africa, Chad, Cameroon, Egypt, Gabon, Guinea, Zambia, Angola; These are the countries that are the first to clean up with the countries mentioned above.

Countries included in the Second step – Brazil, South Africa, Argentina, Lebanon, Iraq, Afghanistan, Burma, Thailand, Cambodia, Vietnam, Laos, Nepal, Singapore, Malaysia, Taiwan, Sri Lanka, Nigeria, Niger, Cuba, Nicaragua, Guatemala, El Salvador, Costa Rica, Panama, Haiti, Hamas, Kuwait, Qatar, Oman, Bahrain, Venezuela, Colombia, Sumatra, French Guiana, Ecuador, Peru, Paraguay, Uruguay, Chile, Bolivia, Tajikistan, Kyrgyzstan, Uzbekistan, Turkmenistan, Georgia, Georgia Azerbaijan, Armenia, Syria, the Philippines, Algeria, and all of West Africa

Countries included in the third step – The countries included in this list are not listed in the first and second categories of the above; they see the destruction of others and are eventually will be included and swept.

Note! The countries mentioned in Message 3, Message 5, and Message 8, and all the rest of the world, will be included in the judgment. Just as the corona virus has spread throughout the world, there is no land that will not be swept away by the fires of wrath and anger. Of course, those who claim to be strong in the economy and in the military are the ones who will be consumed by the worst firstly. Some of them will disappear completely, leaving no trace for history.

When you understand this message, you may feel that things are repeated. But it is not. It was repeated so that you could escape from the danger, because it involved many new judgments. It is because of your destruction horrifies. As you have heard in history; the lost people and property of World War I did not serve as a lesson to others. When World War II came, the world did not want it to come. It was a war started by waged by a devil, Hitler. At that time, not all Countries could escape the war. They had entered it. Hundreds of millions of people died; A lot of property was destroyed. Since then, though, there have been fewer wars. All of this is not without reason. It was an opportunity for a person to repent and be saved before the wrath of God is manifested, because mankind has damaged his relationship with the Creator. But the

lost generation saw all his messages as myths. If patience and counsel lead to denial; if love and patience do not bear fruit, why is it difficult to destroy? Just as you are created, you will fall apart. You despised the owner, and tried to move his fence. So you will be uprooted and cleansed and turned to dust. This is the truth. If you like it, listen to it, and if you don't like it, you will inevitably go to your eternal death!!

Another is that some people try to mislead God's people by twisting our words and giving them political meanings. Of these statements, the statement, "God does not need physical support," has certainly been revealed by us. On the other hand, in our audio lessons, we have advised him to defend himself and his country against the threat and destruction posed by the Tewahedo faith in his country. Today, we reiterate stated this in this message. Why?

What do we mean when we say that Almighty does not need physical support? Notice that when a person is armed with a weapon, he cannot help God in his physical preparation to fulfill God's promise to his people. Let's take an example of this: When the Israelites rebelled, they took the ark of God with Zion and fought against the Philistines without reconciling God. During the battle, they marched with the Ark of Zion. God will help you if you trust Him, keep your holiness, repent, and ask His will for your battle. And you will defeat your enemy. The Israelites who knew this; they took the Ark of the Covenant with them, but they did not return. They are not far from their shame. They went out in haughtiness. They were struck down by the Philistines. The Ark of Zion was captured. Where Zion went, there was no Israelite; The Philistines saw their idols bowed down to the Ark of Zion. Not only that, but God struck the land of Palestine with great sickness and plague. The Philistines were alarmed and decided to return the Ark of Zion. They set up a chariot with milking cows, put the Ark on it, and sent it to the land of Israel. When the Ark reached in the land of Israel, the news reached King David of that time. While the cows were pulling it on the road, it seems if they were throwing the ark. It was at this time that a farmer named Oza reached out to support the ark; immediately the Spirit of God struck him and died. My people, we must understand that God does not need the support of the flesh. We need help, we need His help, but the Lord does not need our physical support. But it will help us if we ask for his help with sincerity, repentance, a righteous life, and a trusting heart.

We have the right to defend our country and our flag to protect our faith. When invaders come upon us Like Italy, an invading enemy who opposes our faith and plunders our country, we must stand to protect our country and our faith by asking the help of the Almighty God. Even if we do not have a white enemy today, we must fight against the evil that he has brought upon us, just as Abune Petros did. Abune Petros fought with a gun. When they were arrested; by their priesthood authority, they condemned. They were martyred for their truthfulness. This is our belief. This generation today who sold his country, faith and flag; he is Heretics, Catholics, Muslims, bearers of the devil's agenda, cowards, liars, deceivers, racists, Witcher, white worshipers; Therefore, he become to be slaughter, for the today's judgment. Surprisingly, he tried to criticize us; today, the generation that has lost its faith, its country, its flag, by what

standards will it release its tongue against us? He who destroyed the church and sold it to the devil! You will see your judgment. You will not be saved by your tongue. God knows your heart. Therefore, every true Tewahedo child should stand guard for the true Tewahedo faith and the flag of his country. White, black, whether he is a citizen or not; If he is hostile to your faith, your country, and your flag, you can defend him because it is your natural right.

In the past, when we went to school; our sports teacher used to give us a race that have not a winner. The contest is to place an egg on a soup spoon and bite the handle of the soup spoon with a tooth, and no one can deliver the egg peacefully even in a quarter. No one can hold on. As soon as it is gone, the egg falls; It will be broken. I raised this example for a reason. As everyone knows, our Ethiopian leader today; who is Heretics, like Islam, who have no Ethiopian identity, the best actor, pretender, who has no realistic dreams, just like Meles Zenawi, who follow only the means that strives to preserve his authority. We are seeing them placing their power on the spoon, holding the spoon with their teeth and running. Don't waste your time! "The one who sighted far will rest near." You will see it soon. As the saying goes, "listen for yourself When one speaks and the other also speaks"; The TPLF fell and disintegrated; Yes, this is how God judges. You did not join the fight willingly. Your thought was to keep your power by pretending. But they forcibly brought the fight to you. The miserable Amhara, that you hate him just because he is a steadfast citizen because of his faith and patriotism; He temporarily kept your power. Tomorrow comes another problem. Anyone who is against Ethiopia, Tewahedo, faith and the flag, no doubt, will be humiliated and be goodbye. And this; unless you despise him, you know that God knows what is in your heart. As everyone knows, no decision is made according to the basis of your tongue. You will pay the price based on what you have in your mind and what you believe.

Pride and wickedness, apostasy and contempt, racism and conspiracy, combined with power; we believe that for the one who walks by this way, he will perish immediately. This is God's righteous judgment.

We would like to address some of the issues that are currently being debated.

In 1988 in Ethiopian calendar; In the Ethiopian Tewahedo Orthodox Church, something new came along with the political changes at that time. At the time, the church's patriarch, Abba Merkorios, was ousted by the TPLF. They made them to be expelled to left their country. With orders and threats, Abba Paulos was summoned from abroad and seized the patriarchal authority. After consolidating their power, by violating the boundaries of the forefathers; Breaking the law of the Synod of the Church and appointing themselves instead of God the Holy Spirit; they rejected the synod's claim that they were accountable to God and the Holy Spirit, and they made the synod accountable to the patriarch. This law is still in force today. Chief scholar Ayalew Tamiru was the chairman of the Council of Church Scholars. Their job was to prevent such abuses and to prevent the Church from deviating from the boundaries set by the Tewahedo faith. He struggled a lot at the time but no one listened to them; therefore, they

condemned the patriarch and his synod, the Synod that were inside the country of Ethiopia. Abba Paulos fired Chief scholar Ayalew Tamiru from his work, from the chairman of the Council of Scholars. When we look at the word condemnation, it says:

- Perhaps you have not read or understood the text of the law; those Who is being manipulated by their various supporters; And beyond; Relying on their authority, they say we will not listen to the question of the Church; Patriarch Abba Paulos, who committed this crime; Abba Gerima, who walks in the name of three appointments; and all those who support them. --- **in the words of my Lord God, "who you bound in the earth, will also be bound in the heaven"; I condemn by the authority of the Father, the Son and the Holy Spirit, the saints Peter and Paul, St. Mark and Abba Kerlos, Abba Basilios and Abba Theophilus and by the words of the righteous Abune Teklehaimanot Zedebre Libanos. Even though I am sinful and weak; I also, priest welde Giorgis, I condemned with my word.**
- All those who have accepted and applied this law; Like Arius, Macedonia, Nestorius, Flabonian, Chalcedon, and its followers; Become condemned. I bound you by the unbreakable power of God. Praised be to the Father, the Son, and the Holy Spirit! Amen. Says. I have delivered the order, that I have been commanded from my God. I have finished my running. It is now up to you and the government to take responsibility. My witness to this is God and the holy angels, heaven and earth.
- This condemnation has not yet been raised. The Church did not correct the patriarchal boundaries that it had broken. Today, she continues to follow the law of Paulos. Buy and read a book about the condemnation published by a brother - entitled by "The Unresolved Condemnation". It is our duty to tell the truth. We do not cover up the truth. We do not cover the truth for the millions that will offend. Instead, we speak the truth and the light. Numbers do not matter to God. But God cares for those who stand for truth. Note that we are called by our name (Ethiopia is the light of the world). Do Not Hurry Remember the prophet Elijah He stood alone for the truth. The leaders of the people of Israel, Akab and Elzabel, all the priests worshiping Bueil Zebueil; they have not escaped from God's judgment also they were so numerous. Anyway; the families of trinity and Virgin Mary; Questions about the condemnation and other issues; Ask God with fasting and heartfelt prayer. The path of destruction is wide, and there are many who walk in it. The path of truth is narrow, and few walk in it. Strive to enter the narrow way, the word said.
- We, the family of God, all of us gathered in Ethiopia for the light of the world, are not guided by emotions. God guides us by the Holy Spirit. It is the Word that guides us. It is our Tewahedo Orthodox faith in which our forefathers affirmed and truly martyred. Therefore, for some who follow the strategy of mixing darkness with light; examine yourself; We say to you, "Ask your Creator".

- The truth about what we have said about the institution that called "Association of saints" or Mahbere Kidusan, we need No one to tell us; True believers are expected to tell others to correct their dark deeds. In any of our statements and messages, we do not speak without evidence. There may be good in them; we did not say there have not. The previous ones have worked hard. We know this. Of today; are they really in their shoes? God knows them. We know them by the truths we understand. The other; Only God and His servants know them. That those who are chosen by God, where they are now and who are waiting for the good day. This is not a matter of concern right now. Because the great fire has come in front of us, and everyone goes out into the light, then we see the fate of all.
- Whom does the condemnation bind? It is clear: those are who mention the name of Father Paulos and Father Matthias In the Mass and in all the liturgy ; and, the Synod, which currently applies the law that condemns it, is also condemned, so The priest and deacon, whose names are mentioned in every prayer, their priesthood is bounded. We need to tell the truth. It is our shepherding work! Are we not Christians today doing these activities? This question arises. We understand it; we are not saying the one who did not know and understand this condemnation; we don't say why you don't know. According to his ignorance, the judgment belongs to God. We have revealed the truth today. Once he knows this, he will take the responsibility. We cannot solve this condemnation today. We are not in the position of Shepherd in the church. When we arrived, there was no doubt that the patriarchal law would be restored. Not only will we return, but the unity of our forefathers, who submit to God's counsel, instruction, and instruction, will be perfect; all of God's servants will lead by the Holy Spirit, will not depart from His will.
- We hear a lot of comments about diligent counsels and spiritual cup associations. They can be sincere, ignorant, and inexperienced. Because the Lord saw their hearts when He chose the apostles; everyone has despised the apostles. Our lord Jesus knows what He chose. Of course, there are some servants of the Devil. We know there are. Even if they stay, it is for their destruction. Even if they go, it is their destiny. But because of their courage, they will pay a price. As for the righteous, there is no doubt that over time they will become fully human through the teachings and guidance of God's Holy Spirit.

My people, God's people!!

I think you will understand if you read the message to the question of why the ninth message came today. What sets it apart from other epistles is that it extends the message broadly and holds the strongest decision, precondition, direction, and command. Listen to the message over and over again. It is difficult to understand by reading it only once. You can only understand it by reading.

Families of God; those who are a stranger to this message, those who have not heard it yet, we feel sorry because you are late; Draw close to the Creator from your heart, repent of your

heart, and give your all to God, for no one knows God's call. With the help of Virgin Mary, holy martyrs, the archangels, with in tears, leave the world quickly! Heretics, Catholics, heretics, sorcerers, Muslims, Eastern pagans, anointed, graces, homosexuals, and all racists, all of them will not be saved from the coming sweeping action according to me. You may be saved by the grace and will of God; I do not know.

Those who believe in the Ethiopia world light government; whether you are registered or not; Gathered by diligent counsel; Gathered by the spiritual Cup Association; Both registered and unregistered; Prepare the signs of the covenant that you are to do at the time of the destruction. Repent and be ready as you can. If you have money, do good things with it. Those who don't have money, just be prepared as much as you can, God and Virgin Mary will make up for your shortcomings!!

My fathers, mothers, brothers, sisters, and children; who live in the wilderness; prepare yourselves according to the counsel of God. Do not think that there is another way to express the truth. We have given you the basic truth, if not all.

Clung yourself to God in love with the Virgin, the archangels, the saints, and the martyrs. May God give you understanding in all things. You will see the declaration of an Urgent Proclamation in the next chapter. We want you to know that this proclamation is a proclamation issued by the order of the Trinity, and under the authority of Ethiopia world light Government.

- Because all of Adam's descendants will see it ahead of them; It is good that they read or listen to this.
- It is good to translate it into any language. For everyone can hear it. Translate it if you have the opportunity. But when you do this, you send to our son, the Admin of "Revelation of John 20" Telegram Channel; we'll see it, then you can take it out. Since the time is short, those you have the opportunity, do it as soon as possible. There are no restrictions on the distribution. Below you will find the proclamation.

The word of the Almighty God tells us:

“Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the LORD; and in his law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper. The ungodly are not so: but are like the chaff which the wind driveth away. Therefore the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous. For the LORD knoweth the way of the righteous: but the way of the ungodly shall perish.” – Psalms 1 the whole chapter.

Praised be to the Trinity of Abraham, may their names be glorified!

Praised be to the Blessed Virgin Mary, our Mother; may her names be glorified!

From the World Light Government of Ethiopia!

Awaj! Awaj! Awaj! (In Amharic, means Proclamation)

The time has come for all Humankind to visit and receive God's righteous judgment! Those who are ready and repented! Those who remained steadfast in their Orthodox Tewahdo faith and that they are protected from the filth of this world are remembered by Almighty God today. She won with her great struggle! listen! All of Adam's descendants! Listen carefully !

Introduction:

For thousands of years, the rulers of this earth that ruled over the world people nations had been stood up for their authority and for those they say my state. Most of the time, they have been subject to the Devil's ideas and plans, and they have fought, killed so many peoples, and also they had fought each other. While all this is happening, we are here today.

Throughout this process, all governments — except for a few servants of Almighty God, have become history by fighting, killing, and massacring God's people, the true faith of the Church. The holy martyrs in heaven have always and still are asking for God's righteous judgment because of their shed blood. The Lord told them to stay, that the cup should be filled. But today the cup is full. The Lord expressed His righteous judgment today in this message. According to this, the world we see and the content in it, by the main Actor human race ; Because of the evil and unclean irreparable destruction, to be completely changed; To make things worse, especially the sowing of sin, wickedness, pride, and apostasy; The earth was ruined, so it was

decided that it would be destroyed by fire. Instead, it was decided that the whole world should rule under the light kingdom of Ethiopia, and that the time of consolation for the people of God, as foretold in Revelation chapter 20, should be fulfilled on earth.

What we are seeing today is one of the reasons why the massacre of God's people fill the cup in an unprecedented way.

listen! Mankind! listen! The descendant of Adam! listen! Governments that covered the whole earth ! listen! The world largest religious institutions! listen! Idolatry, Racism! listen! Witches, those who attract demons and do witchcraft ! listen! Tree and river worshipers! listen! Owners of massacres and massacres! listen! Those merchants of faith, who put on the cloak of faith, and calling each other Master and Master! listen! You, who have changed the word of God for business and your stomach! listen! You, who worship your knowledge and despise other believers! listen! You, who say no one could speak about God except us! listen! You, who are still attacking the wounds of the Lord, and say that God cannot breathe without us! listen! You who struggle to shut the human tongue as boldly as you command God! listen! Liars, deceivers, arrogant, cruel, all of you! listen! Islam, Protestants, Catholicism, Reformation, You who made idolatry as king in your heart! listen! Homosexuals! listen! Yes, listen! You who made yourself an adulterous! listen! All of you who worship the former serpent, the dragon, the false prophet, openly and secretly! listen! listen, your life on earth is over. It is over. Listen! Listen to mankind! Your judgment has been followed until, but now, will happen and execute to you. You have no time. No appeal, all your chances have completely run out.

The Devil's Day His millennial reign ended; It was decided that all of Adam's descendants, who lived under his rule, should be judged by God's righteous judgment. So, all the darkness that covered the earth, to be wiped out and the earth to be covered with light, has obeyed. This is what comes to you. The earth is to be healed, and the true people of God who have endured during this great tribulation are going to be comforted. Our forefathers and mothers are in heaven to enjoy by the righteous judgment of God. They are to be glorified in the unity of the Spirit by their children. One faith: Loved and endured, The Orthodox Tewahedo faith, which the world was trying to destroy, she has persevered; She won; and has planted. The Orthodox religion is destined to rule the world; She is about to cover the earth with her shining light ministry, embracing the resurrected ones who are destined for resurrection. listen! Keep listening! Listen carefully! Go to hell with your father, the devil, the old serpent, the false prophet, and your friends who have covered the earth. The devil will go to his prison or hell. It is decided that you also to go to hell, where you will be judged. Listen to me! Listen, You who subjected to the devil. Goodbye. After the consolation, at the end of the Judgment Day, you will see us, on the right side of God's judgment seat With our forefathers, with our Father Jesus, with our Mother the Virgin Mary, and with our beloved holy archangels. listen! As you are on the last way to hell, let me tell you one last time! You will see yourself, standing on the left side of the Lord's judgment seat, to be thrown into the fire. That day will the last day to say goodbye, after that we will never see you again. You must go to, to the great fire of hell, that

eternal torment. And we also, We will enter to the heavenly kingdom, that prepared for us by the Trinity of Abraham. We shine like stars forever and ever. We will be like angels praising His glory forever. Still you will not listen because you never believe; because your heart is full of doubt. Of course, When we tell you that, you will laugh, and prepared for another catastrophe. But listen! You finished your time! You are done ! So, The proclamation came to end you and your father the Devil.

What do we mean by an urgent Proclamation?

There are about 205 countries in the world today that stand firm. They all rule their people according to their own constitution. We, the Ethiopian people, have been ruled by the strange constitution for 30 years, still now. The Law that came by bullying. We are suffering under the satanic regimes that they have planted, according to the command of both the United States and the United Kingdom, to make us rule by TPLF or WEYANE, the horses chosen by the devil, at the time.

As everyone knows, our country is in turmoil due to this constitution. The whole world agrees that the current constitution is in the best interest of all. However, if there is a popular uprising or various enemies, they want to overthrow the government; The last step the government will take to defend itself and restore order is to declare a state of emergency (Urgent proclamation). Hence, the government; by its military forces, police, and security force, will control or destroy all opposing forces; also will bring arrested to justice.

But today, what you see in this urgent proclamation, is different from what you are used to. listen! Adam's descendant! Say what's different! The state of emergency you know is the act of saving a country and its regime that is being declared by a government that is about to collapse when a country is in turmoil or unable to cope with natural disasters. There is no protection then. There is no movement. It will be a life of restraint and restraint. This is an urgent proclamation in your knowledge.

But our proclamation today is different. The proclamation originated from the Almighty God which you have forgotten, or is proclaimed by God, Which cannot be seen and touched. He created you, He made the earth and the sky, He created the visible and the invisible, He created the descendant of Adam on earth as image of him; and after your stay on this earth to be shine like the stars around his glory, to glorify his name, He loved you, so he planted you. What did you answer? How did you respond to the call of His love? Because of His salvation for you, and the price of life he paid for you, what did you pay for this? How did you respond to the God, who has been waiting for you for thousands of years to gather you in His perfect love for the one who saved you and saved you from all your troubles? Yes! You had completely denied him. You know what you stand for and how you live. Your contempt, your betrayal, your remorse, your rebellion; After all, you know that you have made the Devil, your Creator, your God. You've had enough of God's last patience. So even though we did not see him, we did see him in faith and live in his love. We know that judgment will be revealed and that we will be saved

by our faith. He is not a stranger to us, but we have come to believe that this is possible because he is a faithful God, Today, it has happened. Even though this proclamation has reached your ears, you still do not believe it. Of course, this message will be heard worldwide. You, the lost generation still will not listen. Because of COVID-19 disease, you have seen how much you have suffered. You still say I will get Vaccine for it. Remember what says in the fifth message: it said that, many viruses will come up. Not just COVID-19! So when did your suffering come yet? It just showed you the starting of your destruction!

As mentioned above, this proclamation is completely different from what your earthly rulers do. How is it different? First, the one who authorized the proclamation is the Almighty God, who created the heavens and the earth. Who were ordered to declare the proclamation? Yes, his faithful servants by approving it with their signatures and blood stamped. You will see it soon, that the first slaves of the Trinity who lead the Ethiopia world light Government, when they rise and shine, like morning sun.

Our proclamation is different! That is why we say that it is not the same as what you are used to, a state of emergency that you and your peers know, declared by governments; It is what they do in the military or in any other way to satisfy their needs. As I mentioned above, ours is different because: It is from God, who created you. Again I will repeat it! It is a proclamation issued by God, who has the power over all things, including death.

God came as promised to free, the Israelites from the land of Egypt those who were under Pharaoh's tyrannical rule. God, who kept his word, sent his faithful slaves, Moses and Aaron to free Israel. However, when the ten plagues began on the Egyptian people, Pharaoh hardened his heart and did not listen. When he spoke the word of God through Moses was said, "Let my people go, that they may serve me." The stubborn Pharaoh, despite his repeated arrogance, came to the end of his last terrible wrath; the land of Egypt was covered with death of the eldest son from all man and animals. And Pharaoh's house was filled with death. Unable to cope with the situation, Pharaoh became so afraid of the Israelites that he gave them gold and pearls and released them.

Today, God repeats his various punishments; No one listened when he counseled and rebuked the world. For 15 years God warned all humankind through his slave, to take their hands back, from his beloved people of Orthodox Tewahedo. But all over the world, they did not listen because the devil controlled the whole world, all the descendants of Adam. They said they will not relinquish their guilt over the Ethiopian Tewahedo faith. They made her suffer even more. So, the suffering that the world has never seen, heard, or expected, has comes! Accordingly, orders came out from Almighty God!!!

4 - What is its goal?

Although the goal has already been stated, it is clear that God has been watching over His faithful people for centuries and has kept them in His heart. He loved the Orthodox Tewahedo

and its steadfast people, who endured great trials; He chose them, approved them, and honored them. As a result, he gave the whole world to this despised Ethiopia, the glorious Ethiopian Orthodox Tewahedo Church. So this had to happen. This is its goal. Ethiopia's world light government to rule the world.

Some so-called superpowers will be completely wiped off the face of the earth.

What will be the results of God's wrath that flow on the earth?

- **1** - On all countries of the world, hundreds of times more deaths of Pharaoh and the people of Egypt will reign over the entire human race today. There is no house or place where death does not reign. If you have a mark on your forehead and use the mark in accordance with the instructions given by the Ethiopia world light government, if you are registered with us; although we do not register them, if they are registered by the Holy Spirit of God; who have been taken identification card for service. In general, there is no one who is not associated with death unless he is gathered by our side.

- **2** - From the great wrath, from the beginning of the flow all over the world; ---- Death shall reign over the house, and the gate, and the outside, and the earth, and the forest, and the slain, and the mountains, and the caves, and the air, and the sky. It will wipe out all the forces of the earth that have been striving for destruction. Death cannot be found easily, it will make to tormented, oppressed, and begged. All of this will happen unless there is mercy on mankind. It does not harm animals or plants. As I mentioned above, a humble, meek person will be saved.

When the airline flies, the covenant symbol, the flag (green, yellow, red), the word of the covenant, it must be affixed and visible on the outside. Not only that, it must contain the letter signed by us. All Other's countries airlines, cannot operate (fly) with their own flags and logos. They cannot move, even in their own country. Even if they want to get service, you can only do so at Ethiopian Airlines. Their airline may operate under the auspices of Ethiopian Airlines. This will only be allowed when Ethiopian Airlines give the letter and the covenant symbol to them (to the others airlines) and if the other's countries airlines accepted it. This will only happen, when they get trusted and allowed. And the license giver is only Ethiopia world light government.
- **8** - All Over the world; all air, land, sea and communications will stop. None of them can move in their own way. All international companies, industries, and electronic communications will be shut down. As we have repeatedly stated - it is impossible for anyone to move without our permission. They do not help one another. Death is everywhere. As we have repeatedly stated, death reigns in all descendant of Adam, wherever they may be. Unless the one with a mark on the forehead. And those with the mark on their forehead; they can use materials only for themselves!
- **9** - No government in any part of the world can move. It cannot be like the government. In general, not all human beings can participate in any economic, social, or military activity. In any case, at home or abroad, it is not possible to move without an identification card or a document, which have a signature, Of Emperor Tewodros or the person he represents, on it. Only by God's will, can all of Adam's descendants be saved. If so, he must sincerely acknowledge that Ethiopia is the light of the world, that the leaders are the slaves of the Trinity, and that the Ethiopian Orthodox Tewahedo Church is the only true and victorious faith. He must sincerely repent. He must repent and correct himself. Furthermore, he should praise the Trinity and the Virgin Mary, because he was saved by the Kindness of God.

- **10** - No action is allowed, when the proclamation is implemented in Ethiopia and in all neighboring countries. In order to move, a document from Ethiopia world light government is required. We have repeated it many times because we want everyone to know that it is must.
- **11** - unless with the permission of Ethiopia world light government; Land transport around the world, such as trains, heavy trucks, large public transport, any institution, transport service vehicles, private commercial vehicles and all vehicles can never be operated in any means. Sea transport will not be able to fully operational. It will be removed as soon as if it is moved. All who are on the sea and in the sea, who are engaged in military activity, will be eliminated.
- **12** - All satellites will be eliminated that works in space for military intelligence, for spying, aggression and other destructive activities.
- **13** -Those countries that have Nuclear, chemical, neutron, and biological weapons will be targeted in the first heavy destruction. Those countries, who claim to be powerful are, the United States, the United Kingdom, France, China, Russia, India, Pakistan, North Korea, Iran, and Israel. They will not get age, time, rest.
- **14 - Prerequisite** - if any country is ready to be surrender, when the sweeping action began on it; He should consult with the people he leads and decide in his own country's law that governs them; with the document that they decided he must prepare a letter and inform to the diligent councils to give his hand. Then after, He will get a license to move or operate. To come to Ethiopia, first arrivals are only possible in neighboring Kenya and Djibouti; while there, he must wait until an order to be given. Or they will be answered by a delegation, represented from the Ethiopia World of Light government. When he fulfills his obligations according to the answer given, he will be informed what his next step will be. In this way, transitional government activities are carried out. For an unwilling country and people, it will be completely wiped off the face of the earth.
- Any citizen of that country who wants to be surrender personally or to get judgment will have to go to the Ethiopian embassy that exists on his country which represented by us, and write the application and wait in line. If the embassies do not treat them properly, he can apply and wait in line to get a decision to the diligent councils that have an Ethiopian or foreign citizenship in their countries. This also can be done by preparing as a representative for both the organization and the community.

----- And he saith unto me, Seal not the sayings of the prophecy of this book: for the time is at hand. He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still. And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be. I am Alpha and Omega, the beginning and the end, the first and the last. Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city. For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie. I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star. And the Spirit and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the water of life freely. --- Revelation of John chapter 22 : from 10 to 17.

Finally, this is my warning and advice to all of Adam's descendants!

As you have seen above, your final judgment is come to finish you. No matter who you are, you will not escape death. That's all I can say if you understand a little bit --- Listen to me! You cannot deceive anyone as you are accustomed. Even the Devil who drives you will not escape. So I personally advise that you will be benefited -- when you put yourself in God's hands, humble yourself and repent from your heart and tell him to save you. Promise to him, that you will only listen to his truth, you will obey him and that you will be his sincere servant. Pray earnestly to God to give you A mercy, for the sake of the Blessed Virgin Mary and for the glorious Archangel Angels! His wrath and the fiery furnace is in front of you. This is my advice to you. My people! I wish you could cross like us! We, the servants of God, the

servants of the Virgin Mary, and the Orthodox Patriots, still today wish you all the best. If you are smart, take advantage of this short time that is given for the message to be distributed all over the world. Heretics, Protestants, Catholics, anointed, graces, racists, you have no mercy. I assure you again, you have no mercy in any way. Muslims were expected to repent until this message was published. Few have used it. But at the same time, I assure you that after February 21, 2013 in Ethiopian calendar or after February 28, 2021 in European calendar, those Muslims who still believe on their own false stories will be completely like heretics, Protestants and Catholics. And their destiny will be also for Muslims.

May God give understanding to all honest, meek, and kind people. Amen!

Blessed be the name of the God of Abraham, Isaac, and Jacob. Amen!

Blessed be the name of the Mother Virgin Mary. Amen!

Ethiopia is the light of the world
